

LOCALS.

NO PAPER NEXT WEEK.

Most local papers suspend publication one week in each year. The Liberal has not done so for a number of years. We purpose, however, issuing no paper next week. Our correspondents will kindly send their items of news in good time for the week following.

Boarders wanted. See advertisement on another page.

The High and Public schools will re-open next Tuesday, the 7th of September.

Miss Millie Trench's music class will re-open and fall term begin Tuesday, September 7th.

A sample of 1908 apples is before us, grown in Mr. John Wood's orchard. The apple is quite solid, and has retained its flavor. It is of the Red Canada variety.

Next Sunday morning Rev. A. P. Brace will preach in the Methodist Church, subject: "The Immortality of True Goodness." In the evening Rev. E. H. Toye will preach.

Pink Pain Tablets—Dr. Shoop's—stop headache, womanly pains, any pain, anywhere, in 20 minutes, sure. Formula on 25c box. Ask your druggist or doctor about this formula—it's fine. W. A. Sanderson.

Mr. John T. Anderson, piano tuner, of West Toronto, will make another visit to Richmond Hill and vicinity after the close of the National Exhibition. Orders left at THE LIBERAL office will receive his attention.

At a meeting of the Board of Education last evening a resolution was passed authorizing the teachers of the High and Public schools to use either the new books or the books in use last year. This was rendered necessary as many of the new books are not yet published.

We are pleased to notice that Mr. Wm. Clifford of Toronto, 10th Royal Grenadiers, formerly of this place, won the bronze medal at the Governor-General's rifle match at Ottawa a few days ago. The winner of the silver medal made 24 points, and Mr. Clifford's score was 23. Congratulations, "Billy."

Mr. John Michael, writing from his home in the West, and renewing his subscription to THE LIBERAL on the 24th of August, says: "Crops are excellent here this year. Harvest is general, and we had our first frost last night, but not enough to hurt the wheat."

Next Monday, being Labor Day, a statutory holiday throughout the Dominion, the banks, the post offices and other places of business will be closed. People should therefore make their purchases and transact their business in good time so that they may be ready to enjoy the holiday.

A typographical error in the first copies of THE LIBERAL published last week made it appear that the by-law passed by the Council fixed the village rate at 29 mills. To those who did not get a corrected copy we would state the rate is only 20 mills, and that will leave a comfortable surplus on hand.

There have been so many fires in Aurora during the past few months under suspicious circumstances that the authorities decided to get Inspector Green and County Constable Burns to investigate. The damage so far is about \$10,000. The fires have generally been in barns and stables, but two houses have also been found burning.

VOTES OF THANKS.

A meeting of the Woman's Guild of St. Mary's Church was held at Mrs. Charles Palmer's on the first of September, when a vote of thanks was tendered Mr. and Mrs. James Newton for the use of their beautiful lawn for the garden party. Also to those who so kindly assisted on that occasion. E. N. Brown, Secretary.

A clever, popular Candy Cold Care Tablet—called Preventics—is being dispensed by druggists everywhere. In a few hours, Preventics are said to break any cold—completely. And Preventics being so safe and toothsome, are very fine for children. No Quinine, no laxative, nothing harsh nor sickening. Box of 48—25c. Sold by W. A. Sanderson.
