

HARVESTERS EXCURSIONS

Urgent Need For Men Along Canadian Northern Western Lines

Given warm sunshine for the next ten days, Western Canada will reap the largest grain crop in its history. All indications at present are favorable and the Western farmer is busy preparing for a bumper crop. 50,000 men will be needed to garner this immense crop and store it for future use. This army of sturdy workers will have to be drawn mostly from Ontario and many of them will stay in the West after getting a glimpse of its many possibilities. The man who goes out with a harvesters excursion gets an exceptional opportunity on a small investment. He not only gets an opportunity to make a little money, but also a chance to look over some of the finest wheatland in the world, with a view to possible future settlement. Many farmers in the West to day owe their prosperity to the fact that they went out with a harvesters excursion a few years ago and later took up a homestead and there are still thousands of acres of rich fertile soil waiting for others.

Along the lines of the C. N. R., the road that has tapped thousands of miles of virgin wheatland in the West, an army of men will be needed. The demand will be keen and the highest wages will be paid. The fare will be \$10.00 to Winnipeg with a rate of one-half cent a mile to points on the C. N. R., beyond. Five excursions will leave Ontario points between August 16th and 31st, and the route viz Chicago and Duluth will be followed; the most interesting to the West.

For full particulars apply to any agent of the C. N. O., the Bay of Quinte Ry., or the Central Ontario Ry. 7-3

WONDERFUL PROGRAMME.

The programme of the special attractions for the Canadian National Exhibition has just been issued. It is featured by the Imperial Cadet Review and Competitions with representative corps from all parts of the Empire, and the two famous bands from England, the Scots Guards Band and the Besses O' th' Barn Band, but these are a small part of the program. There is enough vaudeville for half a dozen ordinary shows, an historical spectacle, the Siege of Delhi, sixty numbers of fireworks nightly, Wellington's Zouaves, the Cadet Tattoo, Motor Boat Races, Swimming Races, War Canoe Races, Athletic Meet, Baby Show etc. It is a truly wonderful programme.
