**LECTURE.**

The lecture on Friday evening, Feb. 17, under the auspices of the Epworth League of the Methodist church and the Young People's Guild of the Presbyterian church was a great success in every way. The number in attendance was large. The Orchestra was at its best, the singing was most hearty, and the lecture which though different from what was expected in the first, was most acceptable to all. Rev. A. F. Mackenzie was the speaker of the evening, and for an hour held the wrapped attention of the large audience. Mr. Mackenzie spoke largely of his work in connection with Fred Victor Mission. He showed by examples drawn from experience how in the saving of a little child others were rescued from lives of sin through her influence. How girls coming as strangers to the city were rescued from lives of sin by the sisterly and timely intervention of the deaconess. How poor drunkards who hadn't drawn a sober breath for many years were lifted up by the power of God until they had become sober industrious and respectable citizens. By these and many other examples Mr. Mackenzie gave his hearers a view of Toronto and the great work carried on there by the people of God that we seldom see. Hereafter this Rev. gentleman will always be welcome to our town as a public speaker.

During the evening Rev. E. C. Currie gave a bass solo and Mr. Waters contributed a cornet solo.
