DEATH OF MRS. JAS. ACEY.
It was a sad home-coming for Mr. Acey, who started from La Porte, Indiana, for his home at Thornhill, on Wednesday of last week with the body of his wife, Mrs. Mary Acey, who died suddenly at the home of her sister, Mrs. W. Curtis, LaPorte. Mr. and Mrs. Acey left for a two weeks' visit. The day they were to start for home Mrs. Acey, who had been in poor health for the last ten years, took seriously ill and died in three hours. The day previous to Mrs. Acey's death she had been a member of an automobile party and life was full of sunshine and buoyant with hope. Mr. Acey and the brothers and sisters have the sympathy of many friends. The funeral took place on Saturday at Thornhill Cemetery, and was very largely attended.—Com.

If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation. Its taste will be entirely new to you—unless it is already your favorite Cough Remedy. No opium, chloroform, or any other stupefying ingredients are used. The tender leaves of a harmless, lung-healing mountainous shrub give to Dr. Shoop's Cough Remedy its wonderful curative properties. It is truly a most certain and trustworthy prescription. Sold by W. A. Sanderson.

THE DELINEATOR FOR JULY.
The Midsummer number of The Delineator presents life from many contrasting points of view and all who turn the pages of the magazine must find not only much that is entertaining but, better still, much that is conducive to serious reflection. First there is the editorial page, "Conversazione," in which Erman J. Ridgway touches the keynote of universal kinship. With the chance question of a child as a starting point Mr. Ridgway talks of problems that concern all humanity—the right of a child to whole truths instead of half truths, the unalterable measure by which mankind is judged from age to age and the apostrophe to sun and wind and earth in which a great sorrow found expression. It is a serene, uplifting, wholesome philosophy that is revealed each month in "Conversazione"—the sort of philosophy that the world needs.
The Man's Page is a new feature of The Delineator. As every one knows, men are faithful readers of the magazine and now a special department has been prepared for the members of the family who don't care whether skirts are wide or narrow, gored or circular. To the man's page well-known humorists have contributed. Charles Battell Loomis tells "How to Keep a Wife's Love," Homer Crox warns readers "How Not to Comb the Hair" and Paul West treats of "Domestic Service for Men." "I Cannot Pay that Premium" is a song by Franklin P. Adams. Other important subjects are discussed in a manner that will be found most illuminating.
Among the special articles for July is one by Walter Prichard Eaton who tells many tales out of school when he encourages readers to go "With Our College Girls and Boys at Commencement." In quite a different vein is the study of Selma Lagerlof, the famous Swedish author, by Velma Swanston Howard. Other important articles are "The Quality of Mercy" by Mabel Potter Daggett, "Seeing Sounds" by Robert Alden Sanborn and "The Social Life of an Army Post" by Gwendolen Overton.
The fiction includes "Brother Square Toes" by Rudyard Kipling, "The Charity Ball" by Zona Gale and "The Garden of Buried Hopes" by Lewis E. MacBrayne. "The Unforeseen," the serial by Mary Stewart Cutting, sustains the enthusiastic interest aroused by its early chapters.

Hope.

Mr. Wm. Cook of Toronto is repairing his barn on lot 34, concession 4, Vaughan, which will prove a great benefit to his tenants. The carpenter work is being done by Mr. H. McMullen.
The pulpit in the Methodist church here was occupied by Dr. W. F. Routley of Maple on Sunday last. He delivered an excellent sermon found in first chapter according to St. John, 46th verse.
A large number of friends from Teston attended service here on Sunday last.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days' test will surely tell. Try it once and see! Sold by W. A. Sanderson.

IF SICK--WHY PAY
Unless Health First Returns.
Here is what should and can be done! Now you would not willingly pay for food that was worthless—would you? Then why pay for medicine until that medicine first proves to you its actual worth? Positively knowing what Dr. Shoop's Restorative can do for the sick, I say to all "don't pay unless health first returns". And I back my Restorative with a signed and sealed 30 day "No help, No pay" contract.
I positively pledge to the sick everywhere that "Dr. Shoop's Restorative is absolutely free if it fails". Let others do the same—or else pass their prescriptions by.
If you need more strength, more vitality, more vigor or more vim, use my Restorative a few days and note the immediate improvement.
When the Stomach, Heart, or Kidneys go wrong, then test Dr. Shoop's Restorative. I do not dose the Stomach nor stimulate the Heart or Kidneys, for that is wrong. Years ago I cast away that mistaken idea in medicine. The books below will best tell you how I am succeeding.
These books also tell of a tiny hidden "inside nerve," no larger than a silken thread. They tell how that nerve, until it fails, actually gives to the Heart its power, its tone, its never-ending action or impulse.
These books will open up new and helpful ideas to those who are not well. They tell how the Stomach, and Kidneys each have their "inside" or power nerves. They tell how the Restorative was especially made to reach and revitalize these weak or failing inside nerves. All of these facts tell why I am able to say, "It is free if it fails!".
This is why I say "take no chance on a medicine whose maker dare not back it just as I do by this remarkable offer".
So write me today for the order.
I have appointed honest and responsible druggists in nearly every community to issue my medicines to the sick.
But write me first for the order.
All druggists sell Dr. Shoop's Restorative, but all are not authorized to give the 30 day test.
So drop me a line please—and thus save disappointment and delays. Tell me also which book you need.
A postal will do.
Besides, you are free to consult me as you would your home physician. My advice and the book below are yours—and without cost.
Perhaps a word or two from me will clear up some serious ailment. I have helped thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request. So write now while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
