**CROPS FOR SHEEP.**

The wise shepherd in planning his crops for the year has regard to the needs of his flock. He recognizes the great advantage of providing not only a variety of foods but a succession of succulent crops the season through. Bulletin No. 12, "Sheep Husbandry in Canada," published and issued free by the Live Stock Branch at Ottawa, takes up this subject in a practical and thorough manner. Under special crops for sheep it deals with clover, alfalfa, vetches, rape, cabbage, turnips, mangels, corn, and the several classes of grain. Each is treated separately in regard to method of cultivation and manner of feeding. Dealing with vetches the bulletin says: "Vetches, or tares as they are also called, make excellent fodder for sheep, either as a soiling crop or as cured hay. This crop much resembles peas in habit of growth and requires about the same kind of cultivation. Its vines are more slender than pea vines and stand up better when grown with a stiff variety of oats. Vetches are grown extensively for sheep feed in Great Britain, and to some extent in Canada for the same purpose. The writer, while raising sheep, always grew a small area of tares with oats for soiling the show flock, and in case of a shortage of clover vetches were cured for hay. The crop being fine in vine and very leafy is much relished by sheep and constitutes a rich diet.

"Two varieties of vetches are grown for fodder. The common vetch is the chief sort cultivated, but the hairy variety is receiving some attention. The latter produces the heavier yield, but so far the seed having to be imported is very expensive and few care to bother with it.

"The soil for vetches should be clean, mellow and rich. The seed may be sown in drills or broadcast. A good seeding for either soiling or hay is about three pecks of vetches and four pecks of oats per acre. The vetches are ready to feed any time after the crop comes into blossom and before the seed commences to ripen. For soiling the crop may be hauled to racks, or be distributed on the sod of a pasture field as soon as cut, or it may be allotted to wilt in the swath for a few hours. Vetch hay is made in much the same manner as clover or timothy is handled. Vetches may be pastured by sheep, but this is a wasteful practice, as much of the crop is destroyed by tramping." Sheep raisers who do not already possess a copy of this bulletin would do well to order one from the Live Stock Commissioner at Ottawa.

Coughs that are tight, or distressing tickling coughs, get quick and certain relief from Dr. Shoop's Cough Remedy. On this account druggists everywhere are favoring Dr. Shoop's Cough Remedy. The tender leaves of a harmless lung-healing mountainous shrub give to Dr. Shoop's Cough Remedy its curative properties. These leaves have the power to calm the most distressing Cough, and to soothe, and heal the most sensitive bronchial membrane. Test it once yourself, and see! Sold by W. A. Sanderson.

**TRUE POLITENESS.**

One evening as the mother of a little niece of Phillip Brooks was tucking her snugly in bed a caller was announced. The mother told the child to say her prayers and promised to be back in a few minutes.

When she returned she asked the child if she had done as she was bidden. "Well, you see, mamma, I was awfully sleepy, so I just asked God if he wouldn't excuse me to-night, and He said, 'Oh, certainly, don't mention it, Miss Brooks.'"—[From "Success Magazine."]

**VILLAGE COUNCIL.**

April 5, 1910.  
The regular meeting of the Council was held on the above date in the Council Chamber. Present: the Reeve, and Councillors Sanderson, Sims and Trench.  
Minutes of last meeting read and confirmed.  
The following accounts were read and payment of the same ordered:—  
H. Blanchard, work . . . . . \$ 8.40  
F. Lacey, work on rink . . . . . 7.20  
T. Hiseox, work on rink . . . . . 1.65  
T. Andrews, work on rink . . . . . 1.35  
Village Band, music at rink . . . . . 18.00  
F. Sims, groceries supplied to Mrs. A. Martin . . . . . 3.19  
T. F. McMahon, printing, etc. . . . . 23.98

A deputation from the Fire Brigade waited on the Council and stated that the Brigade was in need of new rubber boots, also a new pike pole. The Council promised that the needs of the Firemen would be supplied.

Councillor Sanderson reported that considerable damage had been done to the new Agricultural Building by stone-throwing.

A resolution was passed authorizing the Reeve to offer a reward of \$5.00 for information leading to the arrest and conviction of the party or parties who broke several panes of glass in the building referred to.

The Clerk was instructed to write Mrs. Drummond with regard to the condition of the fences on her Centre St. East property.

Moved by Councillor Sanderson, seconded by Councillor Trench, that the necessary steps be taken to annex certain parts of the Township of Markham to the Village of Richmond Hill.—Carried.

Council adjourned.  
A. J. HUME, Clerk.

**THE HARP-PLAYER.**

[From the German, by Goethe.]  
Who never has eaten his bread with tears,  
Who never in sorrow that ever sears,  
Has sat at his bedside softly weeping,  
Knows not our Heavenly Father's keeping.

'Tis Thou which art the author of our life;  
Yet remorse is ever the poor man's strife,  
Until in time thou tak'st from him his pain,  
And turn'st it all to him as blessed again.

**Hope.**

Mr. Arthur Mortson of Alliston, and Mr. and Mrs. B. Mortson, of Gormley, visited with Mrs. M. Nixon, "Shady Bank" farm, last Sunday.

Mr. John Bailey, of Toronto, is visiting with relatives in this neighborhood. School re-opened here on Monday last after the Easter holidays, with Mr. H. Spaulding as principal.

Miss B. Dodd has returned to her home in Bradford, after spending some time visiting with relatives in this vicinity.

Mr. A. McQuarrie spent over Sunday with relatives in this locality.

Mr. Geo. Wood of Carrville was the guest of his brother-in-law, Mr. John Nixon, "Frog Valley" farm, on Saturday last.

The farmers of this vicinity are busy seeding.

Mrs. J. Crook, accompanied by Miss M. Williams of Lasky were the guests of Mr. and Mrs. C. Crooks on Monday last.

**EASTER NUMBER.**

The Easter number of The Canadian Magazine is unusually strong and attractive, with a list of contributors including Robert Barr, the well-known Canadian novelist; Sir Lomer Gouin, Premier of Quebec Province; Albert R. Carman, chief editorial writer for The Montreal Star. Robert Barr contributes an excellent short story, Sir Lomer Gouin an article entitled "The Habitant of Quebec," and Mr. Carman, who is now travelling abroad, an article entitled "Footprints of the Moor in Spain." John S. MacLean has an illustrated article on Sainte Anne de Beaupre, entitled "Miracles and Mind Cures," and E. J. Hathaway contributes an exceedingly able article on Canadian literature, entitled "The Trail of the Romanticist in Canada." There are short stories by St. Clair Moore, Katherine Hale, and Robert Barr, with verse by L. M. Montgomerie, author of Anne of Green Gables, and Alan Sullivan, E. M. Yeoman, Clare Giffin and Charles Woodward Hutson.

Your clothing is an essential, and we are here to attend to your wants in that particular line. Men's dark tweed suits, stylishly tailored in 3-button sack style, splendid fitters, each \$8.50. Boy's 3-piece suits, in dark grey, well made throughout, each \$4.85. Atkinson & Switzer.

**IF SICK--WHY PAY**

**Unless Health First Returns.**

Here is what should and can be done!

Now you would not willingly pay for food that was worthless—would you?

Then why pay for medicine until that medicine first proves to you its actual worth?

Positively knowing what Dr. Shoop's Restorative can do for the sick, I say to all "don't pay unless health first returns". And I back my Restorative with a signed and sealed 30 day "No Help, No Pay" contract.

I positively pledge to the sick everywhere that "Dr. Shoop's Restorative is absolutely free if it fails". Let others do the same—or else pass their prescriptions by.

If you need more strength, more vitality, more vigor or more vim, use my Restorative a few days and note the immediate improvement.

When the Stomach, Heart, or Kidneys go wrong, then test Dr. Shoop's Restorative. I do not dose the Stomach nor stimulate the Heart or Kidneys, for that is wrong. Years ago I cast away that mistaken idea in medicine. The books below will best tell you how I am succeeding.

These books also tell of a tiny hidden "inside nerve," no larger than a silken thread. They tell how that nerve, until it fails, actually gives to the Heart its power, its tone, its never-ending action or impulse.

These books will open up new and helpful ideas to those who are not well. They tell how the Stomach, and Kidneys each have their "inside" or power nerves. They tell how the Restorative was especially made to reach and revitalize these weak or failing inside nerves. All of these facts tell why I am able to say, "It is free if it fails".

This is why I say "Take no chance on a medicine whose maker dare not back it just as I do by this remarkable offer".

So write me today for the order.

I have appointed honest and responsible druggists in nearly every community to issue my medicines to the sick.

But write me first for the order.

All druggists sell Dr. Shoop's Restorative, but all are not authorized to give the 30 day test.

So drop me a line please—and thus save disappointment and delays. Tell me also which book you need.

A postal will do.

Besides, you are free to consult me as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request. So write now while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
