ALL GOOD THINGS

must win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

A. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: It is indeed a marvelous work; it is difficult to conceive of a dictionary more exhaustive and complete. Everything is in it—not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for. A supplement to the new edition has brought it fully up to date. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it.

THERE IS BUT ONE.
 Every farmer should know that the price offered by the dealers for cattle, hogs, etc., is a fair one. How can he know this if he does not take a farm business paper? What doctor or lawyer or business man would be without his business paper? There is but one farmers' business and market paper, that is The Weekly Sun. Start 1910 right by subscribing.
