

COUGHS AND COLDS.

I Took Pe-ru-na.

Peruna Drug Co., Columbus Ohio.
Gentlemen:—I can cheerfully recommend Peruna as an effective cure for coughs and colds. You are authorized to use my photo with testimonials in any publication.

Mrs. Joseph Hall Chase, 804 Tenth St., Washington, D.C.
Could Not Smell Nor Hear.
Mrs. A. L. Wetzel, 1023 Ohio St., Terre Haute, Ind., writes: "When I began to take your medicine I could not smell, nor hear a church bell ring. Now I can both smell and hear."
"When I began your treatment my head was terrible. I had buzzing and chirping noises in my head."
"I followed your advice faithfully and took Peruna as you told me. Now I might say I am well."
"I want to go and visit my mother and see the doctor who said I was not long for this world. I will tell him it was Peruna that cured me."
Peruna is manufactured by The Peruna Drug Mfg. Co., Columbus, Ohio.
Ask your Druggist for a Free Peruna Almanac for 1909.

Magistrate (about to commit for trial):—"You certainly effected the robbery in a remarkably ingenious way—in fact, with quite exceptional cunning." Prisoner (deprecatingly):—"No flattery, yer honor—no flattery, I begs on yer."

While more prevalent in winter, when sudden changes in the weather try the strongest constitution, colds and coughs and ailments of the throat may come in any season. At the first sight of derangement use Bickle's Anti-Consumptive Syrup. Instant relief will be experienced, and use of the medicine until the cold disappears will protect the lungs from attack. For anyone with throat or chest weakness it cannot be surpassed.

Milligan (a new warder), to prisoner causing a disturbance: "Hi, you in there, stop that row, or I'll speak to the Guv'nor and have ye chucked out into the street!"

An inheritance of weak lungs is a serious handicap, but Allen's Lung Balsam, taken at the first sign of a cough will ensure immunity from this dangerous defect. Don't trifle with unknown cure-alls.

Genius is said to be a certain form of madness, but the madness of most people is more or less uncertain.

Help your children to grow strong and robust by counteracting anything that causes ill-health. One great cause of disease in children is worms. Remove them with Mother Graves' Worm Exterminator. It never fails.

"My friends," said a temperance lecturer, lowering his voice to an impressive whisper, "if all the public houses were at the bottom of the sea, what would be the result?" And the answer came, "Lots of people would get drowned."

KNEW FOR A CERTAINTY.

There is something so honest and bold in the self-criticism of a man who appreciates his own virtues that it may well appal the soul unaccustomed to confidence.
A well-known general, in reviewing a corps of cavalry, suddenly stopped before a splendid-looking fellow, and asked abruptly:—"Which is the best horse in the regiment, my man?"
"Number Forty, sir."
"What makes you think that he is the best horse?"
"He walks, trots, and gallops well, is a good leaper, has no vice, no blemish, carries his head well, is in his prime."
"And who is the best soldier in the regiment?"
"Tom Bodgers, sir."
"Why?"
"Because he is an honorable man, is obedient, tidy, takes good care of his equipment and his horse, and does his duty well."
"And who is the rider of the best horse?"
"Tom Bodgers, sir."
"And who is Tom Bodgers?"
"I am, sir."
The general could not help laughing, but he gave \$5 to his informant.

IMPOSSIBILITY.

It is impossible for a woman to understand how any man can have so much money that he doesn't know what to do with.

DUDISH.

When a dude seems to be intelligent, remember that "things" are seldom what they seem.
Englishman (in British Museum): "This book, sir, was once owned by Cicero." American Tourist: "Pshaw! that's nothing. Why, in one of our American museums we have the lead pencil with which Noah used to check off the animals as they came out of the Ark."

Put up in \$1 Yard Rolls. The famous "The D & L" Menthol Plasters, which cure lumbago, backache, sciatica, neuralgia, etc., are always put up in one yard rolls for physicians and family use. Davis & Lawrence Co., Montreal.

Shopkeeper: "Is there anything else I can send you, sir? What would you say to a piece of this cheese?" Customer: "I wouldn't care to say anything to it. It might answer me back!"

You cannot be happy while you have corns. Then do not delay in getting a bottle of Holloway's Corn Cure. It removes all kinds of corns without pain. Failure with it is unknown.

OF COURSE!

Perhaps you never saw a moving factory, but of course you have heard of a rolling mill.

For Chills, Frost Bites, Bruises, Sprains, nothing equals the famous old remedy, Perry Davis' Painkiller. Keep a bottle always on hand. Equally good to check Chills and break up Colds. At all druggists.

Inquiring lady: "How much milk does your cow give a day?" Truthful Boy: "Bout eight quarts, lady." Inquiring Lady: "And how much of that do you sell?" Truthful Boy: "Bout twelve quarts, lady."

A professor was reproving a student for his idleness, when the latter said:—"It's no use finding fault; I was cut out for a loafer." "Well," replied the professor, surveying him from head to foot, "whoever cut you out understood his business thoroughly."

For the Overworked.—What are the causes of despondency and melancholy? A disordered liver is one cause and a prime one. A disordered liver means a disordered stomach, and a disordered stomach means disturbance of the nervous system. This brings the whole body into subjection and the victim feels sick all over. Parmelee's Vegetable Pills are a recognized remedy in this state and relief will follow their use.

THE DEPARTED.

"I suppose you carry a memento of some sort in that locket of yours?"
"Yes, it is a lock of my husband's hair."
"But your husband is still alive?"
"Yes, but his hair is all gone."

WONDERFUL.

Mr. Howard—"Isn't it wonderful what force Niagara has?"
Mrs. Talkmuch—"Marvellous! Do you know when I first saw it, for a full moment I couldn't speak."

Clarence: "Miss Sharpun has brains enough for two, by Jove!"
Florence: "Then why don't you marry her, Clarence?"

SAFETY.

"Papa, what is a safety match?" Mr. Henpecked (looking carefully to see if his wife is within hearing)—"A safety match, son, is when a baldheaded man marries an armless woman."

A Woman's Sympathy

Are you discouraged? Is your doctor's bill a heavy financial load? Is your pain a heavy physical burden? I know what these mean to delicate women—I have been discouraged, too; but learned how to cure myself. I want to relieve your burdens. Why not end the pain and stop the doctor's bill? I can do this for you and will if you will assist me.
All you need do is to write for a free box of the remedy which has been placed in my hands to be given away. Perhaps this one box will cure you—it has done so for others. If so, I shall be happy and you will be cured for 2c (the cost of a postage stamp). Your letters held confidentially. Write to-day for my free treatment. MRS. F. D. CURRAH, Windsor, Ont.

A SLIP.

"When you make a request for a man to throw something in your way," remarks the observer of events and things, "you do not want it to be a banana skin."

To Know is to Prevent.—If the miners who work in cold water most of the day would rub their feet and legs with Dr. Thomas' Electric Oil they would escape muscular rheumatism and render their nether limbs proof against the ill effects of exposure to the cold. Those setting out for mining regions would do well to provide themselves with a supply before starting.

Manhattan, New York, is the most densely populated island in the world. It has a population of over 99,000 persons to the square mile.

Allen's Lung Balsam, in which there is no opium, cures sore throat and sore lungs, as it allays the inflammation and risks you of the mucus that stops up the air passages. 25c, 50c, \$1.00 bottles.

Glass bottles were made by the Romans as far back as the year 70 A.D. Their manufacture in England, however, was not begun till 1553.

Something More than a Purgative.—To purge is the only effect of many pills now on the market. Parmelee's Vegetable Pills are more than a purgative. They strengthen the stomach, where other pills weaken it. They cleanse the blood by regulating the liver and kidneys, and they stimulate where other pill compounds depress. Nothing of an injurious nature, used for merely purgative powers, enters into their composition.

INDEBTED.

As a pleasant-faced woman passed the corner Harris touched his hat to her and remarked to his companion: "Ah, my boy, I owe a great deal to that woman."
"Your mother?" was the query.
"No, my landlady."
