THE LIBERAL

FOR GOOD ROADS.

Plans for improvement of the principal roads leading into Toronto—east, west and north—was heartily endorsed by representative men of York County and the City at a meeting held at Cooksville on Wednesday of last week. Representatives of the City Council, Board of Trade, Guild of Civic Art, and York County Council, after a tour of inspection, held an enthusiastic meeting and passed a resolution heartily endorsing the plan for improving the main roadways leading to the city, on the basis of one-third of the cost each to the Ontario Government, City of Toronto and York County.

Reeve W. H. Pugsley, of Richmond Hill, a foremost advocate of good roads in this province, moved the resolution and he had for second Controller Church, to whose aid on in Council the creation of a metropolitan area of roads round about Toronto, is largely due the launching of this campaign, which now promises brilliant success.

Among those present were Controllers Ward and Church, Ald. McCausland, Dunn, Humbly, Maguire, McCarthy, O'Neil and Phelan; John C. Eaton, Lionel H. Clarke, C. A. Stone, W. F. Maclean, M. P., Charles Booth, A. W. Smith, W. G. Trethewey and F. G. Morley; W. A. McLean, provincial Commissioner of Good Roads; York County representatives, Reeves Henry, York Township; W. H. Pugsley, Richmond Hill; John Gardhouse, Etobicoke; Jonathan Nigh, Markham; Daniel Longhouse, Vaughan; R. J. Bull, Weston; W. N. Annis, Scarborough; and W. H. Kennedy, Toronto Township, Peel County.

The business meeting was presided over by Controller J. J. Ward.

The next steps in the good roads campaign are to be a meeting of York County Council to receive the recommendation of its delegates, and a conference on Tuesday, August 9, of the city and county authorities.

Hon. Dr. Reaume, Provincial Minister of Public Works, will likely attend, as well as his deputy, Mr. W. A. McLean. It is hoped that negotiations will be brought to a point enabling application being made to the Legislature next session for power to issue debentures for the work.

The roads to be improved are, Lake Shore, Dundas, Weston, Yonge street north as far as the northern boundaries of Markham and Vaughan townships—3 1/2 miles north of Richmond Hill—Don Mills, Kingston, Danforth and Kennedy.

The footprints of Dyspepsia have been directly traced to the Stomach nerves. When these "inside nerves" fail, indigestion and stomach distress must surely result. For this, druggists everywhere are supplying a prescription known as Dr. Shoop's Restorative. First, these tiny inside Stomach, Heart, and Kidney nerves fail. Then gas belching, Heart palpitation, or failing Kidneys follow. Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. Strengthen these failing nerves with Dr. Shoop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the Restorative treatment, you will realize the gain. A test will tell. Sold by W. A. Sanderson.

HOW THE BLIND READ AND WRITE.

Accompanying his annual letter in which he asks the readers of THE LIBERAL to send him the names and post-office addresses of any boys or girls, known to them, whose eyesight is so defective that they cannot attend the Public Schools with advantage, Principal Gardiner, of the Ontario Institution for the Education of the Blind, at Brantford, sends us a card on which he has printed, without ink, the letters used by the blind in their reading. These letters are composed of raised dots or points, arranged in two horizontal rows, and the combinations of points that have been contrived to represent the various literary, numeral and musical characters are most ingenious. Point letters are much easier to read with the fingers than line letters, and blind children soon learn to read and write words, figures and music signs, the writing being done with a steel stylus and a brass frame which they call a slate. The School for the Blind is maintained by the Ontario Government as a part of our free school system, under the supervision of the Minister of Education, and the Principal will promptly answer any letter of inquiry concerning the school and its work.

Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. It is the nerves that are crying out for help. Vitalize these weak inside controlling nerves with Dr. Shoop's Restorative, and see how quickly good health will come to you again. Test it and see! Sold by W. A. Sanderson.

KING COUNCIL.

Council met at McBride's Hotel, King Station, on Saturday, July 30.

Members all present. Minutes of last meeting read and confirmed. A large number of general and road bills were presented and ordered to be paid:—

Duggan—Lemon—That the following sheep claims be paid, the same having been inspected according to By-law:—John Aney, \$21.34; Fred Willis, \$18.66; Chas. Doan, \$24.00.

Duggan—Lemon—That the Treasurer is hereby authorized to issue his order in favor of John Botham for \$20.62 being the share of York County for repairs to County bridge on townline near Schomberg. And to present said bill to York County for payment.

Duggan—Phillips—That this Council meet as a committee on east half of lot 21, Con. 8 on Saturday Sept. 3rd and consider the advisability of acquiring a gravel pit by expropriation or otherwise.

Wells—Phillips—That Andrew Lloyd be paid the sum of \$10.00 payment in full re care of John Jackson.

Phillips—Lemon—That this Municipality give a further grant of \$25.00 towards paying the expenses of the Engineer in taking levels on the Bradford Marsh, the above to be paid only in case it is needed.

A By-law to authorize the Reeve and Treasurer to borrow certain sums for current expenses received its several readings and passed.

On motion of Councillor Phillips Council adjourned to meet at Temperance Hall Kettleby on Saturday Aug. 27th. School Petitions presented to Council.

August time, tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" then the stomach, Heart and Kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by W. A. Sanderson.

AUGUST CANADIAN.

The Canadian Magazine for August is an unusually strong number. Perhaps the feature of most importance is a fine article by Professor W. L. Grant entitled "Goldwin Smith at Oxford." Professor Grant has been for some time lecturer on Colonial History at Oxford, and the researches for this article were made on the spot. There is also splendid appreciation by Dr. A. H. U. Colquhoun, Deputy Minister of Education for Ontario, of the work and place of Goldwin Smith in Canada. These two articles are well illustrated. Professor Archibald MacMechan contributes an entertaining account of some early associations in Halifax. Mr. Arthur O. Wheeler, President of the Canadian Alpine Club, has a beautifully illustrated article on "Canada's Wonderland." The second act of Arthur Stringer's play "The Blot" is in this number, as well as some fine short stories.

We have a splendid assortment, of Weston's and Christie's fancy biscuits from 10c, 20c per lb. Atkinson & Switzer.

SUCCESS MAGAZINE.

The leading feature of the August number of "Success Magazine" is a most absorbing novelette called "Molly Make-Believe," by Eleanor Hollowell Abbott. It is a story of unusual originality and fascination. Fred Bates Johnson, in his article "The Homesteader in Western Canada," gives an honest exposition of what the chances are for the settler in North America. "Tariff Making by Barter and Sale" by Arthur I. Street, in his series: "Uncle Sam in Blunderland" contains extracts from interviews who have had a leading part in the making of our tariff was made. In "The Preacher and the Potato" William Justin Harsha describes in a very interesting way his profitable step from the pulpit to the farm. There is a good supply of summer fiction, and poems by Richard Wightman and Arthur Stringer.

Judge Winchester will be entrusted with the work of investigating conditions at the Isolation Hospital, Toronto. It is charged that patients sent to the Hospital for treatment of a certain disease, sometimes contract other diseases by contagion. One complaint by a father is that his young son contracted scarlet fever and measles, and died.

Get Well First

Don't risk even a penny—until health first returns.

And I mean just exactly that. I am the one physician who says to the sick "I will, out of my own pocket, pay for your medicine if it fails to bring you help!" And for 20 years Dr. Shoop's medicines have been used and recommended in every city and hamlet in America. They are positively standard in every community—and everywhere. Then why pay the cash, and at your risk, for other untried and uncertain medicines? Thousands upon thousands have in the past successfully used Dr. Shoop's Restorative.

When the Stomach nerves, or the Heart or Kidney nerves fail, these sick ones know how quickly Dr. Shoop's Restorative will bring them back to health again. But best of all, they positively take no money risk whatever. They know that when their health fails to return, Dr. Shoop will himself gladly pay the druggist for that test. And for that test a full 30 day treatment is freely granted. But write me first for an order.

This will save delay and disappointment. All druggists sell Dr. Shoop's Restorative and Dr. Shoop's Rheumatic Remedy, but all are not authorized to give the 30 day test. So drop me a line please—for I have appointed an honest and responsible druggist in almost every community. Help, no pay, to issue my "no sick, tell me also need. The books below will surely open up new and helpful ideas to those who are not well. Besides you are perfectly free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely yours simple request. So write now, while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis.
