

NEW BRUNSWICK HEARD FROM AGAIN

ANOTHER SPLENDID CURE BY DODD'S KIDNEY PILLS.

Mr. Ben Gauvang had Backache so bad he had to quit work—Dodd's Kidney Pills fixed him up.

Puelling Settlement, Kent Co., N. B., Jan. 29 (Special).—Every corner of New Brunswick tells of cures made by Dodd's Kidney Pills, and this settlement can contribute its share. Mr. Ben Gauvang is one man who without hesitation states that he owes his good health to the great Canadian Kidney remedy.

"Yes, Dodd's Kidney Pills certainly did me good," Mr. Gauvang says in an interview. "Before I started taking them my back ached so that I had to give up work and I also had to be careful how I walked and moved about. I took nine boxes, all told, and they fixed me up. They are the best medicine for all diseases of the kidneys."

Dodd's Kidney Pills are no cure-all. They only cure the kidneys. But they always cure the kidneys, and with cured kidneys you can't have backache, rheumatism, Bright's disease, diabetes or dropsy.

CORRECTING THE PARSON.

"In your sermon this morning you spoke of a baby as 'a new wave on the ocean of life.'"

"Quite so; a poetical figure."

"Don't you think 'a fresh squall' would have hit the mark better?"

A Sure Corrective of Flatulency.—When the undigested food lies in the stomach it throws off gases causing pains and oppression in the stomachic region. The belching or eructation of these gases is offensive and the only way to prevent them is to restore the stomach to proper action. Parmelee's Vegetable Pills will do this. Simple directions go with each packet and a course of them taken systematically is certain to effect a cure.

"I understand that old Billyonair made his fortune out of a simple invention." "No; out of a simple inventor."

A CALM ASSERTION.

"This train is an hour behind time," said the fretful passenger. "Yes," replied the conductor; "but you ought not to mind that. It's a heap pleasanter on this train than it will be in the town you're going to."

CONFUSED ANATOMY.

The elephant never fails to excite wonder in the person who beholds him for the first time. A writer quotes the remark of a small boy who was visiting a menagerie.

"O, papa," he exclaimed, as they passed before the elephant, "look at the big cow with her horns in her mouth, eating hay with her tail!"

Shiloh's Cure STOPS COUGHS HEALS THE LUNGS PRICE, 25 CENTS

If plans made one rich, then loafers could ride in their own automobiles.

Bickle's Anti-Consumptive Syrup is the result of expert chemical experiments, undertaken to discover a preventive of inflammation of the lungs and consumption, by destroying the germs that develop these diseases, and fill the world with pitiable subjects hopelessly stricken. The use of this Syrup will prevent the dire consequences of neglected Colds. A trial, which costs only 25 cents, will convince you that this is correct.

The publisher of the best Farmer's paper in the Maritime Provinces in writing to us states: "I would say that I do not know of a medicine that has stood the test of time like MINARD'S LINIMENT. It has been an unfailing remedy in our household ever since I can remember, and has outlived dozens of would-be competitors and imitators."

"All new arrivals are washed," explained the warden of the prison. "And if they make a fuss?" "Then they are ironed."

The Oil for the Farmer.—A bottle of Dr. Thomas' Electric Oil in the farm house will save many a journey for the doctor. It is not only good for the children when taken with colds and croup, and for the mature who suffer from pains and aches, but there are directions for its use on sick cattle. There should always be a bottle of it in the house.

EVER HOPEFUL.

"What we want," said the eminent philanthropist, "is to establish a system of universal peace." "But aren't you likely to have some quarrels over the best way to establish it?"

"Of course. But they will be useful in their way. People must have some outlet for their activities. And while they are quarreling they are not fighting."

HER MANAGEMENT.

Mrs. Colin Gable—"Do you ever permit your husband to have his own way?"

Mrs. Strongmind—"Oh, yes, occasionally. He is sure to make a fool of himself and that makes him easier to manage next time."

Some men only keep their promises because nobody will take them.

DREADNOUGHT'S GUNS.

An improved rifle of 13.5 calibre is to be used on British super-dreadnoughts in place of the gun of the same calibre introduced not long ago. It is more powerful both as to range and weight of projectile. The older 13.5 gun, which is to be used on some big ships not yet completed, throws a shell weighing 1,250 pounds, but the improved gun will carry a projectile weighing 1,400 pounds. The new super-dreadnoughts will have also some improved 6 inch guns for protection against torpedo craft. Until very recently 6 inch guns were regarded as big enough for secondary batteries.

BABY'S OWN TABLETS CURE CONSTIPATION

Mrs. Albert Barriault, St. Alphonse, Que., writes: "I have used Baby's Own Tablets for my baby who suffered from constipation. They completely cured her and I can strongly recommend them to all mothers." The Tablets not only cure constipation, but they cure all other troubles arising from a disordered state of the stomach and bowels such as colic, colds, simple fevers, indigestion, etc. Baby's Own Tablets are sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

QUALIFIED.

"Some detectives ought to make good sailors."

"Why so?"

"Because they're so often at sea."

The Foe of Indigestion.—Indigestion is a common ailment and few are free from it. It is a most distressing complaint and often the suffering attending it is most severe. The very best remedy is Parmelee's Vegetable Pills taken according to directions. They rectify the irregular action of the stomach and restore healthy action. For many years they have been a standard remedy for dyspepsia and indigestion and are highly esteemed for their qualities.

"It depends whom you select. Telling them to a dentist only seems to make matters worse."

GOOD CONTROL.

Baker—"Whenever I see anything costly I want to buy it for my wife."

Barker—"Prodigal, aren't you?" Baker—"Oh, no; I always control the impulse."
