"BEN-HUR."

Elaw & Erlinger's New and Greater Production of General Lew Wallace's Masterpiece, "Ben-Hur," a Tale of the Christ, Will Fill the Week at the Princess Theatre, Toresto.

When the curtain is drawn at the Princess Theatre, Toronto, on Monday evening, March 14, the most elab-orate, magnificent and historically correct production will be disclosed that has ever charmed and enthralled a theatre audience. It will be the premiere in Toronto of the new and greater production of "Ben-Hur," as rearranged by Klaw & Erlanger. "Ben-Hur," with its lustrous Star of Bethlehem," its camels, Arabian steeds, Oriental trappery and mimic splendor of the gorgeous East, is beyond doubt the most elaborate specyound doubt the most elaborate spec-tacle ever staged in the history of the world. Its series of scenes present to the eye a feast of multifarious beauty and variety all set to a symphonic accompaniment of graceful music. The exciting episodes, such as the galley scene, with its herds of chained slaves, the sea fight, the rescue in midsea, the thrilling race with its quadruple teams of galloping horses, combined with the picturesque scenes representing the appearance of the Star to the Wise Men in the Desert, the moonlit lake in the Orchard of Palms, where Ben-Hur and Iras make love while drifting in the barge of the fair Egyptian, the palm-waving worshippers on the Mount of Olives, and the Grove of Daphne, with its nymphs dancing in the skins of beasts to the music of the kissing cymbals, simply captivate the great audiences that are nightly in attendance wherever it is nightly in attendance wherever it is enacted. As now arranged and staged by Klaw & Erlanger, the public sees a great spectacle which appeals not merely on the strength of its dramatic values, but as a colossal and picturesque pageant. And in the churiot race, the scene which, coupled with the popularity of General Wallace's book, gave the play its enormons vogue. Eight horses, aided by the most intricate mechanism, will produce the prodigious illusion of the struggle for victory in the arena of struggle for victory in the arena of the Circus of Antioch. Edgar Stillman Kelley's brilliant musical score, which so heightens the dignity and solemnity of the Biblical narrative, and was one of the most potent factors in its success, is made a dominant feature of the present production, being interpreted by a special orchestra and chorus carried by the company

A failing tiny nerve-no larger than A failing tiny nerve—no larger than the finest silken thread—takes from the heart its impulse, its power, its regularity. The Stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing Stomach, Heart or Kidneys. His prescription— Dr. Shoop's Restorative—is directed straight for the cause of these ailments—these weak and faltering inside nerves. This no doubt clearly explains why the Restorative has of late grown so rapidly in popularity.
Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by W. A. Sanderson.

for that purpose.

MARCH CANADIAN.

The Canadian Magazine for March contains two valuable articles on transportation. The first is entitled "The Welland Canal," and deals with the history of this important water-way and its relation to the water-borne commerce of Canada. The other is by Ernest Cawcroft, and is entitled "The Fight for Commercial Supremacy." It gives an account of the new Erie canal, and tells what its building Erie canal, and tells what its building will mean in the fight for commercial supremacy. The fact that \$101,000,000 is being spent on this canal by the State of New York should be sufficient to induce Canadians to seriously consider the situation. There is also a very picturesque description by a Canadian lady, Mrs. Fred A. Hodgson, of bull-fighting in Mexico, and Mr. Harold Sands contributes a fascinating account of the Silver King mine at Nelson, British Columbia. All of these articles are well illustrated. Short stories are contributed by Virna Sheard, W. E. Elliott, H. Adolph Gerard, W. Lacey Amy and James Lawlor. Mr. Amy's contribution, which is entitled "The Picture Puzzle," is strong evidence against the statement that there is in Canadian writers no sense of humour. Good writers no sense of humour. Good verse is given by Professor George Herbert Clarke, Doctor Arthur Wentworth Eaton, J. Edgar Middleton, Alan Sullivan, May Austin Low, and Eric Brown.

GOOD ROADS MEETING.

The annual meeting of the Ontario The annual meeting of the Ontario Good Roads Association opened in the York County Municipal Buildings, Toronto, yesterday, and the work will continue to-day and to morrow. The first session opened by an address by the President, Mr. W. H. Pugsley, Reeve of Richmond Hill, and at 2 p.m. Mayor Geary gave an address of welcome.

The meeting is thoroughly representative, experts in road making, engineers of highways, and prominent business men being present from all parts of the Province, as well as others rom the United States.

The addresses are of a most interesting and practical nature.

Nothing in the way of a Cough is quite so annoying as a tickling, wheezing, bronchial Cough. The quickest relief comes perhaps from a prescription known to Druggists everywhere as Dr. Shoop's Cough Remedy. And besides, it is so thoroughly harmless that mothers give it with perfect safety even to the youngest babes. The tender leaves of a simple mountain shrub give to Dr. Shoop's Cough Remedy its remarkable curative effect. A few days' test will tell. Sold by W. A. Sanderson.

IF SICK--WHY PAY

Unless Health First Returns.

Here is what should and can be done!

Here is what should and can be done!

Now you would not willingly pay for food
that was worthless—would you?

Then why pay for medicine until that medicine first proves to you its actual worth?

Positively knowing what Dr. Shoop's Restorative can do for the sick, I say to all "don't pay unless health first returns". And I back my Restorative with a signed and sealed 30 day "Ne help. No pay" contract.

I positively pledge to the sick everywhere that "Dr. Shoop's Restorative is absolutely free if it fails". Let others do the same—or ulse pass their prescriptions by.

ly free if it fails". Let others do the sameor else pass their prescriptions by.

If you need more strength, more vitality,
more vigor or more vim, use my Restorative a
few days and note the immediate improvement.

When the Stomach, Heart, or Kidneys go
wrong, then test Dr. Shoop's Restorative, I do not
dose the Stomach nor stimulate the Heart or Kidneys, for that is wrong. Years ago I cast away that
mistaken idea in medicine. The books below will
best tell you how I am succeeding.

These books also tell of a tiny hidden "inside nerve," no larger than a silken thread. They
tell how that nerve, until it fails, actually gives
to the Heart its power, its tone, its never-ending
action or impulse.

to the Heart its power, its tone, its never-ending action or impulse.

These books will open up new and helpful ideas to those who are not well. They tell how the Stomach, and Kidneys each have their "inside" or power nerves. They tell how the Restorative was especially made to reach and revitalize these weak or failing inside nerves. All of these facts tell why I am able to say, "It is free if it fails".

This is why I say "take no chance on a medicine whose maker dare not back it is not a look it is the say."

just as I do by this remarkable offer".

So write me today for the order.

I have appointed honest and responsible druggists in nearly every community to issue my medicines to the sick.

But write me first for the order.

All druggists sell Dr. Shoop's Restorative, but all are not authorized to give the 30 day test. So drop me a line please—and thus save disappointment and delays. Tell me also which book you need.

A postal will do.

Besides, you are free to consult me as you would your home physician. My advice and tha book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request. So write now white you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
