A hawk entered the poultry yard of Mr. F. McConaghy a few days ago, and carried off one of his thoroughbred chickens. When the bold intruder returned shortly afterwards for the mate of his tender prey, Charlie considered the Village by-law suspended for the time being and shot the rapacious bird on the spot.

It is a common occurrence for motorists to have their nerves set upon edge. Monday forenoon a woman got on the track near York Mills, and came within an ace of being run down. The motorman sounded his gong and put on brakes, and the pedestrian left the track just in time to avert a fatal accident. It seemed to be an act of thoughtlessness on the part of the woman.

Mr. T. H. Bull, K. C., who had been Clerk of the Peace for the County of York for about thirty years, died at his residence, Toronto, last Friday. He was in his 79th year. He was educated at Victoria College and at the University of Toronto, where he took the degree of B. A. in 1867. In 1876 Mr. Bull married Miss Nettie Harrington, daughter of the late John Harrington of Richmond Hill. His widow survives him. Interment took place in Prospect Cemetery on Monday.

### Carrville

### LIGHTNING'S PRANKS.

A severe electrical storm, accompanied by a heavy downpour of rain was general all over the County of York last Thursday evening, commencing about 7 o'clock. From Richmond Hill fires could be seen in all directions. One of the motormen on the Metropolitan Railway said he counted about a dozen fires on his way between Sutton and Toronto, presumably buildings that had been struck by lightning. One of Mr. Robert McNair's barns, west of Elgin Mills was struck and the contents burned. This is a total loss as there was no insurance. The farmers of Markham and Scarboro also lost heavily. Mr. Hood's barn was destroyed, also Mr. Reesor's, near the Dutch church. Mr. Preston, Aurora, also lost his barn and contents. At Maple and vicinity several buildings were struck but not fired. The chimney of Mr. W. A. Camp's barber shop was knocked off, and Mr. Robert King's house was struck. The lightning also struck Mr. M. Witty's house on lot 10, con. 3, Vaughan.

### HIGH SCHOOL OPENING.

The High School opened with a full staff, and an enrollment of about 70. The attendance of pupils from outside the section is quite large. There are seven less from Richmond Hill in first form, nine having entered this year while sixteen showed up last year. Maple contributes six as compared with two a year ago. The science department is in charge of Mr. Bell. There will be a special class in book-keeping this year for young men who purpose entering financial or mercantile institutions.

### BASKET BALL.

The first contest in the series for the championship Basket Ball Shield will be played in Newmarket the second day of the fair on the agricultural grounds at 3.30 p. m., on Wednesday next. The Richmond Hill high school team will be probably the same who won out last year. A special car will leave Thornhill and Richmond Hill early in the afternoon to take the team and its friends to see the game. Particulars will be given on the bills. This will be the only excursion the school will have this fall. For the contest with Aurora high school the playing team only will go.
