DIED IN PINE RIVER.

Word was received here a few days ago announcing the death of Mr. Isaac Höfver, formerly of this place, in Pine River, Minnesota. The village paper in giving an account of his death and burial said:—"Deceased was born on January 15, 1845, in Whitchurch, Canada, and at the time of his death had attained the age of sixty-three years, eight months and nine days. He leaves to mourn his departure besides his wife, two sons, Levi and Harvey, both of whom are at home. The sympathy of all is with the bereaved family in the loss of husband and father who has preceded them to the Great Beyond."

RELAY RACE.

An exciting relay race took place Saturday afternoon between members of the Central Y. M. C. A., and the West End Y. M. C. A. The race was from Newmarket to Toronto. West End men kept first place all the way until Toronto was reached. Passing the Richmond Hill Bakery, West End was 30 seconds in the lead, and at York Mills 60 seconds. Climbing Hogg's Hill Howard for Central made a gain of 15 seconds. Then commenced the final struggle between Jenkinson, West End, and Tressider, Central. Jenkinson was 100 yards ahead at the C. P. R. crossing, then Tressider steadily gained until Wellesley street was reached, passing his man a half block further on, and won a spectacular race by 20 yards. The distance is 28 miles, and the course was covered in 2.38.57, some 17 minutes less than last year's record.

THE NOVEMBER ROD AND GUN.

While notable for the variety and range of its contents, the November number of Rod and Gun in Canada, published by W. J. Taylor, at Woodstock, Ont., in accordance with the season has no less than seven hunting stories. In addition, the opening one, descriptive of an official visit to the Indian reserves for the purpose of paying the treaty money, will attract much attention. An account of a trip to Nipigon, after an absence of twenty-eight years, contrasting conditions then and now, brings forcibly home to readers the advances made in Canada in the last quarter of a century. A Winter's trip through the Algonquin Park, the great national playground of Ontario, by the Superintendent, shows how well the public interests are guarded by those in charge. From shelter house to shelter house these men travel all winter and do their best to prevent poaching in the national reserve. A Fishing Trip to Newfoundland, the climbs of the Alpinists, a sarcastic paper on the Perils of the Chase, and numerous others, all having their own interests, make up a number every sportsman will be glad to possess, and one which each should make sure he does not miss.

CITIZEN ASKS FOR BY-LAW.

To the Editor of THE LIBERAL:
Sir, Almost every evening, and especially Saturday evenings, large numbers of men and boys sit on the steps in front of the Lorne Block, to the annoyance of ladies and others going to and from the Post Office. The loungers spit on the sidewalk, and sometimes make unpleasant remarks as the ladies pass by. The question is asked: Could not our Council pass a by-law to abate this nuisance? It may be thoughtlessness on the part of some, but to have to pass by a long row of men is anything but agreeable.

RED SNOW.

Editor of The Star:
In your issue of the 29th inst., a correspondent says: "We do not put 'white' before 'snowflake.' It would be superfluous to do it, because all snowflakes are white."
In my "York Almanac and Royal Calendar for Upper Canada for the year 1825," which contains a general chronology of remarkable events, there is the following record: "1803—Showers of red snow fell in Carniola, at Cuma, Bulluno, etc., alternately with white."

FOR GOOD ROADS.

Good progress was made towards establishing a system of co-operation between the city and the surrounding municipalities for the purpose of improving the roads leading to the city at a meeting of the Legislation Committee of the City Council Friday. Mr. A. W. Campbell, Deputy Minister of Public Works for Ontario, was present, and addressed the committee. The Board of Trade was represented by Mr. J. P. Watson, president; Mr. L. H. Clarke, Mr. F. G. Morley, Mr. Joseph Kilgour, and Mr. J. W. Moyes. The surrounding rural municipalities were represented by Reeve J. E. Harris, of Woodbridge; Reeve W. D. Annis, of Scarborough; Deputy Reeve W. C. Grubbe and Reeve R. S. Warner, of Etobicoke; Reeve W. H. Clarke, of Whitchurch; Reeve W. S. Lapp, of Markham; Warden Henry, of the County of York; Mayor Brown, of North Toronto, and Reeve Pugsley, of Richmond Hill.

After addresses by several of these gentlemen, the committee unanimously adopted the principle of co-operation with the surrounding municipalities, and decided that it should ask the City Council for power to act with a special committee of the York County Council in drawing up a plan of action.

As people residing in the northern part of the county are not interested to the same extent as those in the south, a suggestion was made that the county be divided at the northern boundaries of Markham and Vaughan, in which case special legislation would be necessary.
