VILLAGE NOMINATIONS.

The Town Hall was filled with an en-
thusiastic crowd of citizens on Monday
evening when nominations were taken
for the positions of reeve, councillors,
and public school trustees.

The following nominations were
made—
For Reeve—W. H. Pugsley, H. A.
Nicholls.

For Councillors—J. Palmer, T. H.
Trench, J. H. Sanderson, H. H. Hop-
per, H. A. Nicholls, Geo. Sims.
Public School Trustees—D. Hill, G.
Redditt, G. Cowie. The three trustees
were elected by acclamation.

After the nominations were closed,
Mr. Hume, clerk and treasurer, was
appointed chairman of the after meet-
ing, and the candidates for the various
positions addressed the electors, pre-
vious to which, however, Mr. Hume by
request of the Council, made a clear
statement showing why the taxes were
higher than last year, and pointing out
that the greater part of the expendi-
ture, including salaries, etc., \$507;
schools, \$1289; debenture, \$227; county
rate, \$119; Public Library, \$100, etc.,
was beyond the control of the present
or any other Council.

Mr. Pugsley thanked the electors for
the trust they had reposed in him, and
modestly stated that he had always
done the best he could to further the
interests of the village and county. He
referred to some of the work of the
present year, showed what had been
done in trying to get a better water
supply, and hoped that in the coming
year we would be able to get an abun-
dant supply for domestic and fire pur-
poses from the Crosby springs. After
explaining the Good Roads system, for
which it was hoped they would draw a
large grant from the Ontario Legisla-
ture, Mr. Pugsley made the public
statement that he would be pleas-
ed to be returned for reeve for one year
to finish up certain county and village
work, but that he wished to retire from
the reeveship after this year.

Mr. Nicholls did not think the Good
Roads system would help Richmond
Hill, but would bring out more auto-
mobiles from the city, which are a
nuisance. He referred to our high tax
rate, thought the Council had many
sins to answer for, and could not
see that we were getting value for
our money. We ought to have
granolithic sidewalks and electric
light. He believed in the tender
system, and did not think that
gravel for village purposes should be
brought in by the Metropolitan Rail-
way; the work of hauling should be
given to our own citizens who had
teams. The Council were to be com-
mended for giving a grant of \$200 for
the Agricultural Society for the new
building on the Fair Grounds, as it
practically gave the village a building
worth \$1,000. Personally, he felt in-
clined to step aside from the reeveship
this year to allow Mr. Pugsley to cele-
brate his silver wedding next year, and
to be of service to his brother, Mr.
Arthur Pugsley, reeve of Sutton,
should the latter be appointed to the
position of Warden. Mr. Nicholls said
he would run for either reeve or coun-
cillor, and would consider which po-
sition he would take. He would not
 canvass for votes, and thought that
five years should be the limit for sit-
ting in the reeve's chair.

Mr. Wm. Innes who spoke on behalf
of Mr. Palmer, who is still confined to
the house, the result of an accident,
said that a deputation had waited on
Mr. Palmer that morning, urging him
to stand for councillor, and he consented.
He had always made a useful
member of the Council, and he was
pleased to learn from the doctor that
his patient was on the fair road to re-
covery, a statement which was received
with pleasure.

Mr. Sanderson had no apology to
make for the taxes being higher this
year. The Council had tried to be
economical, but labor and material
were high, and they had to pay good
wages for the work done.

In answer to Mr. Nicholls, who said
he could not see where the money
went, and that certain persons said
they would have done the work cheap-
er, Mr. Sanderson said that some of the
unseen work was in water tanks be-
neath the snow, and that those who
would do work cheap always made the
offer after the work was done. The
Council had had an expert here regard-
ing electric light, who said that the
cost of a generator would be \$2,300.
We are hoping to get cheaper Niagara
power soon.

Short addresses were also made by
Mr. Trench, Mr. Sims and Mr. Hopper,
the latter saying he would not stand
for re-election. Messrs Hill and Cowie,
the re-elected trustees present, also
addressed the meeting.

Mr. Nicholls the following day de-
cided that he would contest the reeve-
ship. The contest will therefore be
between Mr. Pugsley and Mr. Nicholls.

Men, read this. We can make to
your measure a nice Winter Suit of
good heavy tweed for \$15.00. A good
assortment to choose from. We guar-
antee style, fit and workmanship

VAUGHAN NOMINATIONS.

Mr. J. B. McLean, clerk for Vaughan
township, received nominations for
reeve, deputy-reeve and councillors on
Monday. Messrs. D. C. Longhouse for
the reeveship and J. A. Cameron for
deputy-reeve were elected by acclama-
tion. The following gentlemen were
nominated for councillors—J. S. Mc-
Nair, J. T. Saigeon, W. H. Ellis, Wm.
Thomas, Jacob Williams, Robert Jones,
Isaac Devins.

Mr. Alex. Bryson was appointed
chairman, and a lively meeting fol-
lowed the nominations. The members of
the present year's Council were first
called upon, and they all gave capital
addresses which seemed to satisfy the
great majority of those present. They
did not favor the Good Roads system
as proposed by York County, but Mr.
McNair said he would be in favor of
receiving their fair share of the Govern-
ment grant for the township, to be ex-
pended as the Council saw fit in the
improvement of the roads in the town-
ship. They admitted that taxes were
high, but saw no remedy to reduce
them for several years to come, as sev-
eral bridges over the Humber would
have to be rebuilt in the near future.

Mr. Jones and Mr. Devins thanked
their movers and seconders for the
nominations, but were not prepared to
enter the contest.

Both Mr. Ellis and Mr. Williams
criticised last year's Council for their
extravagance, and decided to allow
their names to go on the ballot next
Monday.

Mr. Barber, County Engineer, was
asked to address the audience and did
so. He stated that 11 bridges over
the Humber river were in bad repair,
some of them unsafe, and the proposi-
tion to replace or repair them was a
large one.

The meeting was the best held in
the Township Hall for many years.

TRIED AND TESTED.

The Central Business College of Tor-
onto, after seventeen years of existence
in that city, reports greater and more
complete success this year than ever.
Greater in its number of students—
more complete in its facilities for train-
ing these students for the business
world. All young men and women
who are contemplating a course of in-
struction that will qualify them to earn
a good salary and win success in life,
will do well to communicate with this
thoroughly reliable institution. See
card in our advertising columns.

BROTHER AND SISTER.

Within a day or two of the death of
her brother in California, Mrs. Lizzie
Eyer Johnson, wife of Mr. H. Johnson
of Walkerville, and daughter of David
Eyer of an old Richmond Hill family,
passed away Friday morning at the
residence of her brother, Mr. J. H.
Eyer, at 580 Avenue road, Toronto.
She had been ill since last June, when
she came here on a visit. She was 60
years of age, and is survived by her
husband and three daughters, Miss
Hattie, of Winnipeg, Mrs. Clara Mc-
Farlane of Walkerville, and Mrs. Ethel
Suder of Detroit. The funeral took
place to Mount Pleasant Cemetery on
Monday. The body of the brother, Mr.
William T. Eyer, who died in Cali-
fornia, and who was engaged in the
manufacture of ball-bearings in Rhode
Island, arrived on Saturday, and the
burial also took place in Mount Pleas-
ant on Monday.

CANADIAN MAGAZINE.

Professor A. P. Coleman, of the
Geological Department of the Univer-
sity of Toronto, contributes a most
interesting and instructive article to
the January Canadian Magazine. It
is entitled "The Interglacial Beds at
Toronto," and deals with what sci-
entists have learned about the earth's
formation by means of these deposits
at Toronto. There are splendid illus-
trations. There are several other
excellent articles and short stories,
making a very attractive number.

If Sick

Don't risk even one single penny!

And will tell you why I say this.
It is because every package of Dr. Shoop's
medicine is absolutely free if it fails.

No one need risk even one single penny.
Just think what this means to the suffering
sick!

No risk, no expense, nothing whatever un-
less health first returns. For 30 full days, and
without the risk of a single penny, you can use
either of my two great remedies—Dr. Shoop's
Restorative or Dr. Shoop's Rheumatic Remedy.

Then why take any chance whatever?
Why purchase any medicine whose
maker dare not back it just as I do by
this remarkable offer?

And besides, I am no stranger to you.
My "No-harm" plan has made Dr.
Shoop's Restorative a household name in every drug store
in the land. The risk here, wisely said, "We take
no chance whatsoever here."

For twenty years Dr. Shoop's medicines have
become thoroughly standardized all over America.
And I have never had a single honest and responsi-
ble druggist in every city and village every-
where to accept my "No-harm" plan. These
selected druggists are the only medicines with
the sick—and the entire risk is mine alone.

But write me first for an order.
I have an agent in almost every commu-
nity—but all druggists are not authorized to grant
the 30-day test.

So drop me a line, please—and thus save all
disappointments and delays.

Besides, you are free to consult me by letter
as you would your home physician. Do so freely
and fully—if you desire. My advice and the book
below are yours—and without cost. Perhaps a
word or two from me will clear up some serious
ailment. I have helped thousands upon thousands
by my private prescription or personal advice
plan.

Besides, the books will open up new and
helpful ideas to you. They tell of my 30 years ex-
perience at the bedside in homes and in hospi-
tals. All phases of diseases and relief are told of
here. They tell of a "new idea" inside nerve
no larger than a silken thread that gives to the
heart its impulse. How the Stomach and Kidney
have their inside or power nerve. How
these organs surely falter when these controlling
or master nerves begin to fail. How Dr. Shoop's
Restorative goes directly to these falling nerves
and rebuilds, and the power is restored. The lost
tone and power, it can surely help you—if it is
within the power of medicine to do so. My best
effort is surely worth your simple request. So write
now, while it is fresh in mind, for tomorrow
never comes. Dr. Shoop, Box 12, Racine, Wis.
