

GOT A DOLLAR?
IF NOT, FIFTY CENTS WILL DO.
 Where can you get a metropolitan newspaper for fifty cents a year? But the publishers of Canada's great newspaper, the Montreal Weekly Witness and Canadian Homestead, will send their paper to you on trial for one year for only fifty cents, or the Daily Witness for only one dollar for one year, on trial. These offers are only open to those who have been taking neither the Daily Witness nor Weekly Witness.

The Witness has only just decided to offer these bargains to genuine new subscribers, and the publishers agree to refund the full money to any subscriber who writes them in a month that he or she does not like the bargain. That's fair, is it not? The Witness is an up-to-date newspaper. Its splendid stories are alone worth several times the price—and its editorials are history-making and unparalleled. The Witness, Canada's great national newspaper, is, as everyone knows, always fair and square and fearless. During its jubilee, just celebrated, newspapers and public men of every province have made remarkable tributes to the value and enterprise of the Montreal Witness. We have only space for one of them and will quote the Hon. Sidney Fisher, the Canadian Minister of Agriculture, in congratulating the Witness on the occasion of its jubilee:

"I have taken the opportunity of saying to many people that I consider the Montreal Witness the best managed newspaper in Canada, for this amongst other reasons—that it is thoroughly interesting and fearless in its expressions and its principles, and its principles are broad, generous, and in the public interest, and sound economically in public affairs."
 The Witness should be in every home. Remember, new subscribers may have the Daily Witness on trial for the year 1911 for only one dollar (\$1.00), or the Weekly Witness and Canadian Homestead, on trial for only fifty cents (50c). Address your subscription at once to the publishers, John Dougal & Son, Witness Block, Montreal.

Keep Out the Cold And Save Your Fuel

The International Weather Strip

for this part of the country, we are now in a position to supply and put on same at a reasonable price. This is the latest and best thing for

Storm Protection on Doors that has yet been invented. It practically does away with the necessity of storm doors, and in a great many cases is more convenient, and at the same time will save enough fuel in one season to pay for itself.

When in our factory do not fail to have us show it to you.
