A DANGEROUS TRICK.
Our village constable should keep a sharp look out these nights for those who are bent on mischief. Last Sunday night a number of boards and large stones were placed across Yonge street and the car track opposite the Palmer House, evidently intended for passing automobiles. It would be well if the village fathers would investigate this matter.

The Richmond Hill High School candidates made good percentages at the departmental exams. Five wrote for Normal Entrance, two passed, one with honors. For Junior Matriculation seven wrote, two passed in full, three in class C, passing all subjects wrote on, and two got full matriculation in all but two subjects.

On Wednesday of last week Mr. Harry Moyle's horse was tied to a fence near the residence, broke the rope and freed itself. The animal trotted leisurely away, and got into a ditch, breaking one of its hind legs in two places. The fractures were carefully examined by Mr. D. C. Steele who decided nothing could be done to save the mare so she had to be shot.

Maple.

All the business places were closed on Monday, Aug. 15, which was Maple's Civic Holiday. In the afternoon a picnic was held at Bond's Lake. About two hundred were present and spent the time in boating, games, &c. An excellent tea was provided by the ladies. The citizens have decided to make this an annual affair.

Mr. and Mrs. T. Sparks of Toronto visited over Sunday at Mr. H. C. Bailey's.

THE SCHOOL QUESTION.

This important question is engaging the attention of many parents and young people just now. Just what to do is sometimes a problem. Where possible, we believe every boy and girl should pass the Entrance and spend a few years in High School or Collegiate work. When this is not practicable the next best thing to do is to arrange for a course in some reliable business training school. In these schools the instruction is mainly individual, so that the Third Book student or the High School graduate may make relative advancement in a good practical course of training alike beneficial in any walk of life. In such schools many find the training for the Entrance Examination sufficient foundation upon which to build a good business or shorthand course, which leads to office employment at a living salary as an introduction to a successful business life. Canada possesses very many good Business Colleges, but the one which has a continental reputation for doing good work and producing successful graduates is the well-known Central Business College of Toronto.

THE BAND.

Although the weather was a little chilly for ice cream and cool drinks the Band Concert and Ice Cream Social on the High School lawn Saturday evening was well attended, and everybody seemed to enjoy the musical programme rendered. The Band will give another musical programme on the Public School lawn Saturday evening of this week. They have been putting in some extra practice lately and will give an entirely new program. And let us here say that the members wish to thank all who so ably and so cheerfully assisted at the social last Saturday evening.

Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. It is the nerves that are crying out for help. Vitalize these weak inside controlling nerves with Dr. Shoop's Restorative, and see how quickly good health will come to you again. Test it and see! Sold by W. A. Sanderson.

SEEST THOU THE SEA?

(Translated from the German.)

Seest thou the sea? There shines on yonder tide

The bright sun's light;
Yet in its depths where the glowing pearls hide,
Is darkest night.

That sea am I. With mighty strides on run

My foolish wishes,
My songs burst forth like the golden sun
With great gushes.

They sparkle oft of rapture giving jest,

Of love and sport;
Yet silently bleeds in my hidden breast
The brooding heart.

MERELO.

Drive Rheumatism from the blood with Dr. Shoop's Rheumatic Remedy. Tablet or liquid. Sold by W. A. Sanderson.

FARM PROFITS

May be largely increased by knowing the exact condition of the farmer's market, and by learning of the best method in farm practice. This is precisely the sort of information the Farmers' Weekly Sun gives in every issue. It has no equal as a Farmer's Business Paper. Good farmers rely on it. For price see our snabbing offer.

Thornhill.

Miss Frances Carleton is spending a week with friends at Grimsby.

Mr. and Mrs. Calvert of Youngston, N. Y. spent the week end at Evergreen Place, the residence of Mr. Robert Cox.

Miss Mabel Beatty has returned to Thornhill after spending several weeks at The New Windsor, Bala, in company with her sister Dr. Beatty of Toronto.

Mr. and Mrs. T. Cousins and Mr. McCormack of Maple were the guests of Mr. and Mrs. Henry.

The Orangemen attended divine service in the Methodist church on Sunday evening. An interesting and impressive sermon was preached by the pastor, Rev. T. E. Douglas.

Several from here attended the picnic held by the citizens of Maple at Bond Lake on Monday of last week and report an enjoyable outing.

The Presbyterian Choir assisted in the evening service at Fisherville on Sunday. A solo was sung by Miss Ida Kirby which was much appreciated. We are glad to know that this church is making good progress through the earnest efforts of Mr. Lindsay.

FELL 22 FEET.

Mr. Daniel Horner last Thursday while pitching grain back fell from the mow to the barn floor, about 22 feet, and received serious injuries. The doctor found that no bones were broken, but Mr. Horner was badly bruised, and the past week has been one of intense suffering.

WILL GIVE PUPILS A CHANCE.

Mr. Davidson, the new High School Principal, has intimated that he will admit all students to the High School who have gone over the first two years' work to Form III. After entering, the staff will test them and put them on their mettle to see who are diligent, willing and able to do the work. It is safe to say that those who are willing to work will retain their places.
