

WINTER FAIR.

The following prominent farmers from this neighborhood are in Guelph this week attending the Winter Fair: James McLean, Matthew Boyle, D. Boyle, Geo. Harding, and Joseph Mockman. We learned over the phone yesterday that Mr. McLean was 6th in the Field Competition and Mr. M. Boyle 13th. Scarborough got first place and Richmond Hill second.

Agriculture is progressive. It is the intention of The Weekly Sun, Toronto, to collect the latest and best practices from the facts presented, from week to week, thus making it possible for Sun readers to appropriate for their own use that which will enable them to get the largest returns for their labors, the greatest value for their crops, and the largest comfort from their surroundings. No effort will be spared by the publishers of The Sun to bring this about. The Sun should be in every farm home.

ALL GOOD THINGS

must win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

A. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: "It is indeed a marvelous work; it is difficult to conceive of a dictionary more exhaustive and complete. Everything is in it—not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for. A supplement to the new edition has brought it fully up to date. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it."

THE GRAND PRIZE (the highest award) was given to the International at the World's Fair, St. Louis.
