Go to the blood if you are to drive
out Rheumatism. A Wisconsin phy-
sician, Dr. Shoop, does this with his
Rheumatic Remedy—and with seem-
ing success. Rub-ons, says the doctor,
never did cure Rheumatism. It is
more than skin deep—it is constitu-
tional, always. Because of this prin-
ciple, Dr. Shoop's Rheumatic Remedy
is perhaps the most popular in exist-
ence. It goes by word of mouth from
one to another, everywhere. Grateful
patients gladly spread results. It is
an act of humanity to tell the sick the
way to health. Tell some sick one.
Sold by W. A. Sanderson.

An advertisement is to a merchant
very much what sowing seed is to a
farmer. It may take a little time for
the results to become apparent, but
they are sure to come. The wise
farmer is not niggardly with his seed,
nor the wise merchant with his adver-
tisement.

THE CONQUEST OF THE AIR.

(BY A BANKER)

The feasibility of aerial travel is now
definitely established, and every day
marks an advance towards the achieve-
ment of the practical utility of the
aeroplane. At present, however, it is
a somewhat unwieldy and cumbersome
machine, but when it has left the
ground and soars upwards, its move-
ments are so graceful and withal so
facile, that a thrill of pleasure is ex-
perienced by all who witness an ascent.

The great machine is brought out of
its shed; the machinery is lubricated;
the sails and rudder are adjusted; the
brave conqueror of the air,—the wounds
on his head caused by a recent accident
to his machine still bound up with
white plaster,—examines the some-
what complicated mechanism, and
takes his seat preparatory to starting.

The formidable pair of propellers com-
mence to revolve, at first slowly, then
suddenly at terrific speed, with a strid-
ulous roar as of an express railway
train, causing a hurricane of wind
sufficient to blow off the hats of those
immediately behind. And now the
aeroplane shakes itself free from those
who are holding it in, and starts on its
course along the ground, speedily at-
taining a great velocity. At length it
is seen to have risen into the air, soar-
ing upwards and still upwards, and
career along, literally on the wings
of the wind, at a speed of about forty
or fifty or more miles an hour, like an
enormous dragon fly, or like some
primæval monster of the air; now in
graceful curves, now in a straight
course, and now, partly descending,
skimming over the trees, and then
more slowly gliding along a few feet
above the surface of the ground, until
at length, amidst the hearty, well
earned cheer of the spectators the
gallant aviator stops at the exact spot
whence he started.

Truly, man has at last overcome
even the attraction of gravitation it-
self. But for us that strangest and
greatest of all the natural forces will
be overcome and annihilated the mo-
ment the spirit bids its temporary
farewell to the body. And even when,
at the resurrection, body, soul and
spirit, are again re-united, gravitation
will exercise no restraint. For in the
spirit world those glorified beings who
have attained an inheritance in that
supernal Realm in virtue of the merits
and mediation of the Saviour of the
world, who took upon Himself the
pains and penalties due to them for
their lapses from righteousness, will
have cast off their earth-trammels and
will be like the angels of God. But
alas! there are those who, neglecting
or refusing that offer of salvation, will
find the Gates of Heaven closed against
them.

Stomach troubles would more quick-
ly disappear if the idea of treating
the cause, rather than the effect,
would come into practice. A tiny, in-
side hidden nerve, says, Dr. Shoop,
governs and gives strength to the
stomach. A branch also goes to the
Heart, and one to the Kidneys. When
these "inside nerves" fail, then the
organs must falter. Dr. Shoop's Re-
storative is directed specifically to
these failing nerves. Within 48 hours
after starting the Restorative, treat-
ment patients say they realize a gain.

THE WISDOM OF SCIENCE.

The late Judge Silas Bryan, the
father of William J. Bryan, once had
several hams stolen from his smoke-
house. He missed them at once, but
said nothing about it to any one. A
few days later a neighbor came to him.
"Say, Judge," he said, "I heard yew
had some hams stole t'other night."
"Yes," replied the Judge, very con-
fidentially, "but don't tell any one.
You and I are the only ones who know
it."—[From "Success Magazine."]

Get Well First

Don't risk even a penny—until health
first returns.

And I mean just exactly that.
I am the one physician who says to the sick "I
will, out of my own pocket, pay for your medi-
cine if it fails to bring you help!"
And for 20 years Dr. Shoop's medicines have
been used and recommended in every city and
hamlet in America. They are positively stand-
ard in every community—and everywhere.
Then why pay the cash, and at your risk, for
other unwarranted and uncertain medicines?
Thousands upon thousands have in the past
successfully used Dr. Shoop's Restorative.
When the Stomach nerves, or the Heart or Kid-
ney nerves fail, these sick ones know how quickly
Dr. Shoop's Restorative will bring them back to
health again. But best of all, they positively
take no money risk whatever. They know
that when health fails to
return, Dr. Shoop will
himself gladly pay the drug-
gist for that
test. And for
that test a full 30 day treatment is freely granted.
But write me first for an order.
This will save delay and disappointment.
All druggists sell Dr. Shoop's Restorative and Dr.
Shoop's Rheumatic Remedy, but all are not au-
thorized to give the 30 day test. So drop me a line
please—for I have appointed an honest and re-
sponsible druggist in almost
every commu-
nity, everywhere,
to issue my "no
medicines to the
which book you
need. The books
below will surely open up new and helpful ideas
to those who are not well. Besides you are perfect-
ly free to consult me just as you would your home
physician. My advice and the book below are
yours—and without cost.

Perhaps a word or two from me will clear up
some serious ailment. I have helped thousands
upon thousands by my private
prescription or personal advice
plan. My best ef-
fort is surely
worth your simple
request. So write
now, while you
have it fresh in
mind, for tomorrow never comes. Dr. Shoop, Box
12, Racine, Wis.
