

FIFTY-EIGHTH BIRTHDAY.

The Star of Tuesday contained a good photograph of Mr. John Harvie, conductor of the first train that left Toronto on what is now called the Northern Division of the Grand Trunk Railway. The following paragraph accompanied the photograph:—
 "The 'Old Northern' celebrates its 58th birthday to-day. On the morning of May 16, 1853, at 8 o'clock the first train left Toronto with passengers. The track was built as far as Aurora only. The conductor of the first train was John Harvie of 177 Balmoral avenue, Toronto, and of all the crew and those who took the first trip on the old Northern fifty-eight years ago, John Harvie is said to be the sole survivor. J. C. Morrison, John Beverley Robinson, Alfred Brunell, and Superintendent W. Sladdin, were among those on board, but they have since departed. Mr. Harvie tells how tickets were sold on the street because there was no station. The terminal was on Front street, opposite Sword's, now the Queen's Hotel."

DISTRESSING HEADACHES.

Headaches are largely the result of disordered kidneys. Mrs. Hall, 84 Flora Street, St. Thomas, Ont., says: "I suffered for years with headaches of a most distressing nature. They would come on me suddenly, and would last for days at a time. These were usually accompanied by spells of dizziness that would leave me unable to attend to any house duties. My back was weak and caused me much suffering through the night. I had doctored for years, but all to no avail. Nothing benefited me and my condition was gradually becoming worse. I learned of Booth's Kidney Pills. One box gave me a complete and lasting cure. I have not had a headache or dizzy spell since and I feel like a new person."

Booth's Kidney Pills are sold by all druggists, 50c. box, under a guarantee to refund your money if they fail to relieve any disease having its origin in the kidneys or bladder. Postpaid from The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by W. A. Sanderson.
