That The Globe considers Richmond Hill a suburb of Toronto, or vice versa, may be judged by the fact that the report of the meeting of the Old Boys in Richmond Hill Friday evening was given among the City Locals. However Richmond Hill does not object to a little familiarity along these lines.

MR. CLIFFORD'S RECEPTION

Private Wm. J. Clifford of the 10th Royal Grenadiers was accorded an enthusiastic welcome Monday evening on his arrival from England where he won the King's Prize and the Prince of Wales Prize, competing against the best shots in the British Empire. At the C. P. R. station, North Toronto, he was met by Colonel Pellatt and other members of the Regiment, and escorted by a decorated carriage to a point where a procession was formed. The procession was down Yonge Street and thence to Queen's Park. Bands played, and a general good time followed. Mayor Geary addressed the crowd and referred to the honor brought across the ocean by one of their citizens. Mayor Geary pointed out that this was the first time on record that one man had carried off in the same season both the King's Prize and the Prince of Wales' Prize. He then made the presentation in behalf of the city. It consists of a handsome case of silver, standing about four feet high. A plate on the case bears the following inscription: Presented by the Mayor and Council of the Corporation of Toronto to William J. Clifford, winner of the King's Prize and the Prince of Wales' Prize at Bisley. Mr. Clifford modestly replied, returning his sincere thanks.

That Bald Spot

Don't let that bald spot grow. Go to your druggist at once and get a bottle of Parisian Sage and if that doesn't check the falling hair and cause new hair to grow, nothing will. Dandruff is the cause of baldness. Dandruff germs cause baldness. Parisian Sage kills the germs, eradicates dandruff, stops falling hair and itching scalp. We will refund your money if it fails to do this in two weeks. Parisian Sage will care the hair to grow if the hair root be not dead. It causes the hair to grow thicker, more luxuriant, and puts new life into it. The girl with the Auburn hair is on every package of Parisian Sage. It is sold for 50c by all druggists or sent postpaid by the Giroux Mfg. Co. Fort Erie, Ont., on receipt of price. Sold and guaranteed by W. A. Sanderson.

GOOD LOOKERS.

The World's North Toronto correspondent seems disappointed because their Fire Brigade did not win any of the firemen's races at Brampton last week, and particularly so because they were beaten by Richmond Hill. The correspondent after pointing out that their firemen captured the cup for their good appearance, says that they "came within an ace of two or three other important events." They came within an ace! The fact of the matter is they never finished in the hook-and-ladder race at all. They allowed the ladder to fall before the unfortunate climber reached the top round. Again the correspondent says—"Chief Collins has every reason to be gratified at the good start." Yes, the North Toronto men made a good start, but it is the finish that counts. And lastly it is stated in the World: "In the hose coupling, Richmond Hill beat out the local men by a fifth of a second." By the official time the difference was three-fifths. The difference may not seem much to North Toronto, but they must remember that the Richmond Hill firemen can cover considerable ground in two-fifths of a second. North Toronto must not be jealous of Richmond Hill. The town must be satisfied because their men wear nice uniforms and look well in a parade.

IT IS FOR YOU.

To those who say that the Canadian Government Annuities Scheme is of benefit to those only who can take advantage of it while they are young, it may be pointed out that the benefit is equally as great for old people. The following example will illustrate this. A widow, seventy-five years of age, who had been spending a portion of her capital each year (which was deposited in the Post Office Savings Bank) as well as her interest, found to her horror that she had but \$1,500 left. She was without relatives and she suddenly realized what her fate would ultimately be if life were spared to her a few years longer. But when the cloud was darkest, the silver lining appeared. A friend told her of the Canadian Government Annuities Scheme, and her feelings may be imagined when she was informed that her \$1,500 would yield her for the remainder of her life no matter how long she might live an income of \$25.00 a year. Full information concerning this great Scheme may be had on application to the Superintendent of Canadian Government Annuities, Ottawa. Postage free.
