CLOSING RECITAL.

The Newton School of Music was the scene of another gathering on the 30th of June, when a closing recital was given by the pupils of the school, assisted by Miss Laura Baker, violinist, of Toronto.

The programme consisted of eleven numbers, the piano of which were rendered by the pupils of the school, in the village and vicinity. Mr. Newton himself took part and the new two-manual organ which he had recently installed was played by him for the first time in recital. The programme was well rendered and the result was a magnificent success, showing the good work that had been done during the past year.

Mr. Newton gave a little opening address on the work being done by the school, and Mr. A. D. Waste, Secretary of the Model School of Music of Toronto, spoke a few words of advice and congratulation.

The studio was well filled by the many friends who gathered there on invitation, and many, who were not able to be accommodated with seats inside, enjoyed the music from the front lawn.

GARDEN PARTY.

On Saturday evening, the Epworth League held an ice cream social and strawberry festival, on the lawn of Mr. Amos Wright.

The lawn was artistically decorated with Chinese lanterns which were spread from side to side, which looked very inviting from without, showing off as they did the natural beauty of the place.

Supper was provided from five o'clock till late in the evening and many enjoyed the strawberries. Ice cream and lemonade was obtainable at a booth and suitable music was provided by the band, which did much to enhance the enjoyment of the evening.

In addition, an entertainment was provided in which local talent took part. Speeches were made by the Revs. E. C. Currie, Dr. Smith and W. L. Trench. Vocal solos were rendered by Misses Ida Glass and Mary Trench, and by Messrs. A. J. Hume and D. Atkinson, and Mr. Hume also gave a cornet solo.

The night was exceedingly warm and sultry, and it was well patronized not only by all the churches in the village but outsiders.

The proceeds amounted to over \$55.

STRUCK BY AN AUTO.

Miss Irene Scott, who lives a short distance south of the village, whilst getting off the car at the Bakery last Thursday afternoon was struck by an auto, knocking her to one side and for a time rendering her unconscious. After examination it was found she was not seriously hurt and was taken home in her brother's machine shortly after the accident. Mr. Currie of Toronto, the owner of the auto which caused the accident, acted very gentlemanly and used his machine to convey the news of the accident to the little girl's mother, who, not being at home, Robert Scott started off to Thornhill to bring her, and it is said covered the distance between Thornhill and the Bakery in less than five minutes. Irene is around again as lively as ever.
