GREAT YEAR AHEAD.

A great year is promised for readers of the Family Herald and Weekly Star of Montreal. Already the acknowledged best family and farm paper printed, the publishers are out with the announcement that it is to be vastly improved during 1909, in appreciation of the enormous number of subscriptions received. The paper is to be enlarged, their news service vastly improved, more stories of a high order of merit are promised, new contributors of great literary fame will contribute, and many new features of absorbing interest are to be introduced. Evidently the Family Herald and Weekly Star during 1909 is going to be greater value than ever before.

CANADA'S BEST NEWSPAPER.

"A Cloud of Witnesses" Among the Press of Canada Have Nothing but Praise for the Montreal Witness.

To what other large metropolitan newspaper anywhere in Canada has such a whole hearted and generous praise ever been accorded as may be found in the following examples of what is being said by press and people all over the Dominion?
"The Witness is a newspaper of which Canadians are justly proud. It publishes all the news in the most straightforward way and its readers are kept well informed. Moreover its readers are leaders in their respective communities, the Witness appealing strongly to the people of character everywhere."
"The following statements of facts are worthy the consideration of any one of our readers."
"The Witness exerts a most beneficial influence in the homes and hearts of our people."—The Late Archbishop Bond, Primate of all Canada.
"The Witness has manifested in an eminent degree the qualities of courage and sincerity."—R. L. Borden, Leader of the Conservative Party.
"The Montreal Witness is never influenced by mere Party feelings."—Chatham Commercial.
"The Montreal Witness numbers among its clientele the most independent and thoughtful newspaper readers in Canada."—Edmonton Bulletin.
"The Montreal Witness stands for purity and honesty in Government."—The Hamilton Spectator.
"The Montreal Witness is a newspaper which is bold enough to be honest, and honest enough to be bold."—Sarnia (Ont.) Observer.
"The Montreal Witness was never better or more useful than it is to-day."—Dominion Presbyterian.
"The Witness is one of the best papers published."—Bowmanville Statesman.
"The Witness never fails to command respect for its fairness and impartiality."—Sarnia Observer.
"The witness is the most impartial and independent newspaper in Canada."—Charlotte, P. E. I. District.
"The Montreal Witness does nothing small."—Picton Gazette.
"The Montreal Witness is by far the most influential newspaper in Canada."—The Herald, Comber, Ont.
"The Witness is, no doubt, the best newspaper in Canada."—Northern Advance.
"The Witness deserves the good words that have been said of it."—Christian Guardian.
"Right minded people will appreciate such opinions and will pass them to friends who may not have seen them. The Daily edition is \$3.00 a year, and the Weekly only \$1.00. These rates are low, since it costs much more to produce a paper like the Witness than it does to produce many of its leading competitors. Character counts because it costs."
"The Witness is published by John Dougal & Son, Montreal, and has now completed its 62nd year."

News Notes.

Alex. Rose, the daring criminal and jail-breaker, was on Tuesday sentenced to life imprisonment.
The By-Law to cut off 40 hotel licenses in Toronto carried last Friday with a majority of nearly 900.
Longboat, the Indian runner, again vanquished his Italian opponent, Dorando, in Buffalo, in a 25-mile race.

MAKE IT YOURSELF.

SAYS MANY PERSONS HERE CAN BE MADE HAPPY AGAIN BY USING IT.

There is so much Rheumatism here in our neighborhood now that the following advice will be highly appreciated by those who suffer:
Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kagen, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.
It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.
This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys so that they can filter and strain from the blood and system the poisons, acids and waste-matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.
Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

Verdict for Dr. Pierce

AGAINST THE Ladies' Home Journal.

Sending truth after a lie. It is an old maxim that "a lie will travel seven leagues while truth is getting its boots on," and no doubt hundreds of thousands of good people read the unwarranted and malicious attack upon Dr. R. V. Pierce and his "Favorite Prescription" published in the May (1904) number of the Ladies' Home Journal, with its great black display headings, who never saw the humble, groveling retraction, with its inconspicuous heading, published two months later. It was boldly charged in the slanderous and libelous article that Dr. Pierce's Favorite Prescription, for the cure of woman's weaknesses and ailments, contained alcohol and other harmful ingredients. Dr. Pierce promptly brought suit against the publishers of the Ladies' Home Journal, for \$200,000.00 damages.
Dr. Pierce alleged that Mr. Bok, the editor, maliciously published the article containing such false and defamatory matter with the intent of injuring his business; furthermore, that no alcohol, or other injurious, or habit-forming, drugs are, or ever were, contained in his "Favorite Prescription"; that said medicine is made from native medicinal roots and contains no harmful ingredients whatever and that Mr. Bok's malicious statements were wholly and absolutely false.
In the retraction printed by said Journal they were forced to acknowledge that they had obtained analyses of "Favorite Prescription," from eminent chemists, all of whom certified that it did not contain alcohol or any of the alleged harmful drugs.
These facts were also proven in the trial of the action in the Supreme Court. But the business of Dr. Pierce was greatly injured by the publication of the libelous article with its great display headings, while hundreds of thousands who read the wickedly defamatory article never saw the humble groveling retraction, set in small type and made as inconspicuous as possible. The matter was, however brought before a jury in the Supreme Court of New York State which promptly rendered a verdict in the Doctor's favor. Thus his traducers came to grief and their base slanders were refuted.
