

FROM EVERY CORNER OF THE DOMINION

COME REPORTS OF CURES MADE BY DODD'S KIDNEY PILLS.

Magdalen Islands, Quebec, tell of Mrs. Cormier, a sufferer for six years, who was made a new woman by Dodd's Kidney Pills.

Amherst Island, Havre Aubert, Magdalen Islands, Que., March 27 (Special).—That suffering women in all corners of Canada are being restored to health by Dodd's Kidney Pills is shown in the press every day, and this island is not without its striking examples. Mrs. Peter C. Cormier, a well known and estimable resident, tells the following story of her cure:

"For six years I suffered with Rheumatism, Backache and Nervousness. I could not sleep nor eat, and I was always tired. My limbs were heavy and I had a dragging sensation across the loins. "Hearing of cures by Dodd's Kidney Pills I decided to try them. Seven boxes made a new woman of me."

For a score of years Dodd's Kidney Pills have been in use in Canada. They have been tried in thousands of cases and there is not on record a single case where they have failed to cure diseased Kidneys. Thousands of Canadian men and women will tell you they owe their good health to Dodd's Kidney Pills.

Judge—"Why did you strike this man?" Prisoner—"What would you do, your honor, if you kept a grocery store, and a man came in, and asked if he could take a moving picture of your cheese?"

An Oil That is Famous.—Though Canada was not the birthplace of Dr. Thomas' Electric Oil, it is the home of that famous compound. From here its good name was spread to Central and South America, the West Indies, Australia and New Zealand. That is far afield enough to attest its excellence, for in all these countries it is on sale and in demand.

FORCE WOMEN TO WORK.

Compulsory Domestic Service Proposed in Germany.

Compulsory domestic service for girls and women as an equivalent to the universal military service incumbent upon man is a novel proposal put forward by Fraulein Pauline Worner, a leading German feminist, in the current number of Die Deutsche Frau of Berlin.

Fraulein Worner points out that compulsory military training has contributed enormously both to the mental and physical development of German manhood, and declares that similar benefits would be inevitable if the women subjects of the Kaiser were compelled to undergo the training for which nature best fits them.

She explains that it could be enforced without burdening the national Budget, and that it is man who would benefit most from the system, because the state would thus assure them competent and experienced housewives. Fraulein Worner thinks the marriage institution would also become more popular if men knew they could select wives who had done service with the "colors" in kitchen, laundry, nursery and sewing-room.

"When it became necessary through the stress of war," concluded Fraulein Worner, "to introduce compulsory military service there were many protests against such a 'limitation of personal liberty,' but Germans have lived to appreciate the incomparable blessings of male conscription. Would it be otherwise in the case of girls and women?"

"There might be less of the craze for higher education for women, but fewer girls of our lower classes would be compelled to enter industrial occupations."

Father (after a long search for a book)—"Well, here it is. I wonder why one always finds a thing in the last place in which one hunts?" Son—"I expect it's because when we find what we're looking for we stop hunting."

Impurities of the Blood Counteracted—Impurities in the blood come from defects in the action of the liver. They are revealed by pimples and unsightly blotches on the skin. They must be treated inwardly, and for this purpose there is no more effective compound to be used than Parmelee's Vegetable Pills. They act directly on the liver and by setting up healthy processes have a beneficial effect upon the blood, so that impurities are eliminated.

HIS CRIMES.

An old plasterer was called upon to give evidence in a law case. The opposing counsel tried to bully him.

"Your name is John Dobbs?"

"Yes."

"Are you the same John Dobbs who was sentenced to eight days' imprisonment for using bad language?"

"No."

"Are you the same John Dobbs who was sentenced to a couple of years' hard labor for theft?"

"No, that wasn't me, either."

"Then you have never been in prison?"

"Yes, twice."

"Ah! and how long the first time?"

"One whole afternoon."

"What!—and the second time?"

"Only one hour."

"And pray, what offence had you committed to deserve so small a punishment?"

"I'm a house decorator, and I was sent to prison to whitewash a cell to accommodate a lawyer who had cheated one of his clients."

"I hear your daughter is coming out this season." "Yes; and the bills for it are coming in!"

BERLIN'S "SIAMESE TWINS."

Innocent Sister Taken to Jail Other Was Arrested.

For some time the Blazek sisters, who are inseparably united in the same manner as the famous Siamese twins, have been appearing before the public in a Berlin (Germany) music hall. Recently an officer of the courts presented himself with a warrant for the arrest of one of them for having failed to satisfy a judgment against her in a suit for breach of contract and took the sisters to jail. The manager of the music hall, who needed them to fulfill the promise of his placards, hurried after them, and, depositing the sum claimed, secured their liberation.

But it is said the matter is not to end there. No charge was made against one of the twins, yet she was subjected to the indignity of being carried away under police escort and flung into a cell. That is unheard of, even in Prussia. A charge is absolutely necessary, whatever the evidence may be. It is obviously a case of illegal imprisonment, without a particle of justification or excuse. Clearly someone will have to pay heavy damages. Or will the courts decide that the two women are, in spite of their very distinct individualities, only one person?

Faultless in Preparation.—Unlike any other stomach regulator, Parmelee's Vegetable Pills are the result of long study of vegetable compounds calculated to stimulate the stomachic functions and maintain them at the normal condition. Years of use have proved their faultless character and established their excellent reputation. And this reputation they have maintained for years and will continue to maintain, for these pills must always stand at the head of the list of standard preparations.

GIBRALTAR'S CAVERNS.

Wonderful Stalactite Cave Over 200 Feet Long.

Gibraltar is the only place in Europe where monkeys live wild. But apart from the monkeys, Gibraltar has wonderful attractions, as in her fossils and her great stalactite caverns, opening into recesses of the rocks a thousand feet above the sea. One of these caverns is over 200 feet long and 70 feet high, and, as the stalactite pillars extend from floor to ceiling, the effect resembles the interior of a cathedral. The name of the rock has undergone a change since that distant day in 711 when Tarik the Moor first built his castle on it in order to begin the conquest of Spain. It was then Gebel el Tarik (the rock of Tarika). But the change to "Gibraltar" is not serious if one pronounces the Moorish name quickly.

CANADA'S CHAMPION DANCER

Cured of Piles by Zam-Buk.

Mr. Thomas J. Hogan, Champion Clog and Pedestal Dancer of Canada, who resides at 59 Chamberland St., Montreal, writes: "It gives me much pleasure to let you know my opinion of your wonderful Zam-Buk. For some time past I have been troubled with piles, but this year I suffered so much that I was obliged to cancel a number of engagements. I tried all the so-called remedies that were recommended, but they seemed to do me no good. Having been advised to try Zam-Buk I purchased a box, and after applying it a few times I felt marked relief. I continued with the Zam-Buk treatment, and the relief was extended into a permanent cure. I gladly permit you to use my experience as an illustration of the great value of Zam-Buk."

Mr. William Kenty, of Upper Nine Mile River, Hants Co., N.S., says: "I suffered terribly from piles, the pain at times being almost unbearable. Zam-Buk was recommended to me. So I procured a supply, and after a very short time Zam-Buk effected a complete cure."

Zam-Buk is also a cure for ulcers, abscesses, eczema, cold sores, chapped hands, varicose ulcers, rashes, blood-poison, ringworm, cuts, burns, bruises, children's abrasions, tetter, salt rheum, etc. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, for price. Zam-Buk Soap, which may be had from any druggist at 25c. per tablet, should be used instead of ordinary soap in all cases of eruptions and skin diseases and for baby's bath.

Tommy—Pop, what is ennui? Tommy's Pop—Ennui, my son, is a disease that attacks people who are so lazy that they get tired of resting.

"A Grand Medicine" is the encomium often passed on Bickle's Anti-Consumptive Syrup, and when the results from its use are considered, as borne out by many persons who have employed it in stopping coughs and eradicating colds, it is more than grand. Kept in the house it is always at hand and it has no equal as a ready remedy. If you have not tried it, do so at once.

Judge—"Have you anything to say before I pass sentence?" Prisoner (who knows human nature)—"Yes, my lord; I should like you to have your dinner before you pass sentence upon me."

The following is a good hint for ironing sheets. Instead of spreading out the sheet to iron, fold it in half, then quarter, and lay it on the ironing board as though to iron. Now iron the rest of the clothes on top of the sheet, turn it occasionally so as to reach every part, then fold it and begin on another sheet. In this way the sheets are ironed with very little trouble.
