

RESULTS OF PATRIOTISM (?)

The "Glorious Fourth" was celebrated in various parts of the United States last Monday. The number of casualties resulting from fireworks and other outward signs of "patriotism" was large, though not so large as reported on some former celebrations. The Chicago Tribune sums up the casualties as follows:—

"Dead, 19—By fireworks and resulting fires, 3; by cannon, 1; by firearms, 3; by gunpowder, 2; by toy pistols, 1.

Injured, 427—By fireworks, 166; by cannon, 51; by firearms, 62; by gunpowder, 59; by torpedoes, 8; by toy pistols, 58; by bomb canes, 9; by runaways, 14.

Fire loss, \$69,200."

No person wants to deprive our Southern neighbors of their enthusiasm on Independence Day, but is it not a pity that their demonstrations are not of a saner kind—demonstrations in which human lives would not have to be sacrificed on the altar of this so-called "patriotism"? To suffer for one's country in obedience to duty is noble, to recklessly and unnecessarily expose human beings to danger is not only foolish but criminal.

Unionville.

During the closing exercises of Unionville Public School, Mr. Walter Frisby was presented with two addresses, one by the Entrance Class, which presented a gilt clock, and the other by the pupils of the room. This was accompanied by a gold locket.

The address from the Entrance class is as follows:—

Unionville, June 29th, 1909.

DEAR MR. FRISBY:—We, the undersigned pupils of your Entrance examination class for the present year desire to express our appreciation of the very earnest effort you have made in our behalf. We feel that you have given us unstinted thought and that the aim of your whole work has been for our success. We know that many times you have given us time which might otherwise have been spent in pleasure, and as a slight token of the regard in which you are held by us, we wish you to accept this clock. Our prayer is that as it ticks off each period of time, it may mark for you some higher and nobler endeavour, and that the culmination of your life shall be the highest and best success.

Signed in behalf of the class.

- GERTRUDE WEATHERILL. ETHEL HAGERMAN. GRACE HARRINGTON. INA MORRISON. MARJORIE PATERSON. FLOSSIE STEPHENSON. HAROLD STIVER. JAMES ASH. PERCY HAGERMAN.

The following is the address from the pupils of the school.

To W. G. FRISBY, Unionville.

OUR BELOVED TEACHER:—We, the undersigned pupils of S. S. No. 10, wish to express our feelings of regret that you have decided to leave us.

The past two years which you have so faithfully spent in our school have been most pleasant and profitable to us. While your ambition at all times was that we should make the most of our school days, you have always been patient and kind.

Will you accept this small gift as a slight token of our regard and esteem and may it ever be a pleasant reminder of the boys and girls of Unionville Public School.

Signed on behalf of the school.

- ELMA, ELEANOR. BRUCE EARLBY.

Mr. Frisby in reply, said that it had always been a pleasure to him to work with the boys and girls of the school, and that he would not attempt to express his appreciation of the presents and addresses, since he felt that words would not express but on the contrary serve to hide his feelings.

ALL GOOD THINGS

Just win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

W. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: "It is indeed a marvellous work; it is a credit to the capacity of a dictionary more complete and complete. Everything is in it, not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for. A sample of it to the new edition has brought it into my life. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it."

HYSLOP BICYCLES

Bicycles are rapidly coming back into popular favor, the demand this year being five times what it was five years ago. We have planned for it in two ways—by getting the very best English wheel we can for popular selling, and saving to our customers all intermediate profits by filling orders direct by mail instead of through agents. In this way we can offer

Man Missing.

M. W. G. Dennie of Victoria Square wishes to certify through THE LIBERAL that one Sam Putebaugh whom he had in his employ for about two months mysteriously disappeared on the morning of the 17th of June, 1909, between 6 and 7 o'clock. He had been on good terms with his employer, and Mr. Dennie knows no reason for his going away, and he had drawn only two dollars of his wages. Mr. Dennie, with others, has searched the buildings and premises, and have found no trace of the missing man. He was about 38 or 40 years of age, of a stoutish build, about 5 ft. 7 in. in height, dark moustache, and was dressed in plain working clothes.

Mr. Dennie or the undersigned will be pleased to receive any information respecting the missing man.

G. A. McCAGUE, J. P. Victoria Square, June 22, 1909.
