

## JUST ONE MORE SPLENDID CURE

RHEUMATISM WAS VAN-  
QUISHED BY DODD'S  
KIDNEY PILLS.

Amable Lamarche Tells How His  
Kidney Disease Developed and  
How he got Relief When he Used  
the One Sure Cure.

Lefaire, Ont., April 15 (Special)  
—Another splendid cure by Dodd's  
Kidney Pills is the talk of this vil-  
lage. Mr. Amable Lamarche is the  
person cured and the cure is vouch-  
ered for by his numerous friends.

"It was a sprain and a cold that  
was the beginning of my trouble,"  
Mr. Lamarche says in telling his  
story. "I could not sleep, my ap-  
petite was fitful and I felt heavy  
and sleepy after meals. I was al-  
ways thirsty, had a bitter taste in  
my mouth and perspired freely. My  
limbs were heavy and I had a drag-  
ging sensation across the loins.

"When my symptoms developed  
into rheumatism I realized that my  
kidneys were the cause of the trou-  
ble and I started to take Dodd's  
Kidney Pills. Six boxes made me  
a well man."

Kidney trouble quickly develops  
into painful and often fatal dis-  
eases. To ensure good health, cure  
the first symptoms with Dodd's  
Kidney Pills. They never fail.

But the beauty that is only skin  
deep is better than the kind that  
rubs off.

Sweet and palatable, Mother  
Graves' Worm Exterminator is ac-  
ceptable to children, and it does  
its work surely and promptly.

### GRAINS OF GOLD.

In matters of conscience first  
thoughts are best; in matters of  
prudence last thoughts are best.

I believe we cannot live better  
than in seeking to become better,  
nor more agreeably than having a  
clear conscience.—Socrates.

The life of a woman may be  
divided into three epochs—in the first  
she dreams of love, in the second  
she makes love, in the third she re-  
grets it.

The world will never be in any  
manner of order or tranquility until  
men are firmly convinced that con-  
science, honor and credit are all in  
our interest.

Stimulate the heart to love and  
the mind to be early accurate, and  
all other virtues will rise of their  
own accord, and all vices will be  
thrown out.

There is some help for all the de-  
fects of fortune, for if a man can-  
not attain to the length of his wish-  
es he may have his remedy by cut-  
ting of them shorter.

### DEADLY HONOR.

"I simply can't stand the toot of  
an automobile horn."

"How's that?"

"A fellow eloped with my wife in  
an automobile, and every time I  
hear a horn toot I think he's bring-  
ing her back."

## Every Crisp, Little Flake of Post Toasties

golden brown.

A favorite food for  
breakfast, lunch or supper  
in thousands upon thou-  
sands of homes where  
people are particular.

"Perfectly Trustworthy" is the  
character of Bickle's Anti Consump-  
tive Syrup. It can be used with  
the utmost confidence that it will  
do what is claimed for it. It is sure  
in its effects, as the use of it will  
clearly demonstrate and can be re-  
lied upon to drive a cold out of the  
system more effectively than any  
other medicine. Try it and be con-  
vinced that it is what it is claimed  
to be.

my husband do it."

Official figures show that the num-  
ber of Quakers throughout the  
world is about 124,000.

There may be other corn cures,  
but Holloway's Corn Cure stands  
at the head of the list so far as re-  
sults are concerned.

### MEANING OF MARRIAGE.

A man who marries for the sake  
of what his wife can do for him is  
not doing what he ought to do for  
the woman he marries. That mar-  
riage so far as he is concerned be-  
gins as a failure, whatever it may  
come to be in time. A young man  
writes thoughtlessly to an acquaint-  
ance—"I expect to take a better  
half. I need some one to help me.  
I hope this young lady will prove a  
prize to me." The real question  
for that young man is whether he  
will prove a prize to the young  
lady. Marriage ought to mean to  
him an opportunity for service to  
the woman he loves. To be one and  
not two, to live day by day the to-  
gether life instead of the apart  
lives; to cherish oneness of aim and  
faith and work; to give and not to  
get in loving service each for the  
other—that is marriage. A young  
man who thinks of marriage as  
anything less than this will be  
something far less than a prize to  
the woman he marries.

### TO SPEAK KINDLY.

By example, a thousand times  
more quickly than by precept, chil-  
dren can be taught to speak kindly  
to each other, to acknowledge fav-  
ors, to be gentle and unselfish, to  
be thoughtful and considerate of  
the comforts of the family. The  
boys, with inward pride at their  
father's courteous demeanor, will  
be chivalrous and helpful to their  
young sisters; the girls, imitating  
the mother, will be gentle and pa-  
tient, even when big brothers are  
noisy and heedless.

### SUCCESS.

Free yourself at this moment of  
the delusion that success means pil-  
ing up heaps of money. Most any-  
body can make money, but when it  
comes to building up a noble char-  
acter—ah, there's where the diffi-  
cult problem lies. Remember that  
success in its true sense means  
achieving good in this world. Your  
life has been a dismal failure if  
those that live after you cannot say  
when you are gone that the world  
has been made better by you hav-  
ing lived in it. This is true, al-  
though you may have accumulated  
thousands of dollars.

### TERRIBLE RESULT OF BLOOD POISON.

After Three Operations Zam-Buk  
Was Tried and Proved Successful.

If people would only use Zam-  
Buk for chronic sores, blood-poison,  
etc., before permitting an opera-  
tion, scores of limbs would be  
saved.

Mr. Robt. Patterson of North Pel-  
ham, Welland Co., Ont., writes:  
"My daughter, Annie, had blood-  
poison in her finger. The doctor  
operated twice on the finger, but  
did not obtain the desired result,  
and a third operation was consid-  
ered necessary.

"Three doctors were present at  
this operation, but after it had  
been performed the wound did not  
heal. Try as we would we could  
not get anything to close the wound.

"We at last tried Zam-Buk, and  
it was really wonderful to watch  
how this balm healed the wound.  
Each day there was a marked im-  
provement. First the wound in the  
palm of the hand closed, and then  
the finger which had been bad so  
long began to heal. The diseased  
flesh seemed to rise out of the  
wound and then drop off, and new  
healthy flesh formed from below,  
pushing off the diseased tissue. In a  
short time the wound was complet-  
ely healed. Had we applied Zam-  
Buk at first we might have saved  
the finger.

For chronic sores, blood-poison,  
ulcers, abscesses, scalp sores, piles,  
eruptions, inflamed patches, ec-  
zema, cuts, burns, bruises, and all  
skin injuries and diseases Zam-Buk  
is without equal. 50c. box all drug-  
gists and stores, or post free from  
Zam-Buk Co., Toronto, for price.
