

Mount Pleasant.

The Methodist Sabbath School held a Social in the Temperance Hall, when a presentation was made to the retiring superintendent, Mr. W. S. Graham, of a splendid chair suitable for him in his declining years, given him as a token of their esteem for his labor of love for over twenty years as superintendent of the school. An address was presented to Mr. Graham to which he replied in very feeling words.

Mrs. Wm. Marsh of Richmond Hill, Mrs. W. J. McLean and wife of the City of Toronto spent a few days at the parental home.

Last fall farmers predicted a famine feed for cattle along with high prices, which has failed, Providence not man rules the seasons, let us trust in Him and do our duty.

The Millbrook Postmaster, Mr. Wm. Vance, was here attending to business.

Farmers will soon be done seeding here caused some say by the nearness of Halley's Comet, but the good Government at Ottawa may have more to do with business than the comet.

ERECTED BY THE DOMINION GOVERNMENT.

The new Markham Post Office was opened for public use on Tuesday last and Markhamites will now have their mail handed out to them from one of the most substantial and best equipped offices in any part of Rural Canada. The whole internal arrangements seem to be designed for quick and efficient services. Mrs. Chauncey and her assistants have planned their removal from the old building so well, that business right from the time of opening has gone smoothly and satisfactorily for the public. The lofty well lighted office, its oak finish, and everything in it that can minister to the public comfort when transacting postal business, should prove a vast improvement on the old conditions that necessarily obtained in the former office.—Markham Sun.
