THE OLDEST POSTMASTER.

Some time ago the Canadian Courier, a weekly paper published in Toronto, stated that Hon. Adam Brown of Hamilton is the oldest postmaster in Canada. Mr. Teefy will be 88 years of age next Monday, and has been postmaster here continuously since 1850, a period of 60 years. Mr. Teefy also enjoys the distinction of being the oldest Justice of the Peace in York County, and his many friends are pleased to know he is enjoying the best of health.

Read the pain formula on the box of Pink Pain Tablets. Then ask your Doctor if there is a better one. Pain means congestion—blood pressure somewhere. Dr. Shoop's Pink Pain Tablets check head pains, womanly pains, pain anywhere. Try one and see! 20 for 25c. Sold by W. A. Sanderson.

NO QUORUM.

The Board of Education endeavored to hold a meeting yesterday, but the number of trustees who attended was too small to form a quorum. It is to be regretted that more trustees do not make it a point to be present at the monthly meetings. At present the number of pupils attending our High School is not as large as it was a year ago, and this being the case we believe it would be a good idea for trustees and teachers to meet and talk over matters and endeavor to find a reason—and if possible a remedy—for the decline in attendance.

Preventives—those Candy Cold Cure Tablets—will safely and quickly check all colds and the Grip. Try them once and see! 48-25c. Sold by W. A. Sanderson.

IN MEMORIAM.

In loving memory of our dear mother, Harriet Sheppard, relict of the late Charles Sheppard, who departed this life April 14, 1909.

We loved her, yes, we loved her,
But Jesus loved her more,
And He has sweetly called her
To yonder shining shore;
The golden gates were open,
A gentle voice said "come,"
And with farewells unspoken,
She calmly entered home.

CANADA'S POOR CONSUMPTIVES.

A Story more Touching than anything from the Pen of the gifted Ian MacLaren.

In the current issue of the DOOR OF HOPE, published by the National Sanitarium Association, 347 King Street West, Toronto, a page is given over to letters received from the many persons from all parts of the Dominion seeking admission to the Muskoka Free Hospital for Consumptives.

Seldom have we read anything more pathetic. Here, for example, is a letter from a physician in Creemore, Ont., asking for the admission of a patient by the name of Morrison. He says:—"I would like to urge strongly upon you the great claims of this patient. He has no home—mother dead—father working as a farm laborer. The boy has been living with an unmarried uncle—no housekeeper—work, cooking, etc., being done by the uncle. The boy has absolutely no place to go where he might be given any reasonable care, and he can get none where he is."

Another case is from Thorold. Johnston Weldon writes:—

"I am a young married man, twenty-three years of age. For several years I have been sick, but always able to keep my feet. Now I have come to the time when I cannot work, and cannot get medicine without means. My lungs are affected, and I am writing now to see if you can get me into the Muskoka Free Hospital for Consumptives. My young wife is here, and her parents have kindly opened their doors to her if I go away."

Just one more of the many we might quote. This is from a physician in Campbellford, Ont. He writes:—

"I have a patient suffering from pulmonary tuberculosis, who has been laid off work for about three months now—was in bed part of that time, but latterly both his pulse and temperature have kept down and his weight going up. He is the only support of the family—mother, crippled father, and younger brother, but his neighbors are trying to raise a small amount of money to help him."

We have sometimes thought that if Ian MacLaren, who has given to us the character of Dr. McClure, were alive to-day that in letters such as these he would find material for a book more touching and pathetic in many parts than his Bonnie Briar Bush.

It is on behalf of cases like these, of which there are scores reaching the Secretary of the Sanatorium every week, that the Muskoka Free Hospital for Consumptives makes its appeal to-day for funds.

This institution has not at any time, since its doors were first opened in April, 1902, refused a single patient because of the applicant being unable to pay.

Contributions may be sent to Mr. W. J. Gage, 84 Spadina Ave., Chairman of the Executive Committee, or to J. S. Robertson, Secretary-Treasurer of the National Sanitarium Association, 347 King Street West, Toronto, Ontario.
