

SMOKING IN PUBLIC PLACES.

A man who enjoys a smoke can surely claim the right to smoke in his own home or in the home of anybody else if the smoke is not disagreeable to others. A man who accepts an invitation to a "Smoker" has no reason to complain if he finds the atmosphere disagreeable to him, because he must know before he goes what the nature of the entertainment will be. There are certain places, however, in which we believe men should use discretion. It is quite common for ladies to attend political meetings. This is quite proper. They would not do so if they thought for a moment that smoking would be allowed in their presence. There is no good reason why ladies should not attend public meetings where candidates for municipal honors are nominated. We feel sure that had the ladies been present at the nomination meeting Monday evening of last week they would have been interested in the speeches of the various candidates. But no woman of any dignity would have sat in that smoky atmosphere. The hall was literally filled with smoke, and it is safe to say there were ten smokers to one non-smoker.

Every citizen who wished to show that he took an interest in the municipal questions had a right to attend. Some of our local clergymen were present in the early part of the meeting, but we understand that they as well as others left before the close, the atmosphere was so offensive. Would it not be well for our Village Fathers to see in future that smoking in public meetings is not allowed any more than it is in concerts or other entertainments.

6 YEAR OLD GIRL

Cured of Kidney Trouble

Mrs. Alex. Moore, of James St., Oxford, N.S., says: "Booth's Kidney Pills cured our little daughter, Christian, age six years, of many symptoms of kidney weakness. She complained of a sore back, the kidney secretions were frequent and uncontrollable, especially at night. Her stomach was weak and her appetite poor. This caused her to have frequent headaches, and the least exertion would tire her. We had tried many remedies, but she did not improve. Finally we learned of Booth's Kidney Pills and procured a box. In a short time she was well and does not now complain about her back, the kidney secretions have become normal, and she plays around the house with no apparent fatigue. We always recommend Booth's Kidney Pills."

Booth's Kidney Pills carry a guarantee that if you derive no benefit your money will be refunded. Booth's Kidney Pills are a specific for all diseases of the kidneys and bladder. Sold by all druggists, 50c. box, or postpaid from the R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by W. A. Sanderson.
