**Constipation**

Baked sweet apples, with some people, bring prompt relief for Constipation. With others, coarse all-wheat bread will have the same effect. Nature undoubtedly has a vegetable remedy to relieve every ailment known to man, if physicians can but find Nature's way to health. And this is strikingly true with regard to Constipation.  
 The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But, combined with Egyptian Senna, Slippery Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power to correct constipation. A toothsome Candy Tablet, called Lax-ets, is now made at the Dr. Shoop Laboratories, from this ingenious and most effective prescription. Its effect on Constipation, Biliousness, Sour Stomach, Bad Breath, Sallow Complexion, etc., is indeed prompt and satisfying.  
 No griping, no unpleasant after effects are experienced, and Lax-ets are put up in beautiful lithographed metal boxes at 5 cents and 25 cents per box.
