The Harvest Home services at the Mount Zion appointment on the Thornhill Circuit last Sunday were as usual a grand success. The congregation had the church elaborately decorated in keeping with the nature of the service. The sermons were most appropriate, and the speaker, Rev. M. L. Pearson, was as much delighted with the people as they were with him.

The Headford choir did exceedingly well, receiving many hearty expressions of appreciation for their services. The offering was between seventy-five and eighty dollars.

ATHLETIC WORLD

The September number of "The Athletic World" magazine has just reached this office. In up-to-date sport affairs and illustrations it is strikingly stronger than the August issue, which created such a favorable impression as a Canadian athletic and outdoor periodical, covering all branches of sport in Canada, with a liberal number of sport happenings over the world generally. We predict a full measure of success for "The Athletic World" in its able efforts to espouse the cause of good sport in this Dominion.

The marriage of Mr. D. A. Boyle, eldest son of Mr. and Mrs. J. N. Boyle, is announced in the St. John Globe of Sept. 14 as follows:—

"The home of Mr. and Mrs. Charles G. Brown, 62 Ludlow street, St. John West, was the scene of a happy event at 3.30 this afternoon, when their eldest daughter, Miss Reine Street Brown, was united in marriage with Mr. David Alexander Boyle, export freight foreman of the C. P. R., and one of the most popular of the young men who have come to St. John in connection with the winter port business. The home was very prettily decorated for the wedding. Rev. J. Heaney, pastor of the Carleton Methodist Church, was the officiating clergyman. Mr. and Mrs. Boyle will leave on this evening's C. P. R. on a honeymoon trip to Toronto, Buffalo and Niagara, and will make their permanent home in Montreal. The many beautiful remembrances received by the happy couple evidenced the good feeling entertained for them by relatives and friends. Both are popular and will carry with them to their Montreal home the good wishes of hosts of St. John friends.

A GOOD POSITION.

Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official institutes in America, under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details at Cincinnati, O., or Philadelphia, Pa.
