

CURED ACHES AND PAINS LIKE MAGIC

WHEN HE USED DODD'S KIDNEY PILLS FOR RHEUMATISM.

Saskatchewan man tells of quick relief after three years of suffering.

Holbeck, Sask., Feb. 12 (Special).—Among the many of the prairies who are shouting the praises of Dodd's Kidney Pills none speak with more enthusiasm than Mr. Matt. Syverson, a well-known resident of this place.

"I suffered from rheumatism for three years," Mr. Syverson says; "and I was also troubled with an acute pain around my heart. My case was a severe one and several times I doubted if recovery was possible. But seven boxes of Dodd's Kidney Pills cured me completely. I can truly and honestly recommend Dodd's Kidney Pills as a remedy for cases like mine. They surely cleared out all my aches and pains as if by magic."

Rheumatism is caused by uric acid in the blood. When the kidneys are right they strain all the uric acid out of the blood. Dodd's Kidney Pills make the kidneys right. That's why they never fail to cure rheumatism and kindred diseases.

Small but Potent.—Parmelee's Vegetable Pills are small, but they are effective in action. Their fine qualities as a corrector of stomach troubles are known to thousands and they are in constant demand everywhere by those who know what a safe and simple remedy they are. They need no introduction to those acquainted with them, but to those who may not know them they are presented as the best preparation on the market for disorders of the stomach.

An Oil Without Alcohol.—Some oils and many medicines have alcohol as a prominent ingredient. A judicious mingling of six essential oils compose the famous Dr. Thomas' Electric Oil, and there is no alcohol in it, so that its effects are lasting. There is no medicinal oil compounded that can equal this oil in its preventive and healing power.

BOLDNESS OF SWALLOWS.

One Nest Built in a House—Another on an Electric Lamp.

A very curious instance of boldness in swallows was recorded in 1886 from Ceylon. It was in case the birds built over a lamp in the dining-room; what made their choice of site more remarkable was the fact that the lamp could be raised or lowered by counterweights and the connecting chains actually passed through the mud walls of the nest.

Occasionally the bird selects a nesting site which invites comparison with the boldness of the robin. In July last a pair of swallows took advantage of the open window of an unoccupied bedroom in a house at Felmersham in Bedfordshire to begin building their nest on the curtain rod of the bed.

The return of the owner of the house and his occupation of the bed did not in the least disturb or alarm the birds, which completed the nest and brought off three nestlings within seven weeks of the house owner's return. They took no notice of the occupant of the bed when flying in and out of the window feeding their young; but the hen bird would fly off the nest if anyone entered the room during the daytime.

Three years ago a pair of swallows built their nest on top of the shade of an electric lamp which hangs outside the asylum at Narborough, near Leicester.—Baily's Magazine.

NO MORE COLD FEET.

In the near future there should be no more cold feet, and even those unfortunates who cannot get near the fireside will not suffer from chilled pedal extremities because they have to sit back in the room. By means of an invention for adapting electricity it is now possible to make carpets, rugs, or even linoleum perfectly warm. The whole floor is ingeniously threaded with electrical wires, the majority of them running in parallel lines, and an ordinary lighting current is passed through them. The effect is naturally to warm the floor covering, and, as the temperature is easily regulated, a greater or lesser intensity of heat may be arranged. Carpets, by the way, retain heat for some time, so the use of electrical current need not be continuous.

ALMANAC STARTED IN 1686.

The oldest almanac in existence is the "Almanach National," which has been issued by the French Government since 1686, says the London Chronicle. Its name has been changed a good many times during its career of 225 years. Originally the "Almanach Royal," it became "National" in 1793, "Imperial" in 1805, and reverted to its original name nine years later. Since then the title has been altered four times. Like most publications of this sort the "Almanach National" has grown bulky with advancing years. The first issue contained forty-eight pages, as compared with 1,580 pages in the current issue.

SORES FROM ELBOW TO FINGERS.

Zam-Buk Worked a Miracle of Healing.

Reverend Gentleman Fully Corroborates.

Miss Kate L. Dolliver, of Caledonia, Queens Co., N. S., says: "I must add my testimony to the value of Zam-Buk. Ulcers and sores broke out on my arm, and although I tried to heal them by using various preparations, nothing seemed to do me any good. The sores spread until from fingers to elbow was one mass of ulceration.

"I had five different doctors, and faithfully carried out their instructions. I drank pint after pint of blood medicines, tried salve after salve, and lotion after lotion; but it was of no avail.

"My father then took me thirty miles to see a well-known doctor. He photographed the arm and hand. This photograph was sent to a New York hospital to the specialist; but they sent word they could do nothing further for me, and I was in despair.

"One day a friend asked me if I had tried Zam-Buk. I said I had not, but I got a box right away. The first box did me more good than all the medicine I had tried up to that time, so I continued the treatment. Every box healed the sores more and more until, to make a long story short, Zam-Buk healed all the sores completely. Everybody in this place knows of my case and that Zam-Buk alone cured me."

Minister corroborates.—The Rev. W. B. M. Parker, of Caledonia, Miss Dolliver's minister, writes: "This is to certify that the testimonial of Miss Dolliver is correct as far as my knowledge goes. I have known her for a year and a half, and her cure effected by Zam-Buk is remarkable."

Wherever there is ulceration, blood-poison, sores, cold-cracks, abscesses, cuts, burns, bruises, or any skin injury or disease, there Zam-Buk should be applied. It is also a sure cure for piles. All druggists and stores sell at 50c. per box, or post free from Zam-Buk Co., Toronto, for price.

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy.

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box.

Finding the lump again forming in my throat, I bathed freely with MINARD'S LINIMENT, and saturating a cloth with the liniment left it on all night. Next morning the swelling was gone and I attributed the warding off of an attack of Quinsy to the free use of MINARD'S LINIMENT.
