LAND PRICES IN EDMONTON.

A clipping from the Edmonton Journal shows that land in that city sells at high figures. The Journal says that Adams Bros. purchased 50 feet on Front street at \$600 a foot, or \$30,000 for the lot. The land was purchased from Mr. Edgar Richardson, a nephew of Mr. L. Richardson of Maple, who owned a third interest. Adams Bros., who are harness manufacturers—Toronto, Winnipeg and Edmonton—will erect on the lot an \$80,000 building, five stories high, the material to be brick and stone.

DANGEROUS DANDRUFF.

WILL MAKE CANADA A BALDHEADED NATION IF NOT CHECKED.

M. Pasteur, the great French Physician of Paris, once said: "I believe we shall one day rid the world of all diseases caused by germs."

Dandruff is caused by germs, a fact accepted by all physicians.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness.

Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back.

W. A. Sanderson guarantees it. It will stop itching scalp, falling hair and make the hair grow rich and abundant.

It puts life and lustre into the hair and prevents it from turning gray.

It is the hair dressing par excellence, daintily perfumed and free from grease stickiness. It is the favorite with women of taste and culture who know the social value of fascinating hair.

A large bottle costs only 50 cents at leading druggists everywhere, and in Richmond Hill by W. A. Sanderson. The girl with the auburn hair is on every package.
