HIGHWAY IMPROVEMENT.
The annual report on highway im-
provement in Ontario, 1911, recently
issued by order of the Legislative As-
sembly, is an interesting volume.
The book treats of expenditure, main-
tenance, road construction &c. &c.
As we are directly interested in good
roads just now we give below what
the report says in reference to York
County Roads:

The York County road system re-
cently established under the Highway
Improvement Act is, by a special Act,
confined to the southern half of York
County and comprises about 114 miles
of main highways radiating from To-
ronto. By a popular vote of the rate-
payers, and under special legislation,
the City of Toronto will contribute
\$100,000 to the work. The total esti-
mated cost is \$300,000, of which the
Province will pay the usual proportion,
or \$100,000, so that the charge upon
the county is an equal amount, or
\$100,000.

Among the reasons for Toronto's
contribution, it was urged that the
building of good roads would greatly
aid in the development of the sur-
rounding country; that farm produce
would be brought into the city more
cheaply; that it would be less injured
than by transportation over rough and
dusty roads, and that the cost of such
produce would be reduced to the con-
sumer; that the general experiences
following the construction of good
roads has been that farms are subdivi-
ded, are cut into smaller holdings,
and are more thoroughly cultivated,
that good roads surrounding a town
or city will make it a more desirable
and attractive place of residence; that
good roads would facilitate trade be-
tween Toronto and the surrounding
community to the advantage of the
city.

The work is now in progress, and is
largely being carried out by contract.
By a supplementary agreement, owing
to the exceptional conditions, the ad-
ministration is placed in a commission
of six members, three being appointed
by the County, two by the City of To-
ronto, and one by the Provincial Gov-
ernment; the work being, however,
subject to the usual Government regu-
lations and supervision. The members
of the Commission are: Messrs. W. G.
Trotter, for the Province; D. H.
Clarke and Controller J. J. Ward, for
Toronto; and Geo. S. Henry, W. H.
Pugsley and J. J. Bull, for the County.
The Warden of York, Mr. J. J. Bull,
is member ex officio, and is Chairman
of the Commission. Mr. E. A. James,
C. E., with offices at 57 Adelaide Street
east, Toronto, is engineer for the
County Road Commission.

6 YEAR OLD GIRL
Cured of Kidney Trouble
Mrs. Alex. Moore, of James Street
Oxford, N.S., says:—"Booth's Kidney
Pills cured our little daughter, Chris-
tian, age six years, of many symptoms
of kidney weakness. She complained
of a sore back, the kidney secretions
were frequent and uncontrollable,
especially at night. Her stomach was
weak and her appetite poor. This
caused her to have frequent head-
aches, and the least exertion
would tire her. We had tried
many remedies, but she did not
improve. Finally we learned of
Booth's Kidney Pills and pro-
cured a box. In a short time she
was well and the least exertion
would tire her. We had tried
many remedies, but she did not
improve. Finally we learned of
Booth's Kidney Pills and pro-
cured a box. In a short time she

antee that if you derive no benefit your

ney Pills are a specific for all diseases

EAST YORK LIBERALS
Will Support Candidature of Mr. J. W.
Lawrence as Independent.

The East York Liberal Association
decided at a convention held in the
former town of East Toronto on Sat-
urday not to put a candidate in the
field in the coming Provincial elec-
tions. This decision was arrived at
after it had been stated that Council-
or W. J. Lawrence of North Toronto,
a Liberal, would run as an Independ-
ent candidate in opposition to the
Whitney Government. Mr. John Gal-
braith of this city expressed a will-
ingness to accept a nomination if this
were desired by the party, but the
convention concluded to forego making
a straight party fight, so far as the
Association was concerned.

The following resolution, which was
moved by Mr. C. Fitzpatrick of Wex-
ford, and seconded by Mr. J. F. Ross
of Balmy Beach, was carried:
"Whereas, in view of the fact that
Mr. W. J. Lawrence of North Toronto
has entered the field as an Independ-
ent candidate opposed to the Whitney
Government, it is not advisable that
this Association place in the field a
candidate in opposition to the Inde-
pendent candidate, but should support
his candidature; resolved, that this
Association do not nominate a candi-
date at present."
Brief addresses were given by
Messrs. J. W. Curry, R. J. Gibson, A.
F. Wilson, J. C. Allen, John Galbraith
and Dr. O. B. Sisley.
Mr. W. J. Lawrence has announced
that he will run as an Independent
candidate in opposition to the Whit-
ney platform. One of the planks in
Mr. Lawrence's platform will be a criti-
cism of the Ontario Railway Board's
dealings with North Toronto. He also
takes advanced ground along temper-
ance lines, and against bilingual
schools in Ontario.

BRANDON PHYSICIAN DEAD.
Reference was made a couple of
weeks ago to the sudden death of Dr.
Tyndall, a brother of John, Robert and
Miss Tyndall of this village. The
Brandon correspondent of the Winni-
peg Free Press of the 30th of October
has the following account of the sud-
den death:—
The death occurred this morning of
Dr. J. E. Tyndall, a well-known and
highly-esteemed local physician, who
passed away after an illness of tragic-
ally short duration. On Saturday
evening a neighbor of Dr. Tyndall
found him in his office, apparently
very ill, and at once applied a stimu-
lant. The doctor failed to rally but
remained in a kind of stupor. Medi-
cal men were called, and at about 10.30
in the evening the patient was re-
moved to the Brandon General hos-
pital. He was found to be suffering
from pneumonia, and succumbed this
morning.
Mrs. Tyndall, wife of the deceased,
was in Winnipeg when she was ap-
prised by wire that her husband was
seriously ill. She hastened back to
Brandon and was with her husband
during his last hours.
Dr. Tyndall was born in the county
of York, Ont., in 1864. Prior to com-
ing to this city about six years ago he
had practised at Rathwell, Man., for
a considerable time. W. M. Tyndall of
this city is a brother of the deceased.

Laren of Toronto will give an illus-
trated lecture on travel-talk, with the
use of nearly 100 colored slides giving
a glimpse into each of the eleven For-
eign Mission Fields of the Presby-
terian Church. This promises to be
an entertainment of great interest.
Everybody is invited. Admission sil-
ver collection.

Newmarket.
W. E. J. Edwards, B.S.A. of the
Local Branch of the Department of
Agriculture has been transferred to
the Essex Branch and J. C. Steckley,
B.S.A. will take his place here. Mr.
Edwards was Assistant in the Essex
Office last year. Last August the
Representative there left and ever
since then the Essex people have
wanted Mr. Edwards back to take
charge.
He likes the work here very much
but since the Essex people have sent
two large petitions to the Government
at Toronto to have him transferred
back he has decided to go.
