Dinner will be provided for all comers at the farm house. For full particulars see bills, or apply to the secretary, Mr. J. T. Salgeon, Maple.

NEWMARKET vs. RICHMOND HILL HIGH SCHOOL CONTESTS.

The famous girls' basket ball team of Newmarket, together with their football team alighted from a special car on Friday afternoon and made a pleasing stir in our quiet village. Among those present were Mayor Pearson, Chairman Bogart of the high school, Principal Merritt, and other members of the high school staff. Besides many other prominent citizens from the north town.

At 2.30 p.m. the rival teams of girls lined up on the school ground before a crowd of upwards of 300. It could be seen at a glance that Newmarket had a decided advantage in size, age and weight of their players all but one being from forms III and IV while every member of the local team was from forms I and II. Added to that was the fact that our girls had only one practice under the rules played on Friday. This caused them the loss of many points by fouls in the 1st. half. By making a change in the line up after half time, placing Winnie Simpson and Nellie Page on defence, the home team out played the visitors, recognizing their lost ground and making the score a tie at full time. In the play off, Newmarket won by 2 points making the score 22 to 20. For the home team Edith Clement and Winnie Simpson were the stars, while all played well. Edith Clement by her throwing to basket won rounds of applause from the spectators. Miss Smith of the Newmarket staff refereed the game holding the players strictly to the rules. The game of basket ball is one of the most strenuous and exciting games played—equal at least to hockey, and the match on Friday was most exciting, and much enjoyed by the large crowd of spectators.

FOOTBALL.

All adjourned to the Park to witness the return and final game of football for the season between the teams. Newmarket had the advantage in size and weight but they showed lack of practice and little combination. The Richmond Hill boys played a heady team game and outplayed their opponents at all points. The score ended 3-0 favor of Richmond Hill. The teams have played home and home games, our boys winning the round by 4 to 0. The duty of referee was performed on Friday by Mayor Pearson most acceptably to both teams. The Newmarket students are a fine lot and the best of feeling prevails between both Schools. Such friendly contests have an excellent effect on the pupils in creating a proper spirit decorps, so essential to the life of any public institution.

NOTICE.

DEATH OF MISS POLLOCK.

Many friends were sorry to hear on Monday of the death of Miss Elizabeth Pollock at the home of her nephew, Mr. Fred. H. Searle, 31 Nanton avenue, Rosedale, Sunday night. Deceased had suffered from nervous breakdown since the death of her late nephew, Stephen Searle, less than two months ago, and sank rapidly during the last few days. She is survived by her sister, Mrs. E. M. Searle. Deceased lived with the family in Richmond Hill for a number of years and was highly esteemed in a large circle of friends.

RICHMOND HILL vs. AURORA.

To-morrow (Friday) at 1.30, a special car will leave here for Aurora. Our now celebrated girls' basket ball team which defeated Aurora here recently by a score of 8-0 will play the return match, while the football team will play off immediately after the basket ball game. Our boys are handicapped by one goal in the round, and are determined to win out. The games will be very exciting. Let everybody go who can and cheer the teams to victory. This will be the last matches of the season, and the Richmond Hill School teams have made a splendid record thus far. Return tickets only 25c and no admission to the grounds. Come all and enjoy an afternoon's fun.

DAIRY FARM.

Mr. P. G. Savage a few days ago sold to Mr. Lawrence of Bobcaygeon Mrs. Graham's farm of 125 acres, being the rear parts of lots 43 and 44, in the first concession of Vaughan. The price paid is \$10,700. The purchaser intends moving onto the property himself and will run it as a dairy farm. There is an excellent stream of water running through the place, which adds much to its value as a dairy farm. Seldom do farms not fronting on Yonge Street bring so high a price.

R. H. H. S. WON THE SHIELD.

The high school teachers, scholars, trustees and other citizens to the number of 110 accompanied the H.S. girls' Basket Ball team to Newmarket yesterday afternoon by private car, when our H.S. girls played the Newmarket H.S. girls team for a silver shield which had been offered by the Newmarket Agricultural Society. After a keen and exciting contest the trophy was won by the Richmond Hill team by a score of 20-19. The shield will be engraved with Richmond Hill as winners for 1911, and hereafter it will be competed for yearly by Richmond Hill, Aurora and Newmarket. In all probability, next year, Richmond Hill and Aurora will also offer trophies in football and baseball to be competed for by the male students of the above schools. The trip yesterday and the match was thoroughly enjoyed by spectators and players.

W. C. T. U. MEETING.

An interesting meeting of the W. C. T. U. was held at the home of Mrs. J. H. Sanderson last Tuesday afternoon. The Supt. of flower mission gave an excellent report of the work done in this department, showing that the needs of the poor and sick had been well looked after.

PRESBYTERIAN CHURCH.

Don't forget the illustrated talk with lantern slides to be given in the basement, under the auspices of the Guild, on Friday evening, at 8 o'clock, by Rev. K. J. MacDonald, late minister of St. Matthew's Church, Montreal. No charge but the usual monthly collection.

Next Sunday will be our Thanksgiving Day and the services of appropriate character. It is hoped that all our people may be present, at least at one service that day.

The congregation is appreciative of the good work so faithfully done all year by the Floral Committee of the Guild; also by the Janitor, Mr. Annable, in the floral decorations outside.

The Presbyterian Rally to be held in Aurora on Nov. 2 promises to be full of interest to Sunday School workers and members of Young Peoples' organizations. Keep the date in view. Afternoon session at 2.30 and evening session at 7.30.

Rev. Dr. John Gray, who canvassed the congregation last week in the interest of Knox College new building, received a generous response to his appeal, and desires to thank all contributors for their generosity.
