

**FIELD CROPS IN CANADA**

Ottawa, August 11. The condition of field crops in Canada is presented in bulletin of Census and Statistics Office issued to-day for 31 July, and shows good averages for all provinces as well as for all crops. Fall wheat was hurt by the hard winter in Ontario, but fared better in Alberta. The estimated yield is 23.24 bushels for the former province and 27.89 bushels for the latter. The total estimated yield is 17,706,000 bushels. The condition of spring wheat at the end of July was 90 for the whole of Canada, being 85 and 95 in the Maritime Provinces, 80 to 96 in the Northwest Provinces and 85 in British Columbia. Oats and Barley have an average condition of 88 for Canada, 85 to 95 in the Maritime Provinces, 80 to 90 in Ontario and Quebec, 88 to 100 in the Northwest Provinces, and 87 to 89 in British Columbia. Rye, peas and beans range from 78 to 84 in Canada and buckwheat 81.85. Mixed grains have a condition of 86, which is 14 per cent less than last year, and flax is 91, which is nearly 20 better. The average of corn for husking is 86 and of potatoes 85.64,—being in each case a little higher than last year. Potatoes, turnips and mangolds range from 81 to 85, or about the same as a year ago. Hay and clover and alfalfa are 80 to 83, which is lower in each case than last year. Corn for fodder has an average condition of 87, sugar beets of 79 and pasture of 79. The eastern provinces are lower than the figures quoted for the whole of Canada, and the western provinces are higher. The highest averages are given for Manitoba, Saskatchewan and Alberta. Sugar beets have a condition of 81 in Ontario and Alberta, where they are grown to supply the sugar factories.

Compared with last year's crops in the Northwest Provinces, the condition of spring wheat in Manitoba south of the Grand Trunk Pacific Railway is 88 to 89, of oats 88.72 to 88.85 and of barley 85.16 to 84.92; and north of the same railway the condition is 92.21 to 77.42 for wheat, 90.71 to 72.90 for oats, and 88.95 to 50.84 for barley. In Saskatchewan south of townships 25 the condition of wheat is 90.19 to 69.33, of oats 88.27 to 61.64 and of barley 89.03 to 65.89; and north of townships 24 the condition of wheat is 98.22 to 67.69, of oats it is 95.35 to 63.88, and of barley 94.58 to 71.90. In Alberta south of townships 31 the condition of wheat is 93.89 to 24.93, of oats 95.28 to 20.43 and of barley 93.70 to 26.36; and north of townships 30 the condition of wheat is 98.84 to 71.55, of oats 97.95 to 65.68 and of barley 105.95 to 73.60.

The area of spring wheat in the Northwest Provinces this year is over 1,500,000 acres more than last year and of oats 341,000 acres, but no increase is shown in barley.

The yield of hay and clover is estimated at 12,189,000 tons for Canada, being 1.43 tons per acre, and the largest yields for provinces are 4,736,000 tons in Ontario, 5,028,000 tons in Quebec, 254,000 tons in Prince Edward Island, 941,000 tons in Nova Scotia and 885,000 tons in New Brunswick.

**SEALED TENDERS** addressed to the undersigned, and endorsed "Tender for Supplying Coal for the Dominion Buildings," will be received at this office until 4.00 P. M., on Tuesday, September 26, 1911, for the supply of Coal for the Public Buildings throughout the Dominion.  
Combined specification and form of tender can be obtained on application at this office.

Persons tendering are notified that tenders will not be considered unless made on the printed form supplied, and signed with their actual signatures.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender is not accepted the cheque will be returned.

By order,  
R. C. DESROCHERS,  
Secretary.

Department of Public Works,  
Ottawa, August 11, 1911.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.
