The debate at the Epworth League Friday evening on the subject, "Resolved that apathy in the home churches is a greater hindrance to Foreign Missions than Non-Christian religions" was very interesting. There is considerable grumbling in some quarters over the tax bills which are being sent out by the Village Treasurer. It is safe to say, however, that those who are now doing the most complaining are the men who at the next nomination meeting will not be present to ask an explanation as to why certain expenditures are higher than they think they ought to be.

## BOYLE-CLARK

A happy event transpired at the home of Mrs. Clark, Centre St. Richmond Hill on Wed. Nov. 2nd 1910, when her eldest daughter, Miss Maude Beatrice, was united in marriage with Mr. Arthur H. W. Boyle, in the presence of friends and relatives. Mr. and Mrs. Boyle, who are two of our most popular young people, left immediately on a trip to various points in Western Ontario. It is needless to say that they carry with them the congratulations of a large circle of friends, whose best wishes will accompany them into their new home in Richmond Hill.

## FATAL ACCIDENT.

Citizens of Thornhill were greatly shocked last Friday afternoon when they heard that Mr. William Chatterly, 75 years of age, and a life-long resident of that place, had met with instant death, by being run over by a Metropolitan northbound car. The old gentleman, whose hearing was not good, was walking northward down the hill. An automobile was coming in the opposite direction, and it is thought Mr. Chatterly stepped over on to the electric car track in order to keep out of the way of the auto. The motorman blew the whistle, but apparently it was not heard by the unsuspecting victim of the dreadful accident. Deceased is survived by four sons and a daughter.

## KING & VAUGHAN PLOWING MATCH.

The Annual Plowing Match of King & Vaughan Plowmen's Association to be held on the farms of George Thompson, lot 48, and Wm. Robinson, lot 50, between Richmond Hill and Elgin Mills, will doubtless attract a large number of plowmen and spectators on Friday, the 4th of November. The match being held on Yonge street will give an excellent opportunity for many to come from north and south by Metropolitan Railway. The match is open to the Dominion and upwards of \$500 is being offered in prizes. There are seven classes, besides many specials. Lunch will be provided for plowmen on the field, and Dinner and Tea will be served to all comers at the Palmer House, Richmond Hill and the New Elgin, Elgin Mills. For particulars see large posters, or apply to the Secretary, Mr. J. T. Sargeon, Maple.

The following members were present: W. H. Pugsley, P. G. Savage, A. J. Hume, S. M. Brown, W. A. Sanderson, J. H. Brydon, T. F. McMahon. Also the Librarian, Mr. G. Cowie.

The Board adjourned.

## FLOWING WELL.

The Village Council has had an artesian well sunk in Mr. Pugsley's field near the C. N. O. station. The water flows from a three-inch pipe a couple of feet above the ground, but we understand the Council think of boring still deeper. The present well is about 95 feet deep, and considerable quicksand has come up through the pipe.

## MENDING WANTED.

Mr. H. Foster, who lives about opposite Dr. Langstaff's residence on Yonge street, has put out a sign announcing that he is prepared to mend boots and shoes for those who will favor him with work. Mr. Foster had been ill for many months, but is now able to do a little work again. It is hoped that friends and neighbors in the village and vicinity will favor the old gentleman with a share of their patronage.

## RECITAL AND CONCERT.

The recital and concert given in the Masonic Hall last evening under the auspices of the Fire Brigade was a great success from every standpoint. The hall was filled, the varied programme was most enjoyable, and everybody listened with interest to every number on the programme. The hall was neatly and appropriately decorated for the occasion with Union Jacks, Canadian and other flags, lengths of hose, firemen's helmets and axes, the platform was carpeted, and on the walls hung pictures, diplomas and souvenirs which had been won by the Brigade in firemen's contests. The concert was opened with a piano solo by Miss Nora McMahon. Mrs. H. W. Jakeway of Toronto followed with a soprano solo "My Ships. She possesses a fine voice of great volume, and she was forced to respond to encores after each of her numbers. Miss Florence Mulloy of Aurora gave a number of violin solos free from all affectation, and the audience showed their appreciation by repeated calls for encores. In fact the enthusiastic audience showed their satisfaction of every artist by encores and continued applause.

Miss Conrie Brown who appeared for the first time before a Richmond Hill audience made an excellent impression as a talented elocutionist. Her voice is clear and expressive, and her enunciation is so perfect that the audience could hear every syllable distinctly. Some of her numbers were decidedly humorous, others showed dramatic talent, and an interesting feature consisted of poems given with musical accompaniments. She was not stingy with her selections, responding to double encores. The piano accompaniments were skillfully played by Miss Mulloy and Miss Nora McMahon.

Before singing "God Save the King" Mr. T. H. Trench, Chief of the Fire Brigade, expressed the thanks of the firemen to Miss Brown and her assisting artists for their efforts in providing such an excellent programme. Mr. Trench also thanked the audience for their generous patronage.
