

Men Wanted at Waldron.

To the Editor of The Liberal, Richmond Hill, Ont.: Dear Sir,—The crops in this district are first-class this year, although, as you may know, in most parts of the West the crop is very poor. Anyone contemplating coming West for the harvest would do well to come to Waldron, as help is scarce and good wages will be paid. Cutting will be general after the 20th of August.

Hope.

Miss H. Judges has returned to Richmond Hill, after spending about a month visiting with her parents Mr. and Mrs. T. Judges. She also visited with relatives in Toronto, Rochester and Fairport, N. Y.

Miss Nellie and May Moore have returned to their home in Guelph after spending some time renewing old acquaintance in this place.

On Wednesday August 10. The farm of Mr. Geo. Watson lot 34 rear 3rd concession Vaughan was the scene of a very interesting time when he called together a number of his neighbors and friends to help raise his new bank barn 80 x 40. The captains selected were Mr. J. McLean of Richmond Hill, and Mr. A. Wells of King. The former carried off the victory by a few points. The carpenter work was done by Mr. J. McLaughlin of Teston and the stone work by Mr. M. Flanning. When completed Mr. Watson will have one of the finest barns in this neighborhood. After partaking of a beautiful repast prepared by Mrs. Watson and her assistants, some of the young gents set to work and erected a platform on the lawn which was beautifully lighted with chinese lanterns and on which many kept step to the sweet notes of the violin. Some returned home next morning after spending a most enjoyable time.

Miss Annie Wood has returned to her home at Carrville after spending a week visiting her uncle Mr. John Nixon.

Miss H. M. Nixon has returned home after spending some time with her Aunt Miss B. Dodd, Bradford.

Miss Edith Bell of Toronto, is spending part of this week visiting with relatives in this vicinity.

The Adult Bible Class of this place held an ice cream social at the home of Mrs. M. Nixon last Friday evening when a most enjoyable time was spent.

Victoria Square.

The Victoria Square branch of the Women's Institute will hold their regular monthly meeting at the home of Mrs. N. O. Hagerman on Wednesday, Aug. 31, at 2.30 p.m. Program:—Music, duet, mandolin and piano, Misses Connel; demonstration, nursing typhoid patients, Mrs. A. D. Bruce; music, vocal, Miss L. Watson; reading, Miss Jean Scott; exchanging recipes for cool dishes for Sunday dinners. Mrs. Fairles, Bloomington District President, will also be in attendance. Everybody welcome.

On the 13th inst. Mr. Ross Klincek while adjusting a sling in the barn fell from the hip roof a distance of 25 feet to the barn floor. He received a cut over the eye and several stitches had to be put in, and his side was badly bruised. He was unconscious for some time, and the accident will doubtless lay him up for a month or two.

Mr. Willie B. Heise of Victoria Square, and Mr. Joseph Heise of Toronto, left August 16 for Kindersley, Sask., and arrived at Saskatoon August 19. They report seeing some fine fields of wheat, and also some of poorer grade. They passed through some fine farming country.

Unionville.

There is a reason to believe this busy burg will soon be served by an electric railway. The proposed line between Toronto and Port Hope will likely touch both Unionville and Markham Village.

Mr. and Mrs. J. H. Prentice and Master Murray have returned from a very pleasant two weeks' trip to Gull and Mountain Lakes, near Minden. The fishing was fine, and Mr. Prentice caught a salmon trout weighing 14 lbs.

CATTLE OR CHILDREN

Which do you value the most—your cattle or your children? You know that the health and development of your live stock depends on the quality of the food you give them—that they must have good, strong, nourishing food. Are you as particular about your children? Do you insist on their diet consisting of food that will build up the little muscles, that will develop the brain and keep the stomach sweet and clean—so essential to growing children? Give them the best and most natural food for growing children—

SHREDDDED WHEAT BISCUIT

made from the whole wheat berry, steam-cooked, shredded and baked. Nothing added, nothing taken away. It contains all the material for building brain, bone and muscular tissue. Its very crispness promotes mastication, which means sound teeth and good digestion. A light, palatable and nutritious food that insures sturdy, robust health. Two biscuits (heated in oven) eaten with hot milk every morning for breakfast will enable a boy or girl to reach the top-notch of muscular agility and mental alertness and will fortify them against the dangers of cold and exposure. All the Meat of the Golden Wheat. Made in Canada.
