RICHMOND HILL, ONT., FEB. 8, 1912

Judged by the report of a conference recently held by representatives of North Toronto, Stouffville, and the townships of Markham and Whitchurch, it now looks as if an amicable solution may be found to convey drinking water from the artesian well at Lemonville along Yonge Street to North Toronto. Millions of gallons are running to waste every day, and, with proper safeguards for farmers and mill owners in the vicinity, it is hoped the Ontario Government will see their way clear to give people the privilege of purchasing the greatest of natural luxuries.

BEFORE TREATMENT

Peter E. Summers relates his experience: "I was troubled with Nervous Debility for many years. I lay it to indiscretion and excess in youth. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me guessed my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loose, memory poor, etc. Numbness in the fingers set in and the doctor told me he feared paralysis. I took all kinds of medicines and tried many first-class physicians, wore an electric belt for three months, but received little benefit. I was induced to consult Dr. Kennedy & Kennedy, though I had lost all faith in doctors. Like a drowning man I commenced the New Method Treatment and it saved my life. The improvement was like magic—I could feel the vigor going through the nerves. I was cured mentally and physically. I have sent them many patients and continue to do so."
