The Trustees of the Victoria Square Methodist Church have decided to greatly improve their church property. An acre of ground will be added to the church lot, giving larger shed room and very much improvement to the graveyard. The church will also receive some necessary repairs.

ANOTHER BANK BARN.

The large crowd of men, and nearly as many women and young people, who assembled at Mr. Wm. Palmer's barn raising Tuesday afternoon, would have done credit to many a township fair. It is estimated that more than 500 people were present during the afternoon or evening. The bank barn is 35 by 80 feet, with high stone walls, two threshing floors, with root-house underneath, and excellent stabling for horses and cattle. The masonry was the work of Mr. John Claffey, and Mr. Wm. McKenzie has the contract for the woodwork. After everything was in readiness Mr. Walter Eyer and Mr. James McLean selected their sides for the final contest, and an exciting time followed. Mr. Eyer's (north) side appeared to be leading, but when the puline plate was lifted to its place it was found that the centre mortise would not receive the tenon, so that the south men were the first to leave the building. Tables to accommodate over 100 people were erected on the lawn to the north of the residence, and for about two hours the waiters were kept busy looking after the wants of the many helpers and guests. The proceedings closed with a dance in the newly erected building.

BOTH SCHOLARSHIPS.

Besides winning the scholarship offered by the Richmond Hill Board of Education Miss Della Soules and Gladys Cowie have also been awarded the scholarship given by the Newmarket High School Board. The former entitles the holder to a year's free tuition in the Richmond Hill High School, and the latter to two years in the Newmarket High School. The former was awarded to the candidate who obtained the highest marks of those writing at Richmond Hill, and the latter to the candidate who made the highest marks at the Entrance examination, all candidates in the North York Inspectorate being eligible for this scholarship excepting those from Aurora and Newmarket public schools. As Miss Soules and Miss Cowie were equal, both boards decided to give the scholarship to each of them. The young ladies as well as their teacher Mr. Lamont, are to be congratulated on their excellent standing at the recent examinations.

BEYNON-LOVE REUNION.

The Beynon-Love families and friends held a picnic at Bond Lake Park last Saturday when about a hundred persons were present and spent a happy time together. The union was on account of the visit of Mrs. Maria Newlove (Marie Beynon) and family of Pacific Grove, California, to the friends of her youth in her native land. Mrs. Newlove left Love's Corners, now Temperanceville, forty-five years ago, and this is her first visit since. The family start on their return journey to-day, going by way of Winnipeg.

Mr. Claffey did the stonework, and the framer was Mr. Frank Cosgrove. Plenty of stalwart men were present, and there was a good sprinkling of the fair sex. The captains selected were Mr. James McLean and Mr. Geo. Dibb. The finish was close, but Mr. McLean's side won by a small margin. Supper was afterwards served on the lawn, after which a social hour was spent by all present.

FIREMEN'S EXCURSION.

The excursion of the Richmond Hill Fire Brigade to Niagara Falls last Friday was a success. The weather was exceedingly fine, and even those who have visited this natural wonder time and again say they thoroughly enjoyed the trip and sights last Friday. About 180 tickets were sold, the excursionists leaving Richmond Hill by comfortable Metropolitan cars at 6.30 a.m. Quite a number came from points north, and others were picked up before reaching the city. The lake both ways was a little choppy, and a few of the passengers did not enjoy their luncheon as much as might have been hoped, but the water could not be considered "rough." The trip from Dalhousie by electric cars was also enjoyable, and many places of interest along the route were noted. Between five and six hours were spent at the Falls, the party leaving for home at 5 o'clock. All arrived safely in Toronto about 10 o'clock, and Richmond Hill a little before 12 p.m.—except those who missed the boat.
