

## LOCALS.

Rev. E. H. Toye's subject in the Methodist Church next Sunday morning will be "The Problem of Adversity."

The King and Vaughan plowing match is set for Friday, the 5th of November. The match will probably be held in King in the vicinity of Aurora.

Richmond Hill is getting more like a city every day. We now sprinkle our streets with crude petroleum oil, instead of ordinary well water used by small towns such as Aurora and Newmarket.

Vaughan Township Council are offering \$10 reward for the apprehension and conviction of parties dumping old tins and other rubbish in the public highway. A word to the wise should be sufficient.

A message over the phone states that Mr. E. E. Williams, of Elgin Mills, shot a groundhog that weighed 23 lbs. And the question is asked, "Can Billy Watson beat that?" We must ask Billy to speak for himself.

The fire engine worked very well at the last practice opposite the public school building. The stream would have been thrown higher, however, if more men had been on the brakes. Little boys are generally willing, but they do not take the place of able bodied men.

The Bulletin of August 2, an insurance journal published in Toronto, contains an excellent photograph of "Mr. J. M. Langstaff, C.A., F.I.A., F.A.S.," showing him to be the first Canadian Actuary to obtain first-class honors in the final examinations of the Institute of Actuaries of Great Britain. No person can look at the face without feeling that Mr. Langstaff is as modest as he is intellectual.

### A GREAT SCHOOL.

The Elliott Business College of Toronto is well known throughout Canada for its superior work. The Principal, Mr. W. J. The above are arranged alphabetically and not in order of winning.

### OIL FOR DUSTY STREETS.

The Village Council this week has given an application of road oil to Yonge street between the Post Office crossing and the crossing opposite the Metropolitan Waiting Room. This is merely an experiment to see if the oil will keep the dust down at a reasonable cost. Councillor Sanderson, who did the sprinkling, says that the cost for each application could probably be met by a frontage tax of two cents a foot on property-owners on each side of the street. Storekeepers and everybody interested are requested to examine and watch the above piece of road and note their opinions of the test. A municipal council must act on a petition signed by two-thirds of the property owners on each side of the street.

## JOHNSTON—CHANDLER.

Wednesday, Aug. 4th, at High Park avenue Methodist Church, Mr. Fred J. Johnston, M.A., of West Toronto Collegiate staff, and Susie, eldest daughter of Mrs. H. Chandler, of Lakeview avenue, West Toronto, were united in marriage, the Rev. A. J. Johnston, brother of the groom, performing the ceremony.

Miss Flossie Chandler, sister of the bride, was maid of honor. Her sister, dressed in pale silk satin, made Empire style, with Valenciennes lace trimmings, and large plumed hat to match. Miss Lail Hyslop was bridesmaid, in a pale blue satin Empire gown, with lace trimmings and large plumed hat. Both carried pale pink asters, and wore the groom's gift, necklaces of gold beads.

Miss Doris Jackson was flower girl, wearing a white silk Empire frock, large poke bonnet with pink trimmings, and carried a basket of rose petals. She wore the groom's favor, a pearl ring.

The bride, who was given away by her cousin, Mr. R. Selby, wore an ivory Directoire satin gown, made Princess, with trimmings of ecruian lace and pearls, tulle veil, and orange blossoms. She carried a shower bouquet of roses and lilies of the valley, and wore the groom's gift, a diamond and pearl sunburst.

Mr. W. A. McMaster was best man, and the ushers were Mr. H. Rutherford and Mr. Cecil Weaver. To the first the groom gave gold cuff links and to the latter pearls stickpins.

Mrs. Chandler held a reception afterwards at her residence on Lakeview avenue, wearing a gun-metal satin gown with touches of pale blue.

Later Mr. and Mrs. Johnston left for a trip to Murray Bay and Saguenay River, the bride wearing ashes of roses striped broadcloth, with large black hat with rose plumes.

They will reside at 30 Lakeview avenue on their return.

### Maple.

Complying with the wishes of the leading citizens of the village the "Mayor" proclaimed last Monday a civic holiday. The principal places of business were closed, and a large number drove to Richmond Hill in vans and other conveyances, where the cars were taken for Bond Lake Park. The weather was ideal, and a nicer spot could not have been chosen for an afternoon's outing. As soon as the Park was reached scores of young people made a rush for the row boats and much of the afternoon was spent on the water. The "Turbinia" also made a trip or two around the Lake, but as the captain was away that day the gasoline did not act extra well under the guidance of the first mate. Besides those who attended from Maple and vicinity friends were present from Richmond Hill, Thornhill, King City and other places, and all seemed to thoroughly enjoy themselves.

One of the exciting features of the afternoon was a baseball match in which both sexes engaged. The captains were Mr. Camp and Mr. Oliver, the latter's side winning by a score of 24 to 16. The match was refereed by Mr. J. Montgomery, who gave good satisfaction—to the winning side.

Tempting refreshments were served in the pavilion, the ice cream arriving just in time for desert.

The pleasant proceedings concluded with a boat race, the winners being T. Chatburn, J. W. Ingram, 2, T. Ellison 3.

The excursionists left the picnic grounds about 8 o'clock, feeling well satisfied with the afternoon's enjoyment.

### BOARD OF EDUCATION.

The following members were present at a meeting of the board last evening:—D. Hill (chairman), A. Newton, G. McDonald, F. McConaghy, G. Cowie, J. N. Boyle, G. Redditt, R. Mackie. After a discussion as to what would be a fair proportion for the village, and the outside parts of Vaughan and Markham, to pay for public school maintenance, it was moved by Mr. Boyle, seconded by Mr. McDonald, that this board recommend that the taxes for village and outside parts be 60 and 40 per cent. respectively. The resolution was carried unanimously. A resolution was also passed authorizing the Principal to purchase five dozen writing manuals for the use of the Public School.

We can make to your measure a new Fall Suit for \$20.00, first-class in every respect, style and workmanship guaranteed, equal to the suit the average tailor sells for \$23.00. Atkinson & Switzer.

Mr. J. Hunt, of Carville, spent Sunday at the home of Mr. and Mrs. Thos. Judges.

### TROUBLES MULTIPLY.

Tom Lee, the Chinese laundryman, appears to be in more trouble. Last week he landed Hattie Delaney and a Mr. Henry in the Police station for taking as he declared about \$37 from his laundry. When the case was called on Monday Tom failed to appear as complainant, and the magistrate issued a warrant for his arrest. The police say that Tom wants to marry the girl, and tried on Saturday to secure her liberty. Tom paid \$2 for the license, and sees no chance of getting the money back. So he wants to go on with the ceremony.
