YORK AND PEEL UNION.

The Annual convention of the
Woman's Christian Temperance Union of
York and Peel counties, held in the
Methodist Church, Richmond Hill, on
the 3rd and 4th inst. was one of the
most successful yet held. About 40
delegates were present. The proceed-
ings opened Tuesday morning by Mrs.
G. F. Allen conducting devotional
exercises. Reports from different de-
partments were then read. The
Corresponding Secretary's report
showed 10 Unions, with a membership
of 286, an increase over last year of 94.
The amount of money raised was
\$680.47. A new Union was organized
in Aurora with 53 members, and a
Y.W.C.T.U. in Mimico with 15 mem-
bers. The Treasurer reported total
receipts \$225. and \$76. was sent for
Lumber Camp Missions.

Miss Garrett gave a touching
description of her work in connection
with the Flower Mission Department
in Toronto. The address showed the
good that is being done by visiting
and helping the sick.

A mass meeting of children with
demonstrations by Mrs. Omsby of
Mimico, was interesting and helpful.

On Wednesday forenoon the Presi-
dent, Mrs. McCordick, gave a resume
of the year's work which showed pro-
gress in the several departments. The
election of officers which followed re-
sulted as follows:—President, Mrs. Mc-
Cordick, Keswick; Vice Pres., Mrs.
Cumberland, Brampton; Cor. Secy,
Mrs. McMahon, Richmond Hill; Rec.
Secy, Mrs. Maw, Newmarket; Treas.,
Mrs. Abbott, West Toronto.

In the mother's meeting, conducted
Wednesday afternoon by Mrs. Cum-
berland of Brampton, Dr. Lillian
Langstaff gave a very helpful and in-
teresting address on "First Aid."

Throughout the convention solos
were rendered by Mrs. Overend,
Sutton; Miss Morton, Keswick; Mr.
Green, Toronto; Miss McDonald and
Miss Switzer of Richmond Hill, and
valuable service was rendered by the
choir.

Before adjourning resolutions of
thanks were tendered to Dr. Lillian
Langstaff, the soloists and choir, and
all who helped to make the convention
a success.

The convention closed by all joining
hands and singing "Blest be the Tie
that Binds."

A report of Tuesday evening's open
meeting was given in The Liberal last
week.

Headford.

The painful news reached Mr. H. J.
Winch a few days ago, announcing
the death of his daughter Adelia, wife
of Mr. Melvin Sheppard, leaving a
baby girl only a few hours old. De-
ceased left here a year ago last month
and shortly afterwards was married at
Rimby, Alberta. The sudden news
was a great shock to many friends and
acquaintances, and we are sure that
the husband and Mr. and Mrs. Winch
have the sympathy of the community.
Mrs. Sheppard, formerly Miss Winch,
attended the Richmond Hill High
School, and after securing a certificate,
attended the Normal School, and
taught the school at Patterson for 24
years. She was an earnest worker in
the Sabbath School and Epworth
League, and her last work outside her
own home was organizing a Sabbath
School in the West.

Mr. Albert Hyslop who spent the
summer in Alberta, Saskatchewan and
British Columbia is home for the
winter.

6 YEAR OLD GIRL

Cured of Kidney Trouble

Mrs. Alex. Moore, of James Street,
Oxford, N.S., says:—"Booth's Kidney
Pills cured our little daughter, Chris-
tian, age six years, of many symptoms
of kidney weakness. She complained
of a sore back, the kidney secretions
were frequent and uncontrollable,
especially at night. Her stomach was
weak and her appetite poor. This
caused her to have frequent head-
aches, and the least exertion would
tire her. We had tried many remedies,
but she did not improve. Finally
we learned of Booth's Kidney
Pills and procured a box. In a short
time she was well and happy. We
do not now complain about her
back, the kidney secretions have be-
come normal, and she plays around
the house with no apparent fatigue.
We always recommend Booth's Kid-
ney Pills."

Booth's Kidney Pills carry a guaran-
tee that if you derive no benefit your
money will be refunded. Booth's Kid-
ney Pills are a specific for all diseases
of the kidneys and bladder. Sold by
all druggists, 50c. box, or postpaid
from the R. T. Booth Co. Ltd., Fort
Erie, Ont. Sold and guaranteed by

dist church was occupied by Mr. Skin-
ner, a member of the Ecumenical
Council, from England.

**WOODLOT INSPECTION BY GOV-
ERNMENT.**

Increasing difficulty is being found
in obtaining an adequate supply of
hardwood lumber for the industries of
Canada. The hardwood tracts of the
eastern provinces for a long time have
not been able to meet the demand,
and in 1910, 60 per cent of the hard-
wood used in Canada was imported
from the United States. The United
States, although with a much larger
supply of hardwood on hand is also
seeing that the annual consumption
far exceeds the annual growth and
that the virgin supply is being rapidly
reduced. By practical demonstration
it has been proven that waste land if
planted in young hardwoods, will
prove a profitable investment at the
end of twenty-five years or more, and
will improve the productivity of the
surrounding farm land. In the east-
ern provinces of Canada and in Onta-
rio, particularly, are large tracts of
such land, covered at present with an
unprofitable tree growth, which
though being sandy, rocky or low lying,
cannot be treated as agricultural
lands. The Forestry branch of the
Department of the Interior is taking
a practical interest in the farmer's
woodlots of Ontario, in an effort to
make otherwise useless land supply
hardwood lumber to an eager market,
with profitable returns to the wood
lot owner. Parties interested in this
matter should correspond with the De-
partment at Ottawa, which is already
giving practical assistance on im-
portant tracts. Foresters will be supplied
by the Department to look over tracts
of timbered land, estimate the quan-
tity of timber, advise as to what spe-
cies to encourage or plant according
to the locality and general conditions,
and suggest a general working plan.
Such scientific knowledge, the result of
former investigations, will be of great
benefit to private owners and should
be sought after at once.
