

DIED IN HIS 76TH YEAR.

Mr. Thomas F. Boynton, who had resided in this village for the past few years, passed away Monday evening. Deceased leaves a widow, three sons and one daughter, Mrs. Charles Sanderson. He was in his 76th year. He was a member of the Methodist Church and a life-long Conservative. The funeral took place to the Victoria Square Cemetery yesterday afternoon, previous to which a short service was held at the residence, prayer being offered by Rev. F. Elliott. At Victoria Square Church the service was conducted by the pastors, Rev. Dr. Smith and Rev. W. L. Trench.

News Notes.

The farmers in the southern part of the County are not pleased with the action of the Toronto Board of Control in agreeing to grant the use of the St. Lawrence market to the Ontario Horticultural Society for two weeks. The farmers naturally feel that it is a hardship to be closed out of the market for that length of time.

It was stated in The World of Tuesday that a report was current that the Speight Waggon Works which were established over 50 years ago, were likely to leave Markham and become consolidated with the Port Arthur Waggon Co. of Port Arthur. The removal of that company from Markham would mean a loss to the village of between 40 and 50 families.

Mayor Gaynor of New York was shot by a would-be assassin on Tuesday while standing on the deck of a steamship just as he was leaving for a month's vacation in Europe. The man fired four shots, the last one taking effect in the neck. He was instantly overpowered and arrested. He gave his name as Gallagher, and said he shot the Mayor because he had been recently discharged as an employe in the City. The wounded man may recover.

Dr. Wesley Robinson of Markham Village was found lying dead on a sofa in his house by a nephew Thursday morning. About two or three weeks ago Dr. Robinson suffered a slight stroke of paralysis, since which time he had experienced a good deal of difficulty in talking and could walk only with the aid of a cane. Mrs. Robinson and his daughter were absent from home, having left only the day before for a short trip in the Georgian Bay district.

ONE REASON WHY

The Canadian National can put on the Best Performance on the Continent.

Why can the Canadian National put on a finer grand stand performance than any other exhibition on earth? One reason is that it can accommodate a bigger grand stand crowd than any other. One night last year there were 28,000 people in the grand stand and on the lawn in front of it. Just imagine—as many people as there are men, women and children in Galt and Guelph combined.

ALL GOOD THINGS

must win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

A. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: "It is indeed a marvellous work; it is difficult to conceive of a dictionary more exhaustive and complete. Everything is in it—not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for." A supplement to the new edition has brought it fully up to date. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it.

THE GRAND PRIZE (the highest award) was given to the International at the World's Fair, St. Louis. **FREE—"A Test in Pronunciation,"** instructive and entertaining for the whole family. Also illustrated pamphlet. **G. & C. MERRIAM CO., PUBLISHERS, SPRINGFIELD, MASS.**
