TO MY SON.

Dear little son of mine,
Whose arms so lovingly around me twine,
A rose leaf from Elysia's garden given
To show how straight the path from earth to heaven.

With eyes of wondrous light,
Reflecting visions gloriously bright
Perchance, whose joyous laugh and merry tone
The Angels love, and every one may own.

Father in Heaven, Divine!
Teach me to train aright this gift of thine,
That round thy throne we'll meet,
When life's short span is made complete.

—LISBETH TAYLOR.
Langstaff, Aug. 10, 1908.

The annual village picnic was held at Bond's Lake last Saturday afternoon. Nearly sixty were present, most of whom spent the afternoon on the lake in the gasoline launch and in row boats. After supper an interesting game of baseball was played with Miss E. McNaughton and Miss Myrtle Sargeon as captains. At the close of the game the score stood 40 to 30 in favor of the former. All returned home about 9 p. m. feeling tired but happy after the outing.

For the next three Sundays the pulpit of St. Andrew's church will be occupied by Mr. A. Dallas of Forest, a graduate of Knox College.
Mr. Duff of Haliburton has the position of clerk in the Sterling Bank.
Master Frank Oliver was bitten by a horse last Friday. His injuries though painful are not considered serious.
Mr. T. Chubburn was removed last week to the General Hospital, suffering from a broken limb, the result of a fall.

Victoria Square.

Harvest is in full swing. Many will be thro' cutting this week and not a few will finish. The sound of the threshing machine is heard on every side. Mr. L. G. Stoutenburgh is out with his new outfit which works with perfect satisfaction.

In the five-mile road race at Gormley on Saturday 8th. Mr. Percy Hagerman was successful in winning second place, doing the distance in 31 minutes just one minute behind the winner McPherson of Gormley who finished in 30 minutes.

Among other improvements at S. S. No. 7 is a fine cement block pavement. Messrs. A. Jennings and Dennis have the contract.

Special music is rendered during the S. S. services and last Sunday a duet by Misses N. Jennings and Gerie Lunan was sung very sweetly.

Mr. J. Brunwell of Highland Creek is visiting at Mr. W. Brunwell's.

Miss Nellie Trudgson of Markham has returned home after a short visit with the Misses Lunan.

Mr. Harry Klinek of Parkhill and his sister Miss Myrtle of Stouffville, spent Sunday with friends here.

Miss Ethel Short of Toronto is visiting at Mr. N. O. Hagerman's.

Miss Queenie of Toronto is the guest of her aunt Mrs. W. Frisby.

The footprints of Dyspepsia have been directly traced to the Stomach nerves. When these "inside nerves" fail, indigestion and stomach distress must surely result. For this, druggists everywhere are supplying a prescription known as Dr. Shoop's Restorative. First, these tiny inside Stomach, Heart, and Kidney nerves fail. Then gas belching, Heart palpitation, or failing Kidneys follow. Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. Strengthen these failing nerves with Dr. Shoop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the restorative treatment, you will realize the gain. A test will tell. Sold by W. A. Sanderson.

Mr. T. F. Cook, Aurora, had his barn, stables and pigeon house burned about 10 o'clock, Sunday night, the 2nd inst. He lost the season's hay crop, some implements and several hundred pigeons. The pigeons had been purchased from Mr. Allen of Richmond Hill and were very valuable. A couple of tramps ordered from the barn a few nights before threatened to get even with Mr. Cook.

BARN RAISING.

A bank barn, 80 by 40, with an extra place for root cellar, was raised on lot 3, concession 5, Whitechurch, the property of the Misses Brillinger, Gormley, on Friday last. The framer was Mr. Richard Atkinson. The captains were Joseph Steckley and Tobias Wideman, the latter winning by only one rafter. While the work was in progress Mr. Rock Linton of Aurora was thrown from a girl twenty feet above the ground. In the descent he made a complete somersault. He fell against Mr. Elias Baker, who had his ankle either fractured or badly sprained. Mr. Linton had two fingers put out of joint, but the joints were speedily put back in place, and Mr. Linton ascended to his former position.

News Notes.

Sir James Whitney left Toronto on Monday for a trip to England. It is said the Premier has in view the shaping of a new immigration policy for Ontario.

Miss Moyes of Toronto, successfully defended her Canadian championship at lawn tennis on Saturday, thereby becoming the possessor of the trophy, which she has now won for the third time. Miss Moyes is a daughter of Mr. J. W. Moyes, former manager of the Metropolitan Railway.

A frightful accident occurred on the trolley line leading from Chatham to the new summer resort at Erie Beach on Monday. There was a rear-end collision, the brake of the hind car refusing to work. Four deaths are already reported, and about a dozen others are seriously injured.

August time, tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, Heart and Kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by W. A. Sanderson

Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate womanly organs, so surely when these organs are established in health, the face and form at once witness to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve tonic adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments.

Dr. Pierce may be consulted by letter free of charge. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.
