

## THEY HAVE YET TO SCORE A FAILURE

### DODD'S KIDNEY PILLS EMERGE TRIUMPHANT FROM EVERY TEST.

Ernest St. Pierre tells how they rescued him from the tortures of Backache and Bright's Disease.

Le Petit Bois Franc, Temiscouata Co., Que., Feb. 5 (Special)—Ernest St. Pierre a well-known farmer of this place is telling his neighbors of his almost miraculous cure from Bright's Disease, and he always winds up with:

"I advise all persons suffering from Backache or Bright's Disease to use Dodd's Kidney Pills." For like thousands of other sufferers in Canada Mr. St. Pierre found his cure in the good old Canadian Kidney remedy.

And his indeed was a particularly bad case. His eyes were puffed and swollen, his appetite was fitful and he was always tired and nervous, while the pains in his back made any form of work something to be avoided. To-day he is strong and well. Six boxes of Dodd's Kidney Pills worked the transformation.

More and more in this neighborhood is it becoming a motto, "If the disease is of the kidneys or from the kidneys, Dodd's Kidney Pills will cure it." They have been tried in many cases of backache, rheumatism, lumbago and Bright's disease, and in no case where they have been given a fair trial have they failed to cure.

If you are a sufferer from colds get a bottle of Bickle's Anti-Consumptive Syrup and test its qualities. It will be found that no praise bestowed on it is too high. It does all that is claimed for it, and does it thoroughly. Do not take any substitute for Bickle's Syrup, because it is the best, having stood the test of years. All the best dealers sell it.

## Pimples So Bad He Was Ashamed

Tried Everything but Did It No Good. One Box of Cuticura Ointment Took Pimples Away.

"About seven years ago pimples broke out all over my face and neck. When they were first come out they would be big and red, then after a while they would turn white, and matter would come out. Sometimes they would itch so I could hardly sleep. I was ashamed to go down street, my face looked so bad. I went to several doctors and got medicine, which did me no good, and bought ointment, salves and patent medicines, but none of them would cure my face and neck. A friend advised me to try Cuticura Ointment. I got one box, and it took the pimples away before I had it all used up. I can say it is a wonderful remedy. Any sufferer who has pimples should use Cuticura Ointment if they want a sure cure. I never had any soap equal to Cuticura Soap." (Signed) Aylmer Mathers, Parkhill, Ont., Dec. 24, 1910.

### Sores All Over Baby's Body

"When my baby boy was six months old, his body was completely covered with large sores that seemed to itch and burn, and cause terrible suffering. The eruption began in pimples which would open and run, making large sores. His hair came out and finger nails fell off, and the sores were over the entire body, causing little or no sleep for baby or myself. Great snobs would come off when I removed his shirt. We tried a great many remedies but nothing would help him, till a friend induced me to try Cuticura Soap and Ointment. I used the Cuticura Soap and Ointment but a short time before I could see that he was improving, and in six weeks' time he was entirely cured. He had suffered about six weeks before we tried the Cuticura Soap and Ointment, although we had tried several other things and doctors too. I think the Cuticura Remedies will do all that is claimed for them, and a great deal more." (Signed) Mrs. Noble Tubman, Dodson, Mont., Jan 28, 1911.

Cuticura Soap and Cuticura Ointment sold by druggists and dealers everywhere. Send to Potter Drug & Chem. Co., 56 Columbus Ave., Boston, U. S. A., for a liberal free sample of each, with 32 p. booklet.

### FLOORED THE BISHOP

Dr. Ingram, Bishop of London, who has many Canadian admirers, declares that children—of whom he is very fond—often upset him with their questions.

Not long ago the Bishop was addressing a gathering of poor children, and at the close of his remarks invited any boy or girl to ask him questions. His Lordship answered several, but was finally floored by a little girl, who asked: "Please, sir, why did the angels

walk up and down Jacob's ladder when they had wings?"

Dr. Ingram escaped by blandly inquiring, "What little boy or girl would like to answer this question?"

### HARD TIMES AT DAD'S.

The teacher was trying to explain the uses of the thermometer.

"How can we tell," she asked, "in winter, for instance, how much colder one day is than another day?"

"When it's awful cold," spoke up the barber's little boy, "nobody goes 't' git his hair cut."

A Mild Pill for Delicate Women.—The most delicate woman can undergo a course of Parmelee's Vegetable Pills without fear of unpleasant consequences. Their action, while wholly effective, is mild and agreeable. No violent pains or purgings follow their use, as thousands of women who have used them can testify. They are, therefore, strongly recommended to women, who are more prone to disorders of the digestive organs than men.

A woman is the fairest creature on earth—also the unfairer.

### "GENTLE HINTS" IN CHINA.

There is a peculiar and long-standing custom in the Celestial kingdom of China. It is to present coffins to parents by sons and daughters, when the parents attain fifty-five years of age, and wish them very many happy returns of the day. Often these coffins are used as wardrobes until they are needed for their legitimate purpose. Therefore, coffins are usually to be seen in many houses in China. Though these are kept in the name of the elderly people, when any member of the family dies the coffin is used. Many of the customs of China have been done away with, but this seems to have a stronger hold on the people.

### NO ROMANCE IN HIS SOUL.

"What," enthusiastically exclaimed the man of 40 who was attending the "coming-out party," "is more beautiful than a girl of 20 who is just budding into womanhood?"

"Well," replied the man of 60, "if you really want my opinion, I should say a nice, new \$20 bill."

### GOOD LOOKS AND GOOD TEMPER.

#### A Chat With Our Lady Readers.

Have you ever noticed how miserable and unhappy the little pains and aches make one? A stinging cut, badly chapped hands, a nasty burn, a sore foot, a poisoned finger—none of them wounds or ailments ever likely to cause serious trouble, but bad enough to put an edge on one's temper and spoil good looks.

Take this advice. When in pain from any of these everyday evils, just use Zam-Buk. As soon as you put it on to a sore, a cut, a burn, or any skin-injury, it stops the pain and the smarting and starts up healing. Don't think that because Zam-Buk is so widely used by medical men, by nurses, and for serious skin diseases and accidents it is only for serious cases. Keep it handy in the kitchen, the workroom, and use it immediately you get some injury or have some sore.

Mrs. Chas. H. Barrett, Harmony Road, Truro, N. S., says: "I had an ingrowing toe nail, which caused me acute agony. Sometimes the pain was so severe I could not sleep. It became so bad that I feared blood-poisoning had set in. I was advised to try Zam-Buk and bound up the sore toe with it. In a few days it was much easier, and I continued the treatment. The result is that to-day the toe is sound and I have no more trouble with it."

Zam-Buk cures piles, eczema, varicose ulcers, cold sores, abscesses, blood poisoning, ringworm, and all similar skin diseases. Sold everywhere at 50c. a box or post free from Zam-Buk Co., Toronto, for price.

The Poor Man's Friend.—Put up in small bottles that are easily portable and sold for a very small sum, Dr. Thomas' Eclectric Oil possesses more power in concentrated form than one hundred times the quantity of many unguents. Its cheapness and the varied uses to which it can be put make it the poor man's friend. No dealer's stock is complete without it.
