WARDEN'S EXCURSION.

The members of York County Council and their wives, county officials and other friends had a most enjoyable outing as guests of Warden Henry, reeve of York Township, on Tuesday. The trip this year was over the Canadian Northern Ontario Railway to Sparrow Lake, a distance of 93 miles. The weather was perfect and no prettier spot for an excursion party could have been desired. Sparrow Lake was reached at 12 o'clock, after which the company, numbering about 150 sailed across the lake, about four miles, to Deep Bay Point where the picnic was held. Later in the afternoon a series of games was a prominent feature. A tug-of-war by teams selected by Capt. T. G. Wallace, M.P., and Alex. McCowan, M.P.P., resulted in a "draw," each side scoring once. The following were prize-winners in other races:— Fat Man's Race—Ramsden 1, Moore 2, Nigh 3. Ex-Wardens—Davidson 1, Pugsley 2, Reeves—Moore, Annis, Foote, Thompson, Harris. Dep.—Reeves—Cameron, Patterson, Nelson.

After another sail around the Lake, touching Ragged Rapids and other interesting points, all returned to the train, leaving for home shortly after 6 o'clock. Before leaving the boat Mr. D. C. Longhouse, reeve of Vaughan in a short speech, proposed Three Cheers for Warden Henry, which was heartily responded to.

The "Special" stopped at various stations to allow the guests to get off and finally steamed into Toronto, all feeling that a very delightful outing had been enjoyed.

NOVEL NO CURE, NO PAY PLAN.

One need almost marvel, when they know about the plan that is being launched here in our vicinity, and which gives to the sick a chance to receive medicine, and only be obliged to pay for such medicine as actually brings substantial relief from sickness and suffering. To positively give to the sick medicine "free, if it fails" is indeed an innovation most unusual and also most liberal. And yet it is a fact that Dr. Shoop, of Racine, Wis. is launching just such a plan in our community. The Doctor's travelling representative, Mr. J. F. Sugden, called at THE LIBERAL Office to-day and has authorized us to in the future, publish his No help, No pay plan. Dr. Shoop aims to make it known to every living man, woman and child, that his prescriptions are all backed by an absolute guarantee that help must come to the sick or else the medicine is positively free. He contends that medicines of real genuine merit and worth can actually stand on just such a basis. And besides, he declares that a remedy that can't take the position that Dr. Shoop's does, isn't worthy of the confidence and support of the people. The Doctor's enterprise is, to say the least, both novel and fair in the extreme. We shall watch developments, and predict that our readers will also take a keen interest in the Doctor's articles to be published.

Thornhill.

The Woman's Auxiliary of the Methodist Church, with Mrs. (Rev.) E. T. Douglas presiding, met at the home of Mr. and Mrs. Robt. Thompson on Wednesday of last week. Miss Lizzie Baues, Mrs. A. Hall and Miss Harris gave very interesting reports of the Annual Branch meeting recently held in West Toronto. Mrs. John Davidson and Miss Mabel Gooderham contributed to the musical part of the program two solos and a duet, which received the heartiest appreciation of the society. The auxiliary meeting having closed, Miss Harris took the chair and opened the Ladies' Aid meeting in the usual form, after which business was transacted. The report from the committee re painting the parsonage was heard and the treasurer was instructed to pay for the same on the completion of the work. It was decided also that a garden party be held on the parsonage grounds and that the entire circuit be asked to contribute provisions, etc., toward making it a grand success. A date was set for the occasion, but the executive have found it necessary to change the date to Wednesday, June 23rd. This date will give the advantage of the late car service, also moonlight, and will make it possible for one of Toronto's best orchestras, comprising some 18 performers, to furnish music for this important event. The Thornhill quartet has also consented to play a part in the program. The different committees will leave no stone unturned in making this garden party one of the best of the season. A large crowd, well provided for, and a good time for everybody, is the aim and purpose of the committees. The bills are being printed and will be posted in a few days.

The Methodist Sunday School is running an excursion to Centre Island, Toronto, on Friday, June 11th. Special rates have been obtained and a delightful time is anticipated. Car leaves at 10 a.m.

June 13th being Conference Sunday, there will be no morning service in the Methodist Church. In the evening the pulpit will be occupied by Rev. F. C. Keam, Newton Brook, the pastors of these adjoining circuits having arranged for an exchange of their work for the day.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to those failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days' test will surely tell. Try it once, and see! Sold by W. A. Sanderson.

PASSED TO HER REWARD.

On Saturday afternoon last, after a long and trying illness, Mrs. Storey passed to her reward. To-day Richmond Hill mourns the loss of one who for almost sixty years has been one of its most esteemed residents. At the age of 7 years Mrs. Storey came to this country with her parents, Mr. and Mrs. Wm. Trench, from Dunbar, Scotland. At that early date the only means of crossing the watery expanse of the Atlantic was by the sailing vessel, and 17 weeks were passed upon the water.

Her cheerful disposition and her beautiful Christian spirit made her a blessing unto all who knew her, and those who knew her best and enjoyed her companionship the longest loved her most. Her immeasurable love for her children and the tenderness of her mother heart made home a sacred place, and while sons and daughters mourn a departed mother, their memories of her consistent life and of her godly example shall ever be to them as the melodies of Heaven. She was a true and faithful member of the Methodist Church; and even of later years, when the physical frame was becoming weaker, the sound of her voice in testimony or in prayer came as a blessing to all her associates.

A memorial service was held in the Methodist Church on Sunday night, when the Rev. A. P. Brace, B.D., preached an appropriate sermon, and suitable music was rendered by the choir; the leader, Mr. A. J. Hume, contributing a solo. The funeral took place quietly from the home on Richmond St. on Monday morning. The remains were borne to their last resting place in Mount Pleasant Cemetery by her two sons, two sons-in-law and two grandsons. Among the floral tributes placed upon the casket was a large anchor with the inscription, "Our Mother," and a beautiful spray of white roses upon which was inscribed "Great-grandmother."

A family of five children survive her, John A. having died in Lowell, Mass., six years ago. The daughters are Mrs. W. R. Proctor, Mrs. J. H. Brydon, and Miss May, the youngest of the family, whose devotion to her mother in her declining years was marked with increasing tenderness and care. The two sons who survive are William T. of Toronto and Charles R. of Brockton, Mass.

We desire to express our own sorrow in the loss we have sustained, but more especially to express our sympathy with the sorrowing ones whose hearts are sore.

Why do we mourn departing friends,
Or shake at Death's alarms?
'Tis but the voice which Jesus sends
To call them to His arms.
