ALL GOOD THINGS must win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

A. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: "It is indeed a marvelous work; it is difficult to conceive of a dictionary more exhaustive and complete. Everything is in it—not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for. A supplement to the new edition has brought it fully up to date. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it."

THE GRAND PRIZE (the highest award) was given to the International at the World's Fair, St. Louis.

FREE "A Test in Pronunciation" instructive and entertaining for the whole family. Also illustrated pamphlet.
