150,000 Free Homesteads

ALONG THE LINE OF THE CANADIAN NORTHERN RAILWAY IN Manitoba, Saskatchewan and Alberta.

The Government has thrown open for entry 150,000 Free Homesteads—100 acres each—along the lines of the Canadian Northern Railway in Manitoba, Saskatchewan and Alberta. At least 35,000 of these are within a radius of 20 miles of operated lines of the Company, while the balance will be served by Branches now under construction or projected.

Alberta, the Province already noteworthy for its fertile lands and salubrious climate—takes first place in the total of homesteads offering. But the Wonderful Wheat Lands of Saskatchewan are well represented in the free Farms which have been thrown open for entry. Manitoba—the oldest settled of the three—holds out a large number.

Manitoba, 21,800 Saskatchewan, 48,080 Alberta, 74,000

Western Canada is so big that practically every farming condition is met with in the combined total. There is open prairie, the bluff country, which needs some clearing, and also the rolling land where loam and climate are admirably adapted to the needs of mixed farming. The atmosphere—Clear, Dry and Invigorating—makes this land the best land to live in.

The best Homesteads are rapidly being taken up, and intending settlers will be well advised to make their selection without delay.

Write for a free booklet giving the location and a description of the land being offered. A copy will be mailed to anyone making application to B. L. Fairbairn, Asst. General Passenger Agent, Canadian Northern Building, Toronto, Ont.
