COUNTY COUNCIL

The following standing committees
for York County Council have been
appointed:—

Finance—Coulson, John Gardhouse,
Berker, Thompson, Annis, Nigh, Clark.
Education—Phillips, Knowles, Wat-
son, Henry, Speight, Keith, Bull, Har-
ris.

By-laws and Legislation—W. H.
Pugsley, Coulson, Henry, Keith, Bull,
Cameron, Phillips.

County property—McMurchy, Long-
house, Annis, Cronsberry, Fairbairn,
Padget.

Equalization—Foote, John Gard-
house, Keith, Nigh, Watson, Knowles,
Annis, McMurchy, Bull, Cameron,
Pugsley, Willoughby, Lapp, Coulson,
Cronsberry.

Printing—D. C. Longhouse, chair-
man.

The County Commissioners appoint-
ed are S. P. Foote, reeve of Whit-
church, and R. P. Coulson, reeve of
Stouffville.

Reeve W. H. Pugsley, of Richmond
Hill, and Mr. J. D. Evans were ap-
pointed auditors to act with the County
Judge in auditing the criminal
justice accounts.

A by-law was submitted, making it
compulsory for the county council to
maintain and repair all bridges on
county lines. Hitherto a good deal of
dispute has sometimes arisen as to the
relative amounts to be paid, and the
new legislation is designed to prevent
this.

Reeve W. H. Pugsley of Richmond
Hill was the author of the resolution,
the substance of which is contained in
the following:—

"That the council do now resolve it-
self into a committee of the whole to
discuss the advisability of petitioning
the legislative assembly to pass the
necessary legislation so as to allow
county and township municipalities to
acquire lands that are now unproduc-
tive for agricultural purposes for the
purpose of transplanting or reforestry,
and that the government aid and assist
any such system of municipal forestry
as may be entered into by a liberal
grant under such conditions and regu-
lations as they may deem advisable."

The commissioners reported that the
Industrial Home is over crowded with
inmates, and the building of a wing is
recommended to cost \$5,000.

High School trustees were appointed
as follows:—Richmond Hill, John In-
nes; Weston, N. J. McEwan; Newmar-
ket, R. F. Smith; Aurora, T. A. Rauer.
An amendment to the school act says
that trustees must be residents of the
municipality.

In sickness, if a certain hidden nerve
goes wrong, then the organ that this
nerve controls will also surely fail. It
may be a Stomach nerve, or it may
have given strength and support to the
Heart or Kidneys. It was Dr. Shoop
that first pointed to this vital truth.
Dr. Shoop's Restorative was not made
to dose the Stomach nor to temporarily
stimulate the Heart or Kidneys. That
old-fashioned method is all wrong.
Dr. Shoop's Restorative goes directly
to these failing inside nerves. The re-
markable success of this prescription
demonstrates the wisdom of treating
the actual cause of these failing organs.
And it is indeed easy to prove. A
simple five or ten days test will surely
tell. Try it at once, and see! Sold by
W. A. Sanderson.

FEBRUARY CANADIAN.

The Canadian Magazine for Feb-
ruary contains a timely article entitled
"The Evolution of Aerial Navigation."
It is written and illustrated by J. E.
M. Fetherstonhaugh, and gives an
illuminating account of what has been
achieved in this most interesting of
sciences. "Romances of Rossland" is
the title of a readable article by Harold
Sands, and "The Town of Maxwell," by
Will Dallas. (Reverend John Morrison
of Alvinston) gives a valuable bit of
history from Lambton County, Ont-
ario. Two well illustrated articles are
"Meanderings in Medieval Brit-
tany," by Frank Yeigh, and "Plays of
the Season," by John E. Webber.
Other articles are "Catholic Church
Extension," by Margaret Lillis Hart;
"The Unsophisticated Englishman,"
by D. G. Cuthbert, and short stories
by Theodore Roberts, Lillian Leveridge
and Louise Hayter Birchall, with
poems by E. M. Yeoman, A. Clare
Giffin and Douglas Roberts.

"NO LATITUDE."

A school inspector in Ireland was
examining a class in geography. He
had propounded a question regarding
longitude, and received a correct an-
swer from the lad undergoing the
 ordeal. "And now," he said, "what is
latitude?" After a brief silence a
bright youngster with a merry twinkle
in his eye, said—"Please, sir, we have
no latitude in Ireland. Father says
the British Government won't allow
us any!"

If you would have a safe yet certain
Cough Remedy in the home try Dr.
Shoop's—at least once. It is thoroug-
hly unlike any other Cough prepara-
tion. Its taste will be entirely new to
you—unless it is already your favorite
Cough Remedy. No opium, chloro-
form, or any other stupefying in-
gredients are used. The tender leaves
of a harmless lung-healing mountain-
ous shrub, give to Dr. Shoop's Cough
Remedy its marvelous curative prop-
erties. It is truly a most certain and
trustworthy prescription. Sold by

If Sick

Don't risk even one single penny!
And I will tell you why I say this.
It is because every package of Dr. Shoop's
Restorative is absolutely free if it fails.
No one need risk even one single penny.
Just think what this means to the suffering
sick!

No risk, no expense, nothing whatever un-
less health is restored. For 80 full days, and
without the risk of a single penny, you can use
either of my two famous remedies—Dr. Shoop's
Restorative or Dr. Shoop's Rheumatic Remedy.

Then why take any chance whatever?
Why purchase any medicine whose
maker dare not back it just as I do by
this remarkable offer?

And besides, I am no stranger to you.
My "No help must be given" plan has made Dr.
Shoop's Restorative a household name every drug store
in the land. The fact is, as I said, "I take
no chance whatever here."

For twenty years Dr. Shoop's medicines have
become thoroughly standardized all over America.
And I have selected honest and responsi-
ble druggists in every city and village every-
where to act as my agents and yours. These
selected druggists are placing my medicines with
the sick—and the entire risk is mine alone.

But write me first for an order.
I have an agent in almost every commu-
nity—but all druggists are not authorized to grant
the 30 day test.

So drop me a line, please—and thus save all
disappointments and delays.

Besides, you are free to consult me by letter
as you would your home physician. Do so freely
and fully—if you desire. My advice and the book
below are yours—and without cost. Perhaps a
word or two from me will clear up some serious
ailment. I have helped thousands upon thousands
by my private prescription or personal advice
plan.

Besides, the books will open up new and
helpful ideas to you. They tell of my 30 years ex-
perience at the bedside in homes and in Hospi-
tals. All phases of sickness and relief are told of
here. They tell of a "new" "inside nerve"
no larger than a silken thread that gives to the
Heart its impulse. How the Stomach and Kidney
each have their inside or power nerve. How
these organs surely falter when these controlling
or master nerves begin to fail. How Dr. Shoop's
Restorative goes directly to these failing nerves
and rebuilds, and restores the lost
tone and power. I can surely help you—if it is
within the power of medicine to do so. My best
effort is surely worth your simple request. So write
now while it is fresh in my mind, for tomorrow
never comes. Dr. Shoop, Box 12, Racine, Wis.
