**A TRIP TO THE ROYAL CITY.**

After receiving the notices of the  
East York and West Simcoe Excursion  
to Guelph we immediately resolved to  
"take it in", if you will allow this ex-  
pression. There were doubts in the  
minds of some, and in one case that of  
Eh who had vague ideas of being sea  
sick, but these symptoms were quickly  
brushed aside when such a good time  
was in sight. However all things  
worked together for good when a goodly  
number, twenty in all, boarded the  
Metropolitan at Richmond Hill and  
Elgin Mills and everything went merry  
as a marriage bell. Even the qualms  
of sea sickness which nearly material-  
ized on this shaky road were quickly  
dispelled by the smoother motion of  
the C.P.R.

We reached Guelph about 10.30 and  
proceeded at once to see things until  
the hour of twelve when we met in  
the Gymnasium for luncheon. About  
500 were seated and partook of the  
bountiful lunch provided. Afterwards  
the male portion proceeded to the  
plots to hear the lectures by Prof.  
Zavitz and others. These lectures were  
interesting and the discussions profit-  
able, the Prof. remarking that there  
had been more discussion on this  
occasion than on any preceding ex-  
cursion this year. As we passed along  
by the strawberry beds one of our  
number who could not read was unable  
to resist the temptation to taste of the  
forbidden fruit and got just one berry  
when he was reminded, like Adam,  
that this Eden of lusciousness was not  
for him. We visited all the stables  
and saw everything of interest there,  
but will not go into details as this  
would make this article too lengthy.  
The ladies during this time had been  
under the kind care of Prof. Klinek,  
who, among the young ladies of the  
college, had up to this date been con-  
sidered a very bashful young man, but  
when he appeared surrounded by ten  
very healthy and good looking ladies  
their views were completely shattered.  
But Mr. Klinek proved a very efficient  
guide and the ladies certainly saw all  
worth seeing at the O.A.C. besides  
being treated to refreshments of ice  
cream and lemonade.

But the hour for meeting the train  
came all too quickly and we thought  
of inspecting the R.C. church at Guelph.  
But before starting we were instructed  
into the mysteries of bowling by James  
Carey. Our calculations were rudely  
shattered for seeing the church for our  
car was late but our fun was not di-  
minished for we witnessed a very in-  
teresting acrobatic performance on the  
limbs of a pine tree where Jake and  
Saunders performed the operation of  
skinning the cat, George after a scien-  
tific trial failed, amid laughter we  
boarded the train and speeded on the  
homeward journey. Fun waxed fast  
and furious being seasoned by Bert's  
bananas and oranges and the inevitable  
peanuts, etc., the shells and skins of  
which lit in unsuspecting places. Sing-  
ing also occupied some of the spare  
time. North Toronto was soon reached  
where we changed to the York  
Radial; while waiting certain of the  
gentlemen were interviewed by a friend  
from Newmarket. Then came the car  
and the journey to The Hill and Home  
Sweet Home. There was some fun and  
singing and just before parting the  
strains of "God be with you till we  
meet again" sounded thro' the car.  
Lastly the buggies and the ride home  
tired but having enjoyed ourselves.

A failing tiny nerve—no larger than  
the finest silken thread—takes from  
the Heart its impulse, its power, its  
regularity. The Stomach also has its  
hidden, or inside nerve. It was Dr.  
Shoop who first told us it was wrong  
to drug a weak or failing Stomach,  
Heart or Kidneys. His prescription—  
Dr. Shoop's Restorative—is directed  
straight for the cause of these ail-  
ments—these weak and faltering in-  
side nerves. This, no doubt, clearly  
explains why the Restorative has of  
late grown so rapidly in popularity.  
Druggists say that those who test the  
Restorative even for a few days soon  
become fully convinced of its wonder-  
ful merit. Anyway, don't drug the  
organ. Treating the cause of sickness  
is the only sensible and successful way.  
Sold by W. A. Sanderson.

Nothing in the way of a Cough is  
quite so annoying as a tickling, teas-  
ing, wheezing, bronchial Cough. The  
quickest relief comes perhaps from a  
prescription known to Druggists every-  
where as Dr. Shoop's Cough Remedy.  
And besides, it is so thoroughly harm-  
less that mothers give it with perfect  
safety even to the youngest babes.  
The tender leaves of a simple moun-  
tain shrub give to Dr. Shoop's Cough  
Remedy its remarkable curative effect.  
It is truly a most certain and trust-  
worthy prescription. Sold by W. A.  
Sanderson.

## If Sick

**Don't risk even one single penny!**  
And I will tell you why I say this.  
It is because every package of Dr. Shoop's  
medicine is absolutely free if it fails.  
No one need risk even one single penny.  
Just think what this means to the suffering  
sick! No risk, no expense, nothing whatever un-  
less health first returns. For 30 full days, and  
without the risk of a single penny, you can use  
either of my two great Remedies—Dr. Shoop's  
Restorative or Dr. Shoop's Rheumatic Remedy.  
Then why take any chance whatever?  
Why purchase any medicine whose  
maker dare not back it just as I do by  
this remarkable offer?

And besides, I am not a doctor to you.  
My "No Risk" medicine has made Dr.  
Shoop's Restorative famous in every drug store  
in the land. The "No Risk" medicine said, "We take  
no chance whatever here."  
For twenty years Dr. Shoop's medicines have  
become thoroughly standardized all over America.  
And I have been a honest and responsi-  
ble druggist in every city and village every-  
where to ascertain my medicine's worth. These  
selected druggists are placing my medicines with  
the sick—and the entire risk is mine alone.

But write me first for an order.  
I have an agent in almost every commu-  
nity—but all druggists are not authorized to grant  
the 30 day test.

So drop me a line, please—and thus save all  
disappointments and delays.  
Besides, you are free to consult me by letter  
as you would your home physician. Do so freely  
and fully—if you desire. My advice and the book  
below are yours—and without cost. Perhaps a  
word or two from me will clear up some serious  
ailment. I have helped thousands upon thousands  
by my private prescription or personal advice  
plan.

Besides, the books will open up new and  
helpful ideas to you. They tell of my 30 years ex-  
perience at the bedside in homes and in Hospi-  
tals. All phases of sickness and relief are told of  
here. They tell of a new "inside nerve"  
no larger than a silken thread that gives to the  
Heart its impulse. How the Stomach and Kidney  
each have their inside or power nerve. How  
these organs surely falter when these controlling  
or master nerves begin to fail. How Dr. Shoop's  
Restorative goes directly to these failing nerves  
and rebuilds, and brings them back to restore the lost  
tone and power. I can surely help you—if it is  
within the power of medicine to do so. My best  
effort is surely yours if simple request. So write  
now, while it is fresh in my mind, for tomorrow  
never comes. Dr. Shoop, Box 12, Racine, Wis.
