A SOLID VOTE.

A vote of the whole Dominion of Canada to ascertain the best value to be had in the newspaper line would without question result in a solid vote for the Family Herald and Weekly Star of Montreal. At twice, yes five times its present price it would still be considered good value, in fact it is just such a paper that most homes would have at any price. It costs but one dollar a year, and one can't go wrong in giving it a trial. It already reaches the majority of homes in this country, and those who receive it would not be without it.

As agents for the House of Hobbelin we can procure you made to your measure a stylish tweed suit for \$15.00 and will be pleased to show you the patterns. Atkinson & Switzer.

The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well. Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 31 one-cent stamps for paper-covered, or 50 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential. Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.
