Somehow honesty manages to parade in public frequently.

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

If a man keeps his ears open he will sometimes get a lesson in the accurate use of language when he least expects it. "Bessie," said papa, "won't you have a little piece of this chicken?" "No thank you," said Bessie. "What! no chicken?" "Oh, yes, I'll have chicken, but I don't want a little piece."

What is the Best Thing to strengthen weak back? "The D & L" Menthol Plaster. It will cure lumbago and rheumatism. \$1 rolls make seven 25c. plasters. Davis & Lawrence Co., Montreal.

Some men are such swindlers that they cheat themselves.

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

PERFECTLY EQUIPPED.

When the large and healthy-looking individual who had asked at the door for "a little something to eat" was told that he might have it if he would work a while at the wood-pile, he shook his head mournfully.

"I've got the ague," he explained, "and my hand is that unsteady I couldn't hit more'n one stick in seven."

"All right!" exclaimed the mistress of the house. "Go out in the back yard and shake those ashes for me."

Can't Praise Them Too Much

So Says Charles Bell of Dodd's Kidney Pills.

He had Rheumatism for Ten years and the old Reliable Kidney Remedy Cured him completely.

North Range, Digby Co., N. S., Mar. 1. (Special).—"I am so filled with gratitude to Dodd's Kidney Pills that I cannot praise them too highly." These are the words of Mr. Charles Bell, well known here, and they are echoed by many another who has been freed from the tortures of rheumatism by Dodd's Kidney Pills.

"I suffered terribly from rheumatism for ten years," Mr. Bell continues, "I was so bad I could scarcely get in and out of bed. After trying various medicines without getting relief, a friend advised me to try Dodd's Kidney Pills. Six boxes cleaned the Rheumatism right out of me."

That's what Dodd's Kidney Pills do to Rheumatism—clean it right out of you. They do this simply and naturally. Rheumatism is caused by uric acid in the blood. When the kidneys are healthy they strain this uric acid out of the blood. With no uric acid in the blood there can be no Rheumatism. Consequently to cure Rheumatism, cure your kidneys. Dodd's Kidney Pills always cure the kidneys.

Customer—"What do you mean by selling me that stuff you called hair-restorer, and telling me it would restore my head to its original condition?" Chemist—"Didn't you like it?" Customer—"No, I didn't. If I had kept on much longer I should have been entirely bald. Original condition, indeed!" Chemist—"Most people are born bald, sir. That is the original condition."

Impurities in the Blood.—When the action of the kidneys becomes impaired, impurities in the blood are almost sure to follow, and general derangement of the system ensues. Parmelee's Vegetable Pills will regulate the kidneys, so that they will maintain healthy action and prevent the complications which certainly come when there is derangement of these delicate organs. As a restorative these Pills are in the first rank.

"What is the honeymoon, pa?" "Well, the honeymoon is the only period in a man's life during which he considers it funny to come home and find that his dear little wife hasn't dinner ready in time."

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

The man who acts little makes a big mistake.

A Cure for Rheumatism.—The intrusion of uric acid into the blood vessels is a fruitful cause of rheumatic pains. This irregularity is owing to a deranged and unhealthy condition of the liver. Any one subject to this painful affection will find a remedy in Parmelee's Vegetable Pills. Their action upon the kidneys is pronounced and most beneficial, and by restoring healthy action, they correct impurities in the blood.

As Fire Spreads in dry grass, so does an inflammation in the throat grow down into the lungs. Deal promptly with a cold as with a fire, and when you begin to cough use Allen's Lung Balm.

Most men are cheerful givers when they have a chance to hand out advice.

A spoonful of success is better than a gallon of failure.

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

Gentleman (to dog dealer)—"I gave you a high price for this dog last week because you warranted it to be a good house-dog. My house was broken into last night, and the dog never even barked." Dog-Dealer—"No, sir; I quite believe yer. He was too busy lookin' at the burglars, so as to be able to identify 'em, to even think of barkin'." If you was out with this 'ere dog, and was to meet them burglars, he'd know 'em in a minute. He ain't no common barking dog; he's a reg'lar 'tective, an' worth 'is weight in gold, he is."

Hubby—"I don't see why you do not exert yourself to make me happy." Wifey—"Why, of all things! You know you told me when I accepted you that I had made you the happiest man on earth? What is the use of my trying to improve on that?"

MIDSEASON HATS.

It is very difficult to face these last few weeks before spring without providing in some way for headgear. It seems an absolute necessity that some sort of preparation should be made, so that the heavy fur toque may be discarded and the hat of lighter weight may be substituted until the days for straw hats come again.

When you are buying such a hat—and I am sure you will be unable to do without it—choose some small one which will fit well down over your marcelled hair. Let the crown be flat on top, and let the general effect be chic.

So much for the shape. For the trimming, let there be gold or silver, or one of those charming tissues which are silver with a tint of some light color—violet, pink or green. This charming material may encircle the crown or outline it by a little band, and the ornamentation may be given by a few flowers or by some fancy feather, which will stand directly in the middle of the front.

But whatever forms the trimming of your new hat, be very sure that there is not too much ornamentation piled upon it. The generously decorated hat has lost its place for the nonce.

One of the French toques is termed the "Marie Antoinette." It is made of soft straw or shirred liberty satin, and trimmed half way to the high crown with a wreath of hand-made tiny roses mixed with gold ones.

SEE?

"If you wants to see de bright side o' life," said Uncle Eben, "you's got to be willin' to put in a little patience an' hard work to help keep it polished up."

A Woman's Sympathy

Are you discouraged? Is your doctor's bill a heavy financial load? Is your pain a heavy physical burden? I know that these mean to delicate women—I have been discouraged, too; but I learned how to cure myself. I want to relieve your burdens. Why not end the pain and stop the doctor's bill? I can do this for you and will if you will assist me. All you need do is to write for a free box of the remedy which has been placed in my hands to be given away. Perhaps this one box will cure you—it has done so for others. If so, I shall be happy and you will be cured for 2c (the cost of a postage stamp). Your letters held confidentially. Write to-day for my free treatment. MRS. F. E. CURRAH, Windsor, Ont.

It doesn't take very much to encourage a hopeful person.

It is Good for Man and Beast.—Not only is Dr. Thomas' Electric Oil of incomparable value in the household, but the farmer and stockman will find it very serviceable in the farm yard and on the cattle range, often saving the services of a veterinary surgeon. In injuries to stock and in cases of cough and pains it can be used with good effect.

What you give is measured by why.

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

"Granddad," said a child, "what makes a man give a woman a diamond engagement-ring?" "The woman," was the reply.

Allen's Lung Balm is especially intended to break up neglected coughs, and many hopeless cases have been saved by its use. Contains no opium in any form.

Don't antagonize a man with a cool million; he is in a position to make it hot for you.

Have you tried Holloway's Corn Cure? It has no equal for removing these troublesome excrescences as many have testified who have tried it.

There is many a good-hearted fool. The trouble is a man doesn't do his thinking with his heart.

Repeat it:—"Shiloh's Cure will always cure my coughs and colds."

Stewardess—"Madam, I've attended to you the best I know how, supplied every want, but you are still unsatisfied. What do you want now?" Seaside Lady Passenger—"I want the earth."

Painkiller in winter checks chills, breaks up colds and thus prevents Bronchitis, Grippe and Rheumatism. Unequaled as a liniment for frost bites, chilblains, bruises, sprains, etc. Sold by all druggists. Only one Painkiller—Ferry Davis.

Snooper—"There is nothing perfect on this earth." Swayback—"You forget Gilley." "What about Gilley?" "He's a perfect ass."

It is easier to prevent than it is to cure. Inflammation of the lungs is the companion of neglected colds, and once it finds a lodgment in the system it is difficult to deal with. Treatment with Bickle's Anti-Consumptive Syrup will eradicate the cold and prevent inflammation from setting in. It costs little, and is as satisfactory as it is surprising in its results.

How to Speculate

Money is made by getting in on the ground floor in all mining propositions. An investor putting up his money to develop a new claim is the person who is entitled to the first profits. The first profits on all good mining deals are enormous.

The Crown Reserve Mining Company was composed of thirty shares of \$1,000 each. When the property had been sufficiently developed to warrant its being turned into a Company, each syndicate shareholder received 30,000 shares of stock in the Company, for each \$1,000 he had paid in. Each share of these 30,000 shares is to-day selling at \$2.80.

The Temiskaming & Hudson Bay Mining Company's shares were sold at 25c. each. To-day they are selling at \$3.00 per share and have paid over 12,500% in dividends.

The Right of Way Mining Company's shares were sold at 15c. and are to-day selling at \$4 per share.

These results are obtained by taking the first chance. If the property in which you are interested turns out good, you make a fortune, if not, you have a limited loss.

We are organizing a syndicate to operate three claims in Gow Ganda, the richest silver section ever discovered. These claims, we think, will turn out well and should show enormous profits to the syndicate members. The syndicate will be for \$50,000, divided into 100 shares of \$500 each. These shares are payable \$100 cash and four further payments of \$100 per month. Of this \$40,000 will be paid for the properties and \$10,000 provided for working capital. If development work warrants the formation of a Company, a Company will be formed with \$2,000,000 capitalization, and each share in the syndicate will be entitled to 15,000 shares of stock in the Company, and the remaining 500,000 shares will be left in the Treasury for future developments. Syndicate shares are going fast. Write us at once.

We strongly recommend the above as a good speculation. Make all cheques payable to
